Such rules and regulations may relate to, but are not limited to, rates, deposits, and connection charges and the right to discontinue services under certain conditions. OWNER hereby acknowledges and agrees that rates are subject to change at any time by CITY. The OWNER shall be subject to all local, state and federal ordinances, rules and regulations applicable to the services provided by the CITY, including, but not limited to, Chapter 19 and Chapter 25 of the CITY's Code of Ordinances, as may be amended from time to time.

D. CITY NOT LIABLE FOR OWNER'S OR CONSUMER'S PROPERTY

CITY shall not be liable or responsible for maintenance or operation of any pipes, pipelines, valves, fixtures or equipment on any of the properties of the customers, consumers or users on OWNER'S PROPERTY. In the event that CITY cannot provide sufficient water and sewer service as a result of the actions of any regulatory agency, then CITY's sole obligation shall be to refund OWNER's contribution charges as described in this Agreement.

E. OWNER'S RESPONSIBILITY

CITY shall provide one water line to the property and install a meter. Immediately upon installation of the meter, billing of base charges as well as applicable commodity charges will commence. OWNER is responsible to connect house lines to meter. The connections contemplated by this Agreement are for approved plans only, and the OWNER shall not permit the water line to be extended to service any location other than the Property without the expressed written consent of the CITY.

OWNER grants the CITY the right to access the property for purposes of inspecting and maintaining the meter and other utility infrastructure necessary for the City to provide service pursuant to this agreement.

F. EFFECTIVE DATE

Unless otherwise specified in this Agreement, this Agreement shall not be binding until fully executed, but once executed, it shall have a retroactive effect commencing from the date of the City Commission Meeting at which it was approved.

G. SYSTEM ON CONSUMER'S PROPERTY TO BE KEPT IN GOOD WORKING CONDITION

Each consumer of water distribution service or sewage collection service on OWNER'S PROPERTY shall keep all water pipes, service lines, connections and necessary fixtures and equipment on the premises occupied by said consumer, and within the interior lines of the lot occupied by the consumer in good order and condition. The sale of water by CITY to the consumer shall occur at the consumer's side of the entire meter installation, but the obligation for the maintenance of the lines shall be as set forth above and applicable to CITY regulations.

H. DISCLAIMER

Any temporary cessations or interruptions of the furnishings of water and sewer service to the PROPERTY described herein, irrespective of duration, at any time caused by an Act of God, fires, strikes, casualties, accidents, power failures, necessary maintenance work, breakdowns, damage to equipment or mains, civil or military authority, riots or other cause beyond the control of CITY shall not constitute a breach of the provisions contained herein nor impose any liability upon CITY by OWNER, Owner's successors and assigns.

I. SEVERABILITY

If and section, subsection, sentence, clause, phrase or portion of this Agreement is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining hereof.

J. RECORDING OF AGREEMENT

The provisions of this Agreement shall run with the land and be binding upon and inure to the benefits of successors to title to the property. This Agreement shall be recorded by CITY among the Public Records of Broward County, Florida, for the particular purpose of placing all owners or occupants of properties in OWNER'S PROPERTY connected to or to be connected to said water and sewer systems of CITY upon notice of each and every one of the provisions herein contained to the same extent and with the same force and effect as if said owners and occupants had joined with the parties to this Agreement in the execution thereof; and the acquisition or occupancy of real PROPERTY in OWNER'S PROPERTY connected to or to be connected to said water and sewer system of CITY shall be deemed conclusive evidence of the fact that the said owners or occupants have consented to and accepted the Agreement herein contained and have become bound thereby.

K. HOLD HARMLESS PROVISION

It is mutually agreed that CITY shall be indemnified and held harmless by the OWNER from any and all liability for damages if CITY'S obligations under this Agreement cannot be fulfilled as a result of any ruling or order by any other governmental or regulatory agency having jurisdiction over the subject matter hereof; and in such event, this Agreement shall be null and void and unenforceable by either party regarding that portion of the OWNER'S PROPERTY for which CITY cannot perform its obligation.

L. ATTORNEY'S FEES FOR LITIGATION

The parties agree that in the event that it becomes necessary for any party to this Agreement to litigate in order to enforce its rights under the terms of this Agreement, then, and in that event, the prevailing party shall be entitled to receive from the non-prevailing party reasonable Attorney's fees and the costs of such litigation, including appellate proceedings.

M. OWNER'S COVENANT

The OWNER warrants to the CITY that OWNER holds legal and beneficial title to the PROPERTY which is the subject of this Agreement, or, in the event that the OWNER is a tenant at the PROPERTY, that the OWNER has the legal authority to enter into and execute this Agreement. OWNER individually warrants that he or she has full legal power to execute this Agreement, either in their individual capacity or on behalf of the entity first named above, and has authority to bind and obligate OWNER with respect to all requirements contained in this Agreement.
