The Official Newsletter of Southwest Ranches

MESSAGE FROM THE MAYOR:

Our Southwest Ranches BSO Commander, Wally Haywood, recently announced his transfer effective March 7, 2013. Commander Haywood has done an outstanding job on behalf of our Town and we wish him well.

Congratulations and welcome to our new District Chief Linda Canada-Stuck. Chief Canada-Stuck was selected by a unanimous vote of our Town Council at our meeting on March 7th. She has been a member of the Broward Sheriff's Office since 1987, and has held a number of leadership positions within the organization over the years. She is very familiar with the Town's current law enforcement organizational structure and history. We welcome our new District Chief and look forward to a continuation of outstanding service provided by BSO under her command.

In a recent unanimous decision by the Town Council, the proposed Farm Bill will be rescinded due to resident's concerns and outcry of the community. The Council heard your voice and will continue to serve you with the greatest honor and respect.

I am honored to announce that the Town has been awarded the Certificate of Achievement for Excellence in Financial Reporting (CAFR) for FY 2011-2012. This award is one of the highest achievements for financial reporting in a local government. This is a huge and significant accomplishment and I congratulate the Town Administrator, Andy Berns and Town Financial Administrator, Martin Sherwood the for their continued efforts and dedication to making the Town fiscally responsible.

It is an honor and pleasure to serve you!!

Jeff

One of the aspects of being on the Council is that you not only

get to work on the big things that the Town is attempting to accomplish but you also hear from individual residents on some of the smaller individual items that contribute to larger frustrations. So, I just wanted to highlight a couple of those items in the hope that we can all be better neighbors.

One of the issues that I hear about regularly is that of parties and noise issues that go well into the night. We all have special events and have parties that we enjoy. However, I would ask everyone to remember that there is an ordinance in Town that limits that noise after 11:00 PM. Our Town has always been a town that believes in the independence that each of us has regarding our property and the ability, within limits, to enjoy that property without heavy code citations or a city or HOA telling us to do this or not do that. However, noise is something that can easily transcend the boundaries of our property. So, I would ask that you be considerate of your neighbors and respect that 11:00 PM timeframe.

“We all have special events and have parties that we enjoy. However, I would ask everyone to remember that there is an ordinance in Town that limits that noise after 11:00 PM”.

Another area that I hear often is that of multiple commercial vehicles on a property. That is something that is often tolerated by neighbors who want to maintain a good relationship with their neighbor. However, it is a disruption when the large vehicles are started in the morning, it is a threat to our safe ground water supply when those vehicles are parked on open land, and depending on the visual buffer that is, or is not, provided it can be a real eye sore as well. Our code allows one commercial vehicle for a property and out of respect for your neighbors, if you have more than one on your property, I would request that you consider relocating all but one of those vehicles.

As I mentioned, these are not huge issues. However, I have always thought that Southwest Ranches is as much a family as it is a town. So, out of respect for those around you, I would ask, if either of these issues apply to you, that you consider making some changes to retain harmony in our community.

Council
Member Freddy
Fisikelli

A few things going on in the Town this month, at the last Council meeting

there was an ordinance introduced to rezone approximately 3.8 acres of the Weekley property located on Griffin Road from rural ranches to recreation and open space district. Until recently, the Weekley's owned several acres of open land with an enclosed pavilion on SW 54th place in Pembroke Pines, which they used as a retreat for family gatherings and various gatherings for civic groups, including Boy Scout campouts. The Weekley family sold the property in January and are

“WE ARE STILL WORKING ON FISHING HOLE PARK...RESIDENTS HAVE ENJOYED EQUESTRIAN PARK IN THE EAST, ROLLING OAKS PARK IN THE CENTER OF TOWN, AND NOW I LOOK FORWARD THAT ALL RESIDENTS CAN BE PROUD OF A PARK LOCATED IN THE WEST SIDE AS AN ADDITION TO THE TOWN'S PARK SYSTEM”.

now proposing to use their 3.84 acre property on Griffin Road as a replacement. The Council passed the ordinance on first reading with some issues to be addressed before second reading in April.

Also at the last Council meeting, an ordinance came back for second reading to approve the rezoning of approximately 1.06 acres owned by the South Florida Hindu Temple from rural estate district to community facility district. The property lies directly south of the Temple's community worship center. There are a lot of residents that live close to this property and were not in favor of this change. Ultimately, the ordinance was tabled in order for the applicant and the residents to meet before it came back for second reading again.

We are still working on Fishing Hole Park, the parking lot is almost completed. The final step will be the installation of parking stops. The next phase of the project will be building the playground area which phase one has to be completed by September 2013. Then following that phase will be the building of the restrooms which is scheduled for next year, but I am trying to get that done this year since we already have a grant to build them. Hopefully, we may be able to open some of the park up to some type of use very soon. The residents have enjoyed Equestrian Park in the east, Rolling Oaks Park in the center of Town, and now I look forward that all residents can be proud of a park located on the west side as an addition to the Town's park system.

Sunshine Ranches Equestrian Park wins County's prestigious Emerald Award

We knew it was a jewel; and Broward County's NatureScape Emerald Award Committee agrees! Recognized in August 2008 by the National Wildlife Federation as a Certified Wildlife Habitat, the park was recently selected as a winner of Broward County's 2012 Emerald Award program.

What are the Emerald Awards? The Annual Broward County Emerald Award Program recognizes county businesses, governments, individuals, and organizations demonstrating a commitment to protecting and

preserving our environment by creating and maintaining model Florida-friendly landscapes or exceptional projects.

Nominations were accepted in December 2012, and the site was visited by the Award Committee and recommended as a finalist for the award in February. Winners selected by the panel of Judges were honored at the

Emerald Awards Ceremony at Water Matters Day on March 9.

The Emerald Award, a handcrafted mosaic stepping stone created by students and faculty of Cross Creek School, will be given a place of honor in the landscape and is presently on display at Town Hall for all to enjoy.

Crime Time! A word from Captain Linda Canada-Stuck, New BSO District Chief

Greetings Southwest Ranches:

It is an honor to be selected as your new Police Chief and I plan to continue the same level of outstanding service as provided by Commander Wally Haywood. I am sure everyone joins me in wishing him the best in his new assignment.

The Broward Sheriff's Office would like to remind our residents to remain vigilant and continue to contact us when you observe

suspicious activity in your area. You are the eyes and ears of our community and are more often able to recognize unfamiliar vehicles or persons in the area. Statistically, residential burglaries occur more frequently during the day when residents are typically not home. A majority of conveyance burglaries involve unlocked vehicles and result in a "crime of opportunity" when residents leave valuables in their vehicles. Please remember that "if it's suspicious to you, it's suspicious to us"

The Broward Sheriff's Office will hold a Shred-A-Thon and Operation Medicine Cabinet prescription drug "buy back" on Saturday, May 11th from 9am-Noon at the Pembroke Lakes Mall, 400 North Hiatus Road, Pembroke Pines. The Shred-A-Thon provides residents with a safe way to dispose of their personal

documents, check stubs, credit card offers, receipts and any other paperwork that contains sensitive information. The service is free of charge. There's a limit of five boxes per person. The Shred-A-Thon events began in Broward County in May 2008, as a joint initiative by the Broward Sheriff's Office and the Florida Attorney General's Office, with the assistance of UNISHRED and The National Association of TRIADS. The prescription drug take

back program, operating under the name Operation Medicine Cabinet, allows participants to turn in unused or expired prescription medication to receive a \$5 gift card (while supplies last, limit one per family).

I look forward to meeting everyone and attending our SW Ranches Town-Wide Garage Sale on Saturday!
