Meeting Notes:

- Sage presented mock-ups of new Rancher cover. He removed the index on the outside and added highlights of events at the bottom of the page.
- Sage made a movie of photos from the Holiday Lights Contest as a sample for the TV at the front entrance to Town Hall.
- The next section of the wall mural has been started, the first two panels are nearly complete.

- The call to action for the flag contest has been added back to the town newsletter. The board discussed reworking some of the current submissions to look more professional. We also discussed hiring a company to create some mock-ups.

- Mayor Breitkreuz reintroduced a project from several years ago, giving every street in the town a name in addition to the existing numbers. He feels that we need names on all our roads. Robert mentioned that homes on named streets are 2% more valuable than homes on numbered or lettered streets.

- Robert reintroduced his project from 2021, hiding special items in parks to be found by visitors. Each year will have a different design and will become collector's items. Davie Police has the Challenge coins and we will make an attempt to get the name of their vendor as well as other possible vendors.

- Sage and Rose have a meeting with Andy on 3/21 to preliminarily discuss bringing an Arts Festival/Craft Fair to SWR.
