Section 32: Miscellaneous

- A. Ownership of Documents.** Unless otherwise provided by law, any and all reports, surveys, and other data and documents provided or created in connection with this Contract by Contractor and all persons or entities employed or otherwise retained by Contractor are and shall remain the property of the Town. In the event of termination of this Contract for any reason, any reports, photographs, surveys and other data and documents prepared by Contractor, whether finished or unfinished, shall become the property of the Town and shall be delivered by Contractor to the Town Administrator within seven (7) days of termination of this Contract for any reason. Any compensation due to Contractor shall be withheld until all documents are received by the Town as provided herein.

- B. Audit and Inspection Rights and Retention of Records.** The Town shall have the right to audit the books, records and accounts of Contractor that are related to this Contract. Contractor shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to this Contract.

Contractor shall preserve and make available, at reasonable times for examination and audit by the Town, all financial records, supporting documents, statistical records, and any other documents pertinent to this Contract for the required retention period of the Florida Public Records Act (Chapter 119, Florida Statutes), if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after expiration or earlier termination of this Contract, unless Contractor is notified in writing by the Town of the need to extend the retention period. Such retention of such records and documents shall be at Contractor's sole expense. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by the Town to be applicable to Contractor's records, Contractor shall comply with all requirements thereof.

However, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by Contractor. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for the Town's disallowance and recovery of any payment upon such entry. In addition, Contractor shall respond to the reasonable inquiries of successor Contractors and allow successor Contractors to receive working papers relating to matters of continuing significance. In addition, Contractor shall provide a complete copy of all working papers to the Town, prior to final payment by the Town under this Contract.

- C. Independent Contractor.** Contractor is an independent contractor of the Town under this Contract. Services provided by Contractor pursuant to this Contract shall be subject to the supervision of Contractor. In providing such services, neither Contractor nor its agents shall act as officers, employees or agents of the Town. Personnel policies, tax responsibilities, social security and health insurance, employee benefits, purchasing policies and other similar administrative procedures applicable to the Work and services rendered under this Contract shall be exclusively and solely those of Contractor. This Contract shall not constitute or make the Town and Contractor a partnership or joint venture.
- D. Conflicts.** Neither Contractor nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with Contractor's loyal and conscientious exercise of judgment related to its performance under this Contract. Contractor agrees that none of its officers or employees shall, during the term of this Contract, serve as an expert witness against the Town in any legal or administrative proceeding in which he or she is not a party, unless compelled by court process. Further, Contractor agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of the Town in connection with any such pending or threatened legal or administrative proceeding. The limitations of this

section shall not preclude Contractor or any other persons from representing themselves in any action or in any administrative or legal proceeding.

In the event Contractor is permitted to utilize subcontractors to perform any services required by this Contract, Contractor agrees to prohibit such subcontractors, by written contract, from having any conflicts within the meaning of this Section.

- E. Contingency Fee.** Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Contract. For a breach or violation of this provision, the Town shall have the right to terminate this Contract without liability and, at its discretion, to deduct from the Contract price or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.
- F. Materiality and Waiver of Breach.** The Town and Contractor agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Contract and, therefore, is a material term hereof. The Town's failure to enforce any provision of this Contract shall not be deemed a waiver of such provision or modification of this Contract. A waiver of any breach of a provision of this Contract shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Contract.
- G. Joint Preparation.** The Town and Contractor both acknowledge that they have sought and received whatever competent advice and legal counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Contract has been their joint effort. The language agreed to herein express their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

- J. Binding Authority.** Each person signing this Contract on behalf of either party individually warrants that he or she has full legal power to execute this Contract on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Contract.
- K. Truth-in-Negotiation Certificate.** Signature of this Contract by Contractor shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Contract are accurate, complete, and current at the time of contracting.
