2.2 PROPOSAL FORMAT AND CONTENT

2.2.1 Technical Proposal. Proposals must contain all of the documents included in the appendix, each fully completed, signed and notarized, as required. Failure of a Proposer to provide the required information is considered sufficient cause to deem the proposal non-responsive.

Notwithstanding the foregoing, the Contract is personal to the Contractor, and Contractor may not, either directly or indirectly, assign its rights or delegate its obligations to Town hereunder without first obtaining the Town’s consent in writing. Any such attempted assignment or delegation shall be deemed of no legal force and effect whatsoever.

2.17 CANCELLATION

Failure on the part of the awarded Proposer to comply with the terms of this RFP and to execute and deliver any required Contract Documents and insurance, will result in the cancellation or rescission of the award. In that event, the Town may proceed to award the Contract to the responsive and responsible Proposer with the next highest ranking by the selection committee, or to re-advertise the RFP, in its sole discretion.

2.18 RELATION TO PARTIES

It is understood and agreed that nothing contained in this RFP or the Contract shall be deemed to create a partnership or joint venture with the Town. Proposer shall be in the relation of an independent contractor and is to have entire charge, control and supervision of the Work to be performed hereunder.

2.19 COMPLIANCE WITH LAW

Proposer shall comply with all applicable laws, regulations and ordinances of any federal, state, or local governmental authority having jurisdiction with respect to this RFP and any Contract awarded. Proposer shall obtain and maintain any and all permits, licenses, approvals and consents necessary for the lawful conduct of the activities contemplated hereunder.

2.20 WAIVER OF LIABILITY

The Town shall not in any way be answerable or accountable for any violations of applicable laws or for any injury, loss or damage arising from the negligence, acts or omissions of Proposer
or any one of its employees, subcontractors or agents, or anyone else for whose actions Contractor is responsible.

2.21 INDEMNIFICATION

To the fullest extent permitted by Florida law the Proposer hereby agrees to and shall indemnify, defend and hold harmless the Town, its officers and employees, from liabilities, damages, losses, costs, and expenses including, but not limited to, reasonable attorney fees (at both the trial and appellate levels), to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Proposer and persons employed or utilized by the Proposer in the performance of the Contract or anyone else for whose actions Proposer may be responsible, regardless of the partial fault of any party indemnified hereunder.

2.22 SECONDARY/OTHER VENDORS

The Town reserves the right, in the event the primary vendor cannot provide an item(s) or service(s) in a timely manner, to seek other sources without violating the intent of this RFP or the Contract awarded.

2.23 DEFAULT PROVISION

In case of default by the Proposer, the Town may procure the articles or services from other sources and hold the Proposer or Contractor responsible for any excess costs occasioned or incurred thereby.

2.24 GOVERNING LAW

The validity of this RFP, the Contract awarded and the interpretation of their respective terms shall be construed and enforced in accordance with the laws of the State of Florida, without regard to principles of conflict of laws thereof. shall have the right to immediately terminate the Contract for cause. In that event, the Town shall also be free to sue Proposer for damages, in addition to any other right or remedy that it may have under the Contract, at law or in equity. Nothing herein shall be construed as precluding the Town’s right to terminate the Contract for convenience, as set forth in the Contract.

2.27 PUBLIC RECORDS LAW

The Town is subject to Chapter 119, Florida Statutes, “Public Records Law.” No claim of confidentiality or proprietary information in all or any portion of a Proposal will be honored unless a specific exemption from the Public Law exists and is cited in the response. An incorrectly claimed exemption does not disqualify the firm, only the exemption claimed. Proposer acknowledges the public shall have access at all reasonable times, to all documents and information pertaining to Town’s contracts, subject to the provisions of Chapter 119, Florida Statutes, and agrees to allow access by the Town and the public to all documents subject to disclosures under applicable law.

Proposer shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Contract if the Proposer does not transfer the records to the Town.

Upon completion of the Contract, Proposer agrees, at no cost to Town, to transfer to the Town all public records in possession of the Proposer or keep and maintain public records required by the Town to perform the service. If the Proposer transfers all public records to the Town upon completion of the Contract, the Proposer shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Proposer keeps and maintains public records upon completion of the Contract, the Proposer shall meet all applicable requirements for retaining public records. All records stored electronically must be
provided to the Town, upon request from the Town’s custodian of public records, in a format that is compatible with the information technology system of the Town.

Proposer’s failure or refusal to comply with the provisions of this section shall result in the immediate termination for cause of the Contract by Town.

SECTION 3
CONTRACT

3.1 UNIT PRICES

The Contractor is advised that the contract is a unit price contract. As such, the intent of the contract is to include all labor, materials, transportation, equipment, fuel, and all other items necessary to complete the item of work, in the unit price for the item. All items incidental to or necessary for the completion of the proposal item shall be included in the unit price for the item.

3.2 CONTRACT DOCUMENTS

The Contract Documents comprise the entire agreement between the Town and Contractor concerning the Work. Any Work, materials or equipment that may be reasonably inferred from the Contract Documents as being required to produce the intended result will be supplied
whether or not specifically called for. Reference to standard specifications, manuals or codes of any technical society, organization or association, or to the laws or regulations of any governmental authority, or to any permits and conditions thereof, shall mean the latest standard specification, manual, code, laws, regulations or permit in effect at the time of executing the Contract, unless otherwise specifically stated.

If during the performance of the Work, Contractor finds a conflict, error or discrepancy in the Contract Documents, Contractor shall immediately report findings to the Town in writing, and shall obtain a written interpretation or clarification from the Town, before proceeding with the Work affected by the findings. Failure to obtain such written interpretation or clarification before proceeding, shall result in a conclusive forfeiture and abandonment of any claim by Contractor for additional compensation and/or time, which could have been avoided by such interpretation or clarification, and Contractor shall bear all costs associated with removal, replacement, correction, repair or restoration of such Work.

3.3 CHANGES IN THE WORK

Without invalidating the Contract and without notice to any surety, the Town may, issue a Change Order or Change Directive. Upon receipt of a Change Order or written Change Directive, Contractor shall promptly proceed with the Work included in the Change Order or Change Directive.

The Town and Contractor shall execute appropriate Change Orders or Change Directives which may include: 1) additions, deletions or revisions to the scope of services; 2) acceptance of, or correction of defective Work included in section 3.4—“Warranty and Guarantee, Correction, Removal or Acceptance of Defective Work”.

If notice of any change affecting the general scope of the Work or the provisions of the Contract Documents is required to be given to a surety, the giving of such notice will be Contractor’s responsibility, and the amount of each applicable Bond may be adjusted accordingly.

3.4 CHANGE IN THE CONTRACT PRICE OR CONTRACT TIME

The Proposal price constitutes the total compensation, subject to authorized adjustments, payable to the Contractor for the complete and timely performance of the Work. All duties, responsibilities and obligations assigned to or undertaken by Contractor shall be at his expense without change in the Contract Price or Contract Time.

Quantities shown in the Proposal and Proposal Form are approximate only and are subject to either increase or decrease. The quantities indicated are estimates based on the scope of the project. Unless authorized by the Town, via Change Order or Change Directive, variation in the estimated quantities shall not be a basis for the Contractor to seek payment beyond the price stipulated in the Proposal, Proposal Form and Contract.

3.4.1 Change Order. The Contract may be changed only by a Change Order or Change Directive approved by the Town. Any increase or decrease in the Contract Price or adjustment
in the Contract Time shall be based on written notice, by the Contractor to the Town. All claims for adjustment in the Contract Price or Contract Time shall be determined by the Town. Contractor acknowledges and agrees that no claim for an adjustment in the Contract Price or Contract Time will be valid or enforceable if not submitted in strict accordance with this paragraph.

The value of any Work covered by a Change Order or of any claim for change in the Contract Price or Contract Time shall be determined by: 1) mutual acceptance of a lump sum or 2) by application of unit prices contained in the Contract Documents to the quantities of the items involved. The Town in its sole discretion, shall decide, whether to issue a written Change Order.

3.4.2 Unit Prices. Where the Contract Documents provide that all or part of the Work is to be Unit Price Work, the Contract Price will be deemed to include all Unit Price Work, in an amount equal to the sum of the established unit price item multiplied by the quantity. The estimated quantities of items are not guaranteed. Each unit price shall be deemed to include Contractor’s overhead and profit.

3.5 WARRANTY AND GUARANTEE; CORRECTION, REMOVAL OR ACCEPTANCE OF DEFECTIVE WORK

Contractor warrants and guarantees that all work will be in strict accordance with the Contract Documents and will be free from defects. The quality and acceptance of workmanship will be determined during site inspections by the Town. Any and all defective Work may be rejected, corrected, or accepted, as provided below.

3.5.1 Owner May Stop the Work. If Work is defective, Contractor fails to supply sufficiently skilled workers, suitable materials or equipment, fails to furnish or perform the Work in a manner that will result in Work that strictly conform to the Contract Documents, the Town may order Contractor to Stop the Work, until the cause for such order has been eliminated. However, the Town’s right to stop Work shall not give rise to any duty on the part of Town to exercise this right for the benefit of Contractor or any other party.

3.5.2 Correction or Removal of Defective Work. If required by Town, Contractor shall within twenty-four (24) hours and at its sole expense, correct all defective Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal nor shall Contractor be entitled to any time extension in connection therewith.

3.5.3 Acceptance of Defective Work. Instead of requiring correction or removal and replacement of defective Work, the Town may accept the defective work. Contractor shall bear all direct, indirect and consequential costs attributable to Town’s evaluation of and determination to accept such defective Work. If such acceptance occurs prior to final payment, a Change Order will be issued incorporating the necessary revisions in the Contract Documents and Town shall be entitled to an appropriate decrease in Contract Price. If the parties are unable to agree as to the amount thereof, Town may make a claim as provided in Section 3.3 – “Change in the Contract Price or Contract Time”. If the acceptance occurs after final payment, an appropriate amount, consistent with the above will be promptly paid by the Contractor to the Town.
3.5.4 Town May Correct Defective Work. If the Town issues notice, requiring correction of defective work and Contractor fails to do so within twenty-four (24) hours of notice, the Town may take all action necessary to correct the defect. In exercising the rights and remedies under this paragraph Town shall proceed expeditiously. The Town reserves the right to deduct the cost to correct unacceptable workmanship along with $100 per hour administrative costs from the Contractor’s monthly invoice. Unacceptable work shall be deducted from the monthly invoice based on line items in the Proposal Forms.

3.5.5 Contractor’s Failure to Perform. Should Contractor fail to perform, Town shall notify Contractor in writing of such failure and Contractor shall have fifteen (15) days thereafter to cure such failure. If Contractor is unable or unwilling to cure such Failure to Perform, then Town shall receive a refund equal to the actual cost of a third party to cure such failure and may immediately terminate any contract award for default. In the event of any litigation arising out of or relating hereto, the prevailing party shall be entitled to an award of its attorney’s fees and costs at both the trial and appellate levels.

3.5.6 Termination for Convenience. The Town shall have the right to terminate the contract for convenience upon thirty (30) days written notice. In the event of a Termination for Convenience, the Town shall pay for services provided by the Contractor through the effective date of the termination, but shall have no further liability or responsibility to the Contractor. Contractor hereby waives any and all claims for additional compensation and damages, including but not limited to loss of anticipated profits on work not performed. In the event a termination for default is later determined by a court of competent jurisdiction to be wrongful or without cause, the termination shall automatically be deemed one for convenience and Contractor’s sole compensation shall be in accordance with this section. Nothing herein shall be construed as precluding the Town’s right to terminate the Contract for convenience, as set forth in the Contract.

3.6 SUSPENSION OF WORK AND TERMINATION

The Town may terminate all Work if Contractor violates any provisions of the Contract Documents. In such case, the Town may, after giving Contractor written notice pursuant to the Contract terminate the services of the Contractor. In such case, Contractor shall not be entitled to receive any further payment until the Work is finished. If the costs of completing the Work exceed the unpaid balance, Contractor shall promptly pay the difference to the Town. When exercising any rights or remedies under this paragraph the Town shall not be required to obtain the lowest price for the Work performed, nor obtain competitive Proposals for the Work except as required by Florida law.

Where Contractor’s services have been terminated by the Town, the termination will not affect any rights or remedies of the Town against Contractor or any surety then existing or which may thereafter accrue. Any payment of monies due Contractor by the Town will not release the Contractor from liability for unfinished or defective Work and such payment shall not be evidence of acceptance of any defective Work.

Upon thirty day (30) written notice to Contractor, the Town may, without cause and without prejudice to any other right or remedy, elect to abandon the Work and terminate the Contract at
the Town’s convenience. In such case, Contractor shall be paid for all Work executed up to the date of receipt of the written notice. In no event shall Town be liable for consequential damages, including but not limited to, lost profits on Work not yet performed.

3.7 PAYMENT

The payment to Contractor is for all materials, labor, services, equipment and all else necessary to fully complete the Work. The Work includes all accessories, appurtenances or other work required for completion of the Contract.

Contractor shall render all Work to the Town at the quoted price stipulated in the Proposal and Proposal Form and Town shall pay Contractor for the satisfactory and timely completion of the Work in strict accordance with the Contract Documents at prices stipulated in Proposal Form.

In no event shall Town be liable for any cost increases or price escalations associated with labor, services, materials, equipment, or any other charges that may arise during the performance of the Work, regardless of any delays in the Work, whether occasioned by Town or Contractor, or both. In the event the cost of the Work exceeds the amounts set forth and included in the Contract Price, Contractor shall pay such excess from its own funds and Town shall not be required to pay any part of such excess. The only exception shall be adjustments to the Contract Price pursuant to any written Change Order executed by Town and Contractor in accordance with the terms and conditions of this RFP and the Contract.

Town and Contractor agree that payment under the Contract will be subject to (a) the delivery of an appropriate invoice or payment application by Contractor to Town, and (b) verification by Town that the Work is acceptable and has been performed in strict accordance with the Contract. Upon verification by Town that the invoiced Work has been satisfactorily performed in strict accordance with the Contract, Town shall have thirty (30) days thereafter to pay the invoice, or such undisputed portion as Town determines in its sole discretion.

No payment will be made for Work performed by the Contractor to replace defective work and for work which is not shown or ordered, and which is outside the limits shown or ordered, or additional work performed by Contractor without prior written approval of Town. Nothing herein shall be construed as authorizing or consenting to waive sovereign immunity or permitting liens to be asserted against the Town’s property.

The Town Administrator may withhold, in whole or in part, payment for Work deemed inadequate or defective which has not been remedied in a manner satisfactory to the Town Administrator. The amount withheld shall not be subject to payment of interest by Town. Payment may be withheld for Contractor’s failure to comply with terms, conditions or requirements of the Agreement.

3.8 METHOD OF PAYMENT

The method of payment (check/credit card) is at the Town's discretion. The Town may choose to compensate vendors for goods and/or services via a Town Purchasing Card (“P-CARD”). Payments made by P-CARD shall be accepted on a "same as cash" basis. No other costs,
including but not limited to, service charge, fee, or penalty shall be billed to the Town, for payments rendered by P-Card.

3.9 PHYSICAL CONDITIONS

The Town shall furnish the lands upon which the Work is to be performed, including all applicable rights-of-way and easements. Proposer shall have full responsibility with respect to physical conditions in or relating to existing surface structures. By submitting its Proposal, Proposer represents that it has visited the Site and/or otherwise become generally familiar with such conditions, including any local conditions affecting the Work, and has accounted for same within its Proposal.

Proposer shall, promptly after becoming aware and before performing any Work, notify the Town of any differing site conditions or conflicts at the site. The Town will review the pertinent conditions with respect to any deletions or revisions in the Work and any potential modifications to the terms and conditions as outlined in Section 3.2 – “Changes in the Work”.

In the event that during the course of the Work, Contractor encounters subsurface or concealed conditions which differ materially from those shown within the Contract Documents, from those ordinarily encountered, or of an unusual nature, Contractor, without disturbing the conditions and before performing any Work, shall within twenty-four (24) hours of their discovery, notify Contract Manager in writing of the existence of the differing conditions. Contract Manager shall investigate the site conditions identified by Contractor. If, in the sole opinion of Contract Manager, the conditions do materially differ and cause an increase or decrease in Contractor's cost of, or the time required for, the performance of any part of the Work, Contract Manager may recommend an equitable adjustment to the Contractor’s compensation hereunder. If Contract Manager and Contractor cannot agree on an adjustment in the compensation, the adjustment shall be referred to the Town Administrator for determination. No request by Contractor for an equitable adjustment to the Agreement under this provision shall be allowed unless Contractor has given written notice to the Contract Manager in strict accordance with the provisions of this Section.

It shall be Proposers responsibility to locate any underground or overhead utility lines or equipment.

1. This sworn statement is submitted to __________________________________________

by __________________________________________

for __________________________________________

whose business address is ______________________________________________________

____________________________________________________________________________

2. I understand that a “public entity crime” as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid, proposal, reply or contract for goods or services, any lease for real property, or any contract for the construction or repair of a public building or public work, involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that “convicted” or “conviction” as defined in Para. 287.133(1) (b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an “affiliate” as defined in Para. 287.133(1) (a), Florida Statutes, means:

5. I understand that a “person” as defined in Para. 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which Proposals or applies to Proposal on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term “person” includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

6. The statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies.)

_______ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_______ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. Such changes only become part of this Agreement and increase, decrease or otherwise modify the Work or the Contract Price under this Agreement if evidenced by a written Change Order executed by Town and Contractor, with the same formality and of equal dignity associated with the original execution of the Agreement.

Section 22: No Waiver of Rights

Neither the Town’s review, approval or payment for any of the Work required under this Agreement shall be construed to operate as a waiver of any of Town’s rights under this Agreement or of any causes of action arising out Contractor’s performance of the Work under this Agreement, and Contractor shall be and remain liable to the Town for all damages to the Town caused by the Contractor’s negligent or improper performance of any of the Work furnished under this Agreement, irrespective of the Town’s review, approval or payment for any of the Work under this Agreement. The rights and remedies of the Town provided for under this Agreement are in addition to all other rights and remedies provided to Town by law.

**Section 27: Days**

The terms “days” as referenced in this Agreement shall mean consecutive calendar days.

**Section 28: Written Mutual Agreement**

This Agreement is binding upon the parties hereto, their successors and assigns, and replaces and supersedes any and all prior agreements or understanding between the parties hereto whether written or oral which are merged herein.

**Section 29: No Amendment or Waiver**

This Agreement may not be changed, altered or modified except by an instrument in writing signed by all parties hereto, with the same formality and of equal dignity as the execution of this Agreement prior to the initiation of any Work reflecting such change.

**Section 30: Severability**

In the event any term or provision of this Agreement shall be determined by appropriate judicial authority to be illegal or otherwise invalid, such provision shall be given its nearest legal meaning so as to remain in full force and effect, or be deemed severed from the Agreement so as not to affect the validity or enforceability of the remaining provisions of the Agreement. In case any one or more of the provisions of this Agreement shall be determined by appropriate judicial authority to be invalid, illegal or unenforceable, in any respect, the validity of the remaining provisions of this Agreement shall be in no way affected, prejudiced, or disturbed thereby.

**Section 31: Resolution of Disputes; Florida Statutes, Chapter 558 Not Applicable**

To prevent litigation, it is agreed by the parties hereto that Town Administrator shall solely decide all questions, claims, difficulties and disputes of, whatever nature, which may arise relative to this Agreement, including but not limited to, Contractor’s fulfillment of its obligations under this Agreement as to the character, quality, amount and value of any Work done or proposed, to be done or furnished, under or by reason of, the Agreement. Further, to the extent required or permitted by the agreement between the Town and its professional for this Project, the professional shall have access to the Work, the right to conduct testing or inspections, to reject non-conforming work, and to review pay applications. The Town Administrator’s decision shall be reduced to writing, and a copy furnished to the Contractor within a reasonable time following submission to the Town of the question, claim, difficulty or dispute as referenced above. The Town Administrator’s decision shall be final and conclusive.
During the pendency of any dispute and after a determination thereof, Contractor and Town shall act in good faith to mitigate any potential damages.

Any party objecting to a dispute determination must notify the other party in writing within ten (10) calendar days of receipt of the written determination. The notice must state the basis of the objection, any adjustment claimed, and reason the party believes it entitled to an adjustment as a result of the determination. Within sixty (60) calendar days thereafter, the parties shall participate in mediation to address all objections to any dispute determination. Neither party shall commence litigation prior to the expiration of the sixty (60) day mediation period. The mediator shall be mutually agreed upon by the parties. Should any objection not be resolved in mediation, the parties retain all their legal rights and remedies provided under State law. A PARTY SPECIFICALLY WAIVES ALL OF ITS RIGHTS, INCLUDING BUT NOT LIMITED TO CLAIMS FOR PRICE ADJUSTMENTS, PROVIDED IN THE CONTRACT DOCUMENTS, INCLUDING ITS RIGHTS AND REMEDIES UNDER STATE LAW, IF SAID PARTY FAILS TO COMPLY IN STRICT ACCORDANCE WITH THE REQUIREMENTS OF THIS SECTION. Contractor and Town hereby waive any rights to a trial by jury.

Section 33: Miscellaneous
A. **Ownership of Documents.** Unless otherwise provided by law, any and all reports, surveys, and other data and documents provided or created in connection with this Agreement by Contractor and all persons or entities employed or otherwise retained by Contractor are and shall remain the property of Town. In the event of termination of this Agreement for any reason, any reports, photographs, surveys and other data and documents prepared by Contractor, whether finished or unfinished, shall become the property of Town and shall be delivered by Contractor to the Town Administrator within seven (7) days of termination of this Agreement for any reason. Any compensation due to Contractor shall be withheld until all documents are received by Town as provided herein.

B. **Audit and Inspection Rights and Retention of Records.** Town shall have the right to audit the books, records and accounts of Contractor that are related to this Agreement. Contractor shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to this Agreement.

Contractor shall preserve and make available, at reasonable times for examination and audit by Town, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida Public Records Act (Chapter 119, Florida Statutes), if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after expiration or earlier termination of this Agreement, unless Contractor is notified in writing by Town of the need to extend the retention period. Such retention of such records and documents shall be at Contractor’s sole expense. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by Town to be applicable to Contractor’s records, Contractor shall comply with all requirements thereof.

However, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by Contractor. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for Town’s disallowance and recovery of any payment upon such entry. In addition, Contractor shall respond to the reasonable inquiries of successor Contractors and allow successor Contractors to receive working papers relating to matters of continuing significance. In addition, Contractor shall provide a complete copy of all working papers to the Town, prior to final payment by the Town under this Agreement.

C. **Independent Contractor.** Contractor is an independent contractor of Town under this Agreement. Services provided by Contractor pursuant to this Agreement shall be subject to the supervision of Contractor. In providing such services, neither Contractor nor its agents shall act as officers, employees or agents of the Town. Personnel policies, tax responsibilities, social security and health insurance, employee benefits, purchasing policies and other similar administrative procedures applicable to the Work and services rendered under this Agreement shall be exclusively and solely those of Contractor. This
Agreement shall not constitute or make Town and Contractor a partnership or joint venture.

D. **Conflicts.** Neither Contractor nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with Contractor’s loyal and conscientious exercise of judgment related to its performance under this Agreement. Contractor agrees that none of its officers or employees shall, during the term of this Agreement, serve as an expert witness against Town in any legal or administrative proceeding in which he or she is not a party, unless compelled by court process. Further, Contractor agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of Town in connection with any such pending or threatened legal or administrative proceeding. The limitations of this section shall not preclude Contractor or any other persons from representing themselves in any action or in any administrative or legal proceeding.

In the event Contractor is permitted to utilize subcontractors to perform any services required by this Agreement, Contractor agrees to prohibit such subcontractors, by written contract, from having any conflicts within the meaning of this Section.

E. **Contingency Fee.** Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For a breach or violation of this provision, Town shall have the right to terminate this Agreement without liability and, at its discretion, to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.

F. **Materiality and Waiver of Breach.** Town and Contractor agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Town’s failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

G. **Joint Preparation.** Town and Contractor both acknowledge that they have sought and received whatever competent advice and legal counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein express their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.
