Mayor Jeff Nelson

For residents looking for ways to get involved in our Town, there are many

activities and volunteer advisory boards. Our Town Clerk has a registry of residents interested in serving on advisory boards. These boards' sunset annually and applicants are reviewed by the sitting Council Members for appointment. All advisory board meetings are open to the public and published on our website and in the Town newsletter. The public is welcome to attend these meetings and by doing so you can see where you may like to put your footprint on the Town.

If advisory boards are not your style and you prefer rolling up your sleeves, this month's newsletter calls residents into action with activities ranging from Earth Day Awareness, National Arbor Day drawing contest for the kids.

Our Town was formed with a can-do attitude; with everyone's participation our uniqueness will blossom from a single purpose of independence to greatness. It is an honor and pleasure to serve you!

Jeff

Council Member Steve Breitreuz

Since we have been a town, one of the things that has evolved within our town is the

Fire and EMS Protection providers. We have had combination service between BSO and Davie. We have had BSO provide protection to the town. We have had Pembroke Pines protect our town and we currently have Davie protecting our town. Each has done an exceptional job.

The other element of fire protection has been our Volunteer Fire staff. This has grown into a highly professional team, led by Chief Bennett and Assistant Chief Kastner. They have done an exceptional job of taking what was originally a pure volunteer organization and implementing a structure and stability to where it now it is an important supplement to our Davie service providers. Specifically they provide large animal rescue skills, off road vehicles and skills in addressing fires that normal apparatus and individuals cannot address, as well as providing the personnel to attend a scene till it is completely resolved, allowing the primary Davie equipment to go back in service.

However, with all those benefits, the direction of these fire services is still yet to be determined. We have contracted out for a consultant to review our service providing structure and provide expertise to help us determine the best way to move forward. Specifically, we are looking to determine if the all Town resources should be focused on the Davie provider and minimize the volunteer involvement, whether the

Volunteer involvement should become the primary provider, or if a combination model, similar to what we have today, should be continued and refined.

In speaking with the Chief and Assistant Chief, both who are strong and active residents in our town, they have clearly expressed that they as well are looking just to hear the best way forward and to implement that plan, regardless of the proposed approach. They are exceptional. We, as a town, are fortunate to have skilled unbiased individuals that are also residents and thus also are looking for the best use of our tax dollars as well as the optimum protection for our residents.

Keep an eye out for the results of this study. I am not sure, as I write this, what the recommendation will be. But I am sure that as a Town, and as a fire service, we will all be ready to move forward with whatever is best for the Town of Southwest Ranches.

Council Member Freddy Fisikelli

I am writing this article late as usual. I do this because I like to

keep everyone informed about what is happening around Town, it just takes a long time to get all the information together. I am sure many have the same problem! Now let's get on with the latest news. We have two new projects starting. One in our Town and one in Pembroke Pines. In Pines, they annexed vacant land that originally was Broward County's long before we became a Town. It is within our Town boundary (US 27 to the west, Flamingo Road to the east, Sheridan Street to the south and Griffin Road to the north) but is governed by Pembroke Pines. This land was previously owned by the Weekley family, but was eventually purchased by Pembroke Pines. Pembroke Pines is currently installing a road to allow their residents to have the ability to go north and south since the Town closed down several of its own roads that diverted cut-through traffic which was a major problem for Town residents who live in that area. Now, Pines has sold the land to a not-for-profit organization called Franklin Academy Schools. They have plans to build a charter school on the vacant property mentioned previously, which will have classes for middle school and high school. They intend to build a recreation field with field lights for all types of sports. After the Town was aware of this, we attended a Pembroke Pines City Commission meeting when the plat was on the

agenda for consideration and stated the Town's case to not approve. It was eventually approved anyway so we had no choice but to file a lawsuit against the City because of their approval process and ambiguous traffic report.

The other issue that will be affecting our Town is that some of our residents have received a letter from the US Army Corps of Engineers stating there are approximately 41 acres of land owned by the Downey family located on the southwest corner of Bonaventure Boulevard and Griffin Road. The Downey family had plans to build a small residential community which will include sixteen homes. This project is also referred to as the Tara Plat which the family had applied for in 1995 but never moved forward with it until now. They sold the property to another party and plan to move forward with this project. They have met with Vice Mayor Gary Jablonski since the property lies within his Council district. The Vice Mayor has reported that he has advised the new owners that before they can move forward they will have to apply for a new site plan because the old Tara site plan has expired. The original plat required the developer to build a new road which will be SW 184th Avenue on the full length of the property, but to do this they would have to relocate the existing canal which was built by the old Baily Water Management District which now is under the management of the South Broward Drainage District. The canal was built at the wrong location. The Town requested a hearing on this project and once a date is available we will notify everyone.

Now for some good news! We are moving along with the construction of Fishing Hole Park. The Town has

been notified that the contractor who built the playground and part of the horse trails has finished. The project to build the bathroom has been awarded and a pre-construction meeting was held with the contractor. The contractor is expected to commence work in two weeks. It is anticipated that this week we will have a meeting with everyone involved with this project to set up a future schedule for the rest of the project.

by Erika Santamaria

Brief legislation from the February 13, 2014 Town Council meeting:

- **Adopted Ordinance 2014 – 01** approving the Capital Improvement Element budget for FY2014-2018.

Brief legislation from the February 27, 2014 Town Council meeting:

- **Approved Waiver of Plat** for property located at SW 51st Street and SW 178th Avenue to subdivide the lot.
- **Approved Ordinance on First Reading** – Prohibiting the sale of nicotine vaporizer or liquid vaporizers (E-Cigarettes) to minors in Town.

AROUND THE TOWN

Water Matters Day at Tree Tops Park

On Saturday March 8, 2014, Southwest Ranches was once again represented at Water Matters Day at Tree Tops Park in Davie.

Each year, the Town proudly participates in Broward County's signature water conservation event. With over 50 educational exhibits and booths on display, refreshments, live music, and family friendly activities, Water Matters Day gives thousands of residents the chance to learn about the role each of us plays in protecting and conserving water resources, receive free trees, conservation tips, rebates and incentives, and learn to create Florida-friendly and drought tolerant landscapes.

Southwest Ranches has taken part in Water Matters Day since its inception 12 years ago. The Town's display included a demonstration garden highlighting Florida-friendly landscaping principles and staff and volunteers assisted Broward County residents to register their own yards as backyard wildlife habitats with the National Wildlife Federation.

The Southwest Ranches, display offered a dramatic visual impact for visitors to emulate in their own yards. The take home message from the display is that creating backyard wildlife habitat is beneficial, easy, and attractive. We hope you had the chance to join us at this wonderful, "water-ful" event!

Mini-Flow: Florida Licensing on Wheels is Back in 2014

If you need to renew or replace your Florida Driver's License, Identification Card or Tag and Registration, then come on down to Town Hall. If so, the Department of Motorist Services Mini-FLOW Florida Licensing on Wheels will be at Town Hall for your convenience on the every fourth Thursday of each month in 2014:

**April 24th, May 22nd, June 26th, July 24th,
Aug 28th, September 25th, October 23rd**
From 9:30 - 2:30

SWRVFD Corner

The month of February your Southwest Ranches Fire Department has been training weekly on an Air Consumption Drill. The A. C. D. is a task that involves several labor intense fire fighting objectives and skills while wearing full bunker gear and self-contained breathing apparatus. It is a measure of one's ability to work hard at a fire/emergency scene and to see at the end of the drill how much air is left in the breathing apparatus.

The month of March has been dedicated to "May Day Drills". The May Day Drill is designed for a lost or trapped fire fighter. If a Fire fighter becomes lost or in a dangerous situation, this training may help to save There life. There will be several different training scenarios that will be used during this rugged training. The Southwest Ranches Fire Training Division built special props for the May Day training.

Southwest Ranches and Davie Fire Department are currently working on testing the wells through-out Southwest Ranches, to assure they are in good working order. They will continue for the next few weeks covering all wells through-out the Ranches.

Stay safe,
Chief Lee Bennett

DEPARTMENT NEWS

DO YOU HAVE A HOME IMPROVEMENT-PROJECT THAT REQUIRES EARTHWORK, SUCH AS EXCAVATION, GRADING, OR FILLING? THEN YOU NEED A PERMIT.

An applicant must follow the following steps in the process of obtaining a fill, excavation and site grading permit:

- 1) Obtain an "Environmental Review Approval" from Broward County Development and Environmental Regulation Division. You may obtain the "Environmental Review Approval" online at: <http://www.broward.org/epermits>
- 2) Contact the appropriate drainage district and obtain their approval. A property located east of Volunteer Road (SW 148th Avenue) should contact the Central Broward Water Control District (tel. 954-432-5110). A property located west of Volunteer Road should contact the South Broward Drainage

District (tel. 954-680-3337).

- 3) Complete the Fill, Excavation and Site Grading Permit Application and provide the Broward County Environmental Review Approval and drainage district approval to the Town Engineering Department in Town Hall located at 13400 Griffin Road. A drawing showing the activity on the property is required. This may be shown on a boundary and topographic survey. The application will be processed according to the level of fill activity and size of the property. Processing fees for fill permits are based on the level of the permit application.

Fill Levels:

The requirements for obtaining a fill permit

are based on three factors. How large the property is, location of fill on property, and how much fill is being brought in. To determine your level, please refer to the table below. By finding your property size and how much fill you plan to bring in, you can determine what level you will be.

Please note the following:

- One large truck of fill is about 18 cubic yards (C.Y.).
- Level 1 is for maintenance purposes only.
- The amount of fill that is brought in is not based on a particular project but is based on the total fill that is brought in during any continuous 12-month period of time (e.g. May 2013 through April 2014).

Application Requirements

Property Size	Up to 2 Acres	More than 2 but no more than 5 Acres	More than 5 but not more than 10 Acres	More than 10 Acres
Up to 36 C.Y. (2 trucks)	Level 1	Level 1	Level 1	Level 1
>36 C.Y up to 72 C.Y	Level 2	Level 1	Level 1	Level 1
>72 C.Y up to 144 C.Y	Level 3	Level 2	Level 1	Level 1
>144 C.Y up to 288 C.Y	Level 3	Level 3	Level 2	Level 1
>288 C.Y. up to 360 C.Y	Level 3	Level 3	Level 3	Level 2
More than 360 C.Y	Level 3	Level 3	Level 3	Level 3

Fill Level	Permit Fee
Level 1	No Charge
Level 2	\$75.00
Level 3	\$150.00
Excavation/ Site Grading	\$150.00

Please contact the Town's Engineering Department (emccord@swranches.org or tel. 954-434-0008) if you would like more information or would like a fill permit application.

On February 13th, the Town honored Military Heroes Support Foundation for their on-going efforts on collecting essential goods such as food, clothing, and toys for our deployed soldiers, their families and veterans.

Karla Smiley, President of the foundation accepted the proclamation from the Town, which made February 13th Military Heroes Support Foundation Day. Ms. Smiley awarded the Town with a plaque for our continuing support for the organization.

DAVIE POLICE DEPARTMENT

Detective Greg Brillant has been with the Davie Police Department since 2002. Prior to this, he served 25 years with the Hollywood Police Department. In his extensive 37 years of law enforcement experience, he has served in the following capacities: field training officer, SWAT team member, motorcycle patrol officer, traffic homicide investigator, canine handler and trainer, vice, intelligence & narcotics investigator, and a major crimes detective. In addition, Detective Brillant is a state certified high liability trainer, and a defensive tactics and firearms instructor.

Detective Brillant was chosen by the Davie Police Department to be assigned to the Town of Southwest Ranches to conduct follow up investigations for SW Ranches cas-

es, in addition to conducting animal cruelty and neglect investigations. His training and experience allow him to be an excellent source of assistance to the Southwest Ranches road patrol officers, as well.

In his spare time, Detective Brillant enjoys spending time with his family and grand children, traveling, food & wine, and all things "Italy." His personal motto is the Italian phrase, "Vivere, amare, ridere!," meaning "Live, laugh, love!"

Detective Brillant is on duty Monday - Thursday from 8am to 6pm. His desk number is (954) 693-8293.

PSASA Bill Gallagher has been with the Davie Police Department since 2005. In his first two years of service, PSASA Gallagher was assigned to the Davie Police Dispatch Center, where he fielded emergency and non-emergency calls for service, conducted drivers license and warrant checks for road patrol officers, etc. In May 2007, PSASA Gallagher requested assignment as a road patrol service aide, and was accepted and assigned to the PSA Academy at Broward College. After completing his academy training he successfully completed field training and has been assigned to the road patrol since. In this capacity, he has assisted officers on thousands of calls for service including traffic crashes, traffic direction, delayed crime reports, etc.

PSASA Gallagher graduated with a business degree from the University of New Haven, and had an interesting and fulfilling career in the sales

field prior to moving to Davie in 1999. He and his wife of 30 years, Pat, enjoy dining out, movies, and traveling. His step-son, Scott, is a Screen Actors Guild member and lives in southern California, where he works in television.

PSASA Gallagher was chosen by the Davie Police Department to be assigned to the Town of Southwest Ranches Town Hall to assist the citizens of SW Ranches with a variety of police issues. PSASA Gallagher is on duty Monday - Friday from 8:30am to 5pm. He can assist with filing initial police reports, obtaining copies of reports, vacation extra watch requests, and any general police assistance or questions that you may have. His desk number is (954) 693-8352.

SHOW YOUR TOWN SPIRIT
