Call to order at 7:05 PM

The members present reviewed the minutes of the November 2021 meeting.

Debra Goff-Rose motioned to approve the minutes of the November 2021 meeting. Catalina Stubbe seconded and the motion passed unanimously.

The Chair briefed the members present regarding goal setting for 2022 and asked the Board to contribute input via newsletter items.

The Board member discussed a potential educational opportunity to do a field trip with a planting project. Staff helped the Board explore ways this idea could proceed simultaneously with the Calusa Corners Planting Project, already planned for summer 2022. Staff's planting plan has been approved for grant funding and this includes native and beneficial exotic plants. Board members mentioned wanting to plant fruit trees to the project. Catalina Stubbe may be able to help get the item on the PTA agenda for a field trip.

Members present discussed items on the maintenance report. The mayor would like more resident input regarding the fencing at Fishing Hole Park.

The Board will meet next on January 11. The first meeting of the year usually includes election of officers.

There being no further business to discuss, the meeting adjourned at 8:30 pm.
