Spring
heralds the return of
the sun's warmth,
the renewal of life,
and the reappearance
of color everywhere.

Mayor
Doug McKay

Dear Residents,

As municipal budgets are tasked with doing more with less tax revenue, municipalities often rely on State and Federal grants to assist in completing large projects. The Town of Southwest Ranches has been successful in acquiring grants for items such as drainage projects, firefighter equipment, and the acquisition of open space. This year the Town is asking the State to consider funding more drainage projects, guardrails, streetlights, and a regional Emergency Operations Center (EOC) that would serve as a base of operations in the aftermath of a natural or man-made disaster.

To help bring home the bacon, Council Member Schroeder and I attended Broward Days in Tallahassee on February 7th and 8th. While there we met with State Senators and Representatives to express how important it was for the Town to receive funding on these much needed projects.

The Legislative Session doesn't end until March 9th. As of this writing it's too soon for us to know if our advocacy efforts are successful or not. I'll report back at a future Town Council meeting so be sure to watch us on YouTube.

Bulk Waste

Another issue I would like to relay to you all is regarding bulk waste. As you are probably aware by now, Waste Pro is collecting bulk waste and solid waste throughout the Town. Since the end of Hurricane Irma cleanup, there has been confusion as to what the new bulk rules are.

To clarify:

- **Residents may place up to 12 cubic yards of bulk waste out for collection on bulk collection days.**
- **Twelve (12) cubic yards is approximately the size of a Volkswagen Beetle. Stated differently, it is approximately 8 feet wide, by 14 feet long, and 4 feet tall.**
- **If the amount of the bulk set out by a resident exceeds this amount, Waste Pro will photograph the pile, collect it,**

and bill the resident directly for any bulk exceeding 12 cubic yards at the rate of \$17.50 per cubic yard over the limit.

- **If the resident doesn't pay the bill, a civil violation will be issued and could lead to additional fees and expenses in addition to the original over the limit fee imposed by Waste Pro. If you are unsure what your bulk trash collection day is please contact Town Hall at 954-434-0008. Lastly, if you have any complaints, compliments or requests for Waste Pro please visit the Town website and click on the Waste Pro button in the lower left hand side. The tracking system will ensure your issue will be documented and responded to in a timely manner.**

Please call me at 954-274-6508 if there is an issue I can help you with!

Doug

NEW BULK RULES

- **AVOID A FINE OF \$500.00** - Bulk cannot be placed out earlier than the Saturday prior to your scheduled bulk pick up date.
- **AVOID A FINE OF \$500.00** - Landscaper or Contractor generated waste on your property must be removed by that vendor for disposal.
- **Bulk Piles over-the-limit of 12 Cubic Yards** will be picked up and the vendor will bill the resident the additional yardage at the rate of **\$17.50 per the cubic yard.**

If you have a request or complaint, please click on the Waste Pro button www.southwestranches.org or call: **(954) 967- 4200.**

Council Member Steve Breitkreuz

One of my favorite annual events each year is the Water Matters Day that is put on by Broward County at Tree Tops Park. This year it is being held on Saturday, March 10th. As always, it starts at 9:00 AM and runs through 3:00 pm in the afternoon. And I would encourage you to come early in the day rather than later in the day.

If you have not been to this event in the past, let me pass on a few thoughts on why you may want to consider putting it on your schedule this year.

First of all, we always have amazing representation there at the event. While I am perhaps slightly impartial, I do honestly believe that we have the most beautiful "booth" (If you can call a babbling brook, host of beautiful plants and comfy places to walk and rest a "booth") But December, our Parks, Recreation, Open Space Manager, and her host of volunteers, and local nurseries that donate plants for the event (Thank-you all!) do an amazing job of creating this beautiful scene year after year. It is very special. And as people from all over Broward County walk through the event, Southwest Ranches is represented as the beautiful place that it truly is.

In addition to that, this is about as enjoyable a "better than free" education as you will ever receive. Now more than ever, ways to save water and use it wisely is important no matter where you live. Even here in the Ranches where most of us on are wells, it still makes sense to use this precious limited resource wisely. And the Water Matters event does just that. You will learn things about water, and smart ways to use it and employ it that you never knew before.

Finally, when I said that it is a "better than free" education, I mean it! As you go around the booths, you can mark off your card and once you obtain enough marks on your card, you can stop by the final booth and pick up a couple of free trees or other plants. Yes, free. And beyond being free, they are all native, Florida-friendly plants that will look great in that proper spot on your property. Okay, I admit to being cheap, I mean frugal! But we now have some amazingly beautiful trees on our property that we have obtained at these events over the years. One of the sad moments of hurricane Irma was that I lost one of these beautiful trees in the storm and I will be looking for a replacement on the 10th.

So, consider adding this to your calendar of events for March. Remember, March 10th, 9:00 AM to 3:00 PM, and if possible, arrive early. I hope to see you there!

Clerk's Corner

by Russell Muñiz

Brief legislation from the January 25, 2018

Town Council Regular Meeting:

- **Adopted Ordinance 2018-002** adopting the 2018-2022 Capital Improvement Schedule.
- **Adopted Resolution 2018-023** approving an agreement with Weekley Asphalt Paving, Inc. for Stirling Road Guardrail Improvements.
- **Adopted Resolution 2018-024** approving an agreement with Amroad, LLC to complete the SW 178th Avenue Striping Project.
- **Adopted Resolution 2018-025** adopting the Broward County Enhanced Local Mitigation Strategy Plan to mitigate the impact of natural and technological disasters.
- **Adopted Resolution 2018-026** declaring a Town vehicle as surplus property.

To view these approved items in their entirety please visit the Town Clerk's Department page on the Town website and click on the Resolutions and/or Ordinances link.

STAY IN TOUCH WITH ENGINEERING

Fill for horse stalls does not require a fill permit. In addition, a permit may not be required if a small amount of sand is required to replenish a horse arena. However the Town recommends that a property owner or leasee contact our office to assure that the type of work being performed falls under this criteria prior to performing the work. A phone call to us will help prevent a possible warning from Code Enforcement and double fees when it comes to acquiring the required permit.

Please call: (954) 434-0008 or email Philip at pchorath@swranches.org

16th Annual Broward Water Matters Day

Saturday, March 10, 2018
9:00AM - 3:00PM

AROUND THE TOWN

CODE ENFORCEMENT AND YOU:

**“Be a good Neighbor, noise and parties that affect others.
Rental of properties for parties is illegal”**

By: Robert C. Solera, Code Enforcement Director / Code Services Inc. President

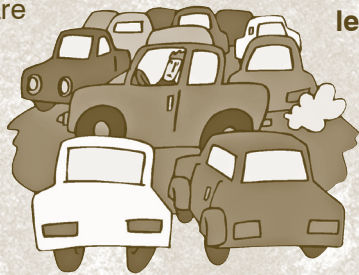

Our Town of Southwest Ranches is a rural community and strives constantly to maintain the character that our founders and residents envisioned. Many times, without realizing we tend to deviate or stray away from this vision, either because we forget or because we are new to the area. This article serves to communicate to our established and new residents that one needs to be conscious of the impact that can be created to adjacent neighbors by our actions.

Issues as excessive noise created by volume and amounts of guests attending a party are becoming more prevalent. Code Section 035-080 (“Indoor and outdoor assembly in rural and agricultural districts”) outlines these guidelines.

- **Noise Limits (volume, time of day), attendees, and parking impact.**
- **Our code does not allow for noise amplified or non-amplified to be audible from an adjacent dwelling or guest house (with closed windows and doors) from the hours of 8:00 p.m. to 9:00 a.m. Monday thru Friday and 11:00 p.m. to 9:00 a.m. Saturdays and Sundays. Also, as related to New Year’s Eve, the hours where no amplified or non-amplified noise cannot be heard in the same manner are from 1:00 a.m. to 9:00 a.m. on New Years’ Day.**

Recently there has been an influx of

companies looking to lease or rent a house in the Town for a day. Their idea is to have a party at the location which in most times is advertised and a fee is collected at the door from the attendees.

- **Our code does not allow leasing a property to a company for a party. The property owner is required to be present during the entire event, no exceptions. Also, no fee is to be charged and no gift other than congratulatory gifts are allowed. In addition, a permit is required with a minimum of (15) days application. Outlining the event type, the number of attendees, and the action plan to accommodate vehicles at the property. A family gathering that normally takes place does not require a permit unless the number of attendees exceed 30 and it occurs more than (2) times a year.**

In addition, these parties have presented traffic and parking issues to adjacent neighbors due to the num-

ber of attendees parking vehicles obstructing traffic and side streets. We need to be conscious that a large number of vehicles parked along our narrow streets and in front of properties create an impact on our neighbors. The Police Department has been called to these events because cars are blocking traffic lanes and driveway entrances. Please be mindful of your neighbors and the impact that this issue creates.

- **Vehicles are not allowed to be parked on the swale in front of other property owners. Unless permission in writing from such owners is provided at the time of the application.**

As a reminder, the Code Enforcement Department only works based on complaints from residents as it is non-pro-active in nature. We believe that everyone has the right to enjoy their property without any outside intrusion. Non-withstanding this fact when a complaint comes into the Department we have to investigate and provide the corresponding notification to the property owner.

We live in a beautiful and special Town. The Town of Southwest Ranches would like to ask for our new, established, and rental residents to be mindful of these issues and help us continue to maintain the character that we all envisioned. Let’s work together to make sure that these simple guidelines are followed, so that we can continue to enjoy the rural lifestyle that we all love so much and moved here for. Enjoy your property, but **“be a good neighbor.”** If you have any questions about the above, you can contact the Code Enforcement Department at (954) 434-0008.

AROUND THE TOWN

PROTOTYPE BARN

In furtherance of the Town's goal of preserving its rural lifestyle, the Town Council has given residents a simpler mechanism to build a barn that is in compliance with Florida statutory requirements. As such, the Town contracted with an architect who agreed to create a prototype barn drawing, in compliance with the Florida Building Code, which can be permitted for residents throughout the Town. The plans are for a three stall barn with a tack room.

A Town resident looking to build a barn can simply purchase the pre-drafted architectural plan from the Town, which they then can submit, at a reduced cost, and on an expedited basis, to get a permitted barn that will be in compliance with both state and local regulations.

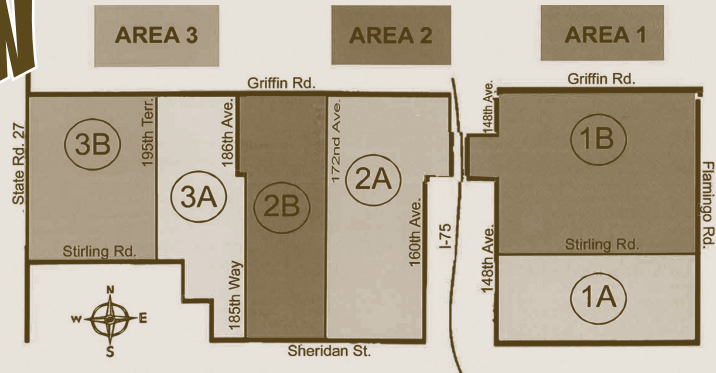

Please call or email Emily Aceti for more information: eaceti@swranches.org.

ASTEROID	HURTLE	RENDEZVOUS
ASTRONAUT	IMPACT	ROBOTIC
BENNU	ITOKAWA	SPACECRAFT
BLOCKBUSTER	LIASSO	SPINNING
CERES	MEGAROCKS	SUNLIGHT
COLLISION	METEORITE	TETHER
CRATERS	MISSION	TUMBLING
CRAZY	NUDGE	UNSPPOOL
DEFLECT	ORBIT	WRANGLER
GRAPPLE	PAINTBALLS	YARKOVSKY
GRAVITY	PROBE	
HARNESS	REGOLITH
