8. Q: At the pre-bid it was stated the line item for “Storm Clean Up” is only for labor. What is contractor expected to provide in item 6.4. “Debris Removal” line item? Is this a price per hour for labor with a truck? Or is it a price per cubic yard?
A: “Storm clean up” and “Debris removal” as outlined in 6.4 are completely separate services. As stated in the RFP Scope of Services, “6.4. MISCELLANEOUS CODE ENFORCEMENT MAINTENANCE REQUIREMENTS: At the Request of Town’s Designee, Contractor shall provide services including debris removal, at designated properties under Enforcement Action. All Code Enforcement maintenance shall be performed at attached unit prices and require 4” X 6” color before and after photos. Debris Removal: When debris removal is required as directed by Code or Town Designee, Contractor shall remove and properly dispose of items required to be removed on a per cubic yard basis, documenting work with before and after photos.”

9. Q: Line item 5.6.4 on page 43, how many hours per year are used approximately?
A: In and of itself, the item subject to 5.6.4, Opening/closing of parks, consists, at multiple locations, of opening (or closing) and securing multiple gated entrances, opening (or closing) restroom buildings, and insuring that each facility is ready for use. The Town does not dictate the means and methods by which proposers organize their workers’ time.
In accordance with Section 5.5 MAINTENANCE AND FREQUENCY STANDARDS, On the contract commencement date, as part of Contractor’s complete written proposal, Contractor shall submit a written proposal of his plan for accomplishing the required work.

10. Q: We are a member of 4 professional organization. APWA (American Public Works Association), BOMA. (Builders Owners Managers Association), FNGLA (Florida Nursery Growers Landscape Association), ISA (International Society of Arboriculture). Will this allow us to receive the 5 points in the evaluation criteria?
A: Proposers are provided a list in each RFP of professional organizations for which the evaluation criteria offer preference. Affiliations, certifications, or memberships with other professional associations will neither harm, not necessarily help, the proposers during the evaluation.
