Accepted Solid Waste Collection Guidelines

- Solid waste is collected twice (2) per week based on your location.
- Do not place waste out for collection more than 48 hours in advance of pickup.
- Solid waste must be placed curbside before 7 AM on day of pickup.
- All empty containers must be removed from swale that day.
- All solid waste must be placed in waste can or plastic garbage bag that weighs less than 50 pounds.
- Waste cans must be 40 gallons or smaller with handles and a lid.
- Loose items will not be collected.
- Residents are responsible for their own garbage cans.
- Horse manure will not be collected.
- No service will take place under hurricane warning.

No service on December 25, 2021 - Collection will occur on your next regularly scheduled collection day.

For All Commercial Businesses
Nurseries and landscapers are prohibited from placing anything out for collection. You must have a commercial dumpster on-site or remove items from property. Call Waste Pro: (954) 967-4200
Waste Pro is the exclusive provider for all residents and businesses in Southwest Ranches for solid waste, recyclables, and bulk waste.

**BULK TRASH GUIDELINES**

**Bulk Trash**
Bulk trash includes, but is not limited to, large appliances (refrigerator doors must be removed with Freon free sticker visible), white goods, couches, chairs, mattresses, tables, carpets and padding, and vegetation debris. Bulk trash must be placed separate from regular garbage and must be generated at the residence where it is collected.

- Bulk trash must be placed curbside in a neat and orderly manner that facilitates safe collection by an overhead grapple truck.
- Please ensure bulk piles are located away from low hanging overhead wires.
- Loose items must be placed in a bag, box, carton, or crate that can be safely lifted without breaking and weigh no more than 50 pounds.
- Glass items must be in a rigid taped container.
- Bulk waste cannot be placed out any earlier than the Saturday before your scheduled collection day and no later than 7 AM on collection day.
- Residents are permitted a maximum of twelve (12) cubic yards in total of bulk waste combined to place out for collection.
- Please remember: 12 cubic yards is equivalent to the size of a Volkswagen Beetle, which is approximately 8 feet wide by 10 feet long and 4 feet tall.
- **Bulk piles that exceed 12 cubic yards will be picked up and Waste Pro will bill the resident the additional yardage at the rate of $17.50 per cubic yard.**

**YARD & VEGETATIVE WASTE APPROXIMATE SIZES:**
12 cubic yards = 8 feet wide by 10 feet long and 4 feet tall.

1 cubic yard

2 cubic yards

12 cubic yards

Approximately 8 feet x 10 feet x 4 feet

**Bulk Yard Trash**
- Bulk yard trash must be included with normal household yard waste. This includes tree trimmings, branches, palm fronds, and other yard trash. No single item can exceed four (4) feet in length or 50 pounds in weight.
- Homeowners are responsible for ensuring construction contractors and landscape maintenance providers remove all debris generated by their services.
- Residential contracted landscaper debris / nursery debris will not be removed in bulk collection.
- Owner generated construction debris will not be removed as part of regular bulk pick-up.
- Construction and demolition debris removal service can be arranged at an additional expense by calling Waste Pro: (954) 967-4200.

**Items that cannot be included in normal collection**
- Hazardous or exempt waste: motor oils, paint, batteries, pesticides (The Town has seven Household Hazardous Waste Events per year for these items.)
- Biological sludge and horse manure.
- Automotive bodies, engines, transmissions, batteries, tires of any size, and other automotive and marine parts.
- Construction and demolition debris including steel, brick, concrete, roofing materials, pipe, wallboard, fencing, and lumber from the construction.
- Windows, mirrors, and glass panes.
- Destruction or reconstruction of a structure including rocks, soil, tree remains or other vegetative matter that comes from land clearing or land development.
- Hurricane storm debris (Hurricane debris will be handled by a different pickup.)
