CONTRACT

THIS IS A CONTRACT, by and between the TOWN OF SOUTHWEST RANCHES, a political subdivision of the State of Florida, hereinafter referred to as TOWN, and MCF FRAMING, hereinafter referred to as CONTRACTOR.

All references to "days" in this Contract shall be interpreted to mean "consecutive calendar days" unless otherwise stated.

WITNESSETH, that CONTRACTOR and TOWN, for the considerations hereinafter named, agree as follows:

ARTICLE 1

SCOPE OF WORK

CONTRACTOR hereby agrees to furnish all of the labor, materials, equipment services and incidentals necessary to perform all of the work described in the Contract Documents including Plans, Specifications and Addenda thereto for the Project. The Work shall only be altered or modified from the Contract Documents as incorporated herein upon receipt of a written change directive or Change Order properly executed by the TOWN and CONTRACTOR. CONTRACTOR agrees to perform the Work in the most expeditious and economical manner consistent with the interests of the TOWN, and warrants that upon completion, the Work shall comply with any and all applicable national, state, county, municipal codes, ordinances and regulations including but not limited to the Florida Building Code, with Broward County Amendments ("Florida Building Code") and standards governing performance of similar Work performed in Broward County, Florida and in accordance with the Contract Documents.

ARTICLE 2

CONTRACT TIME

2.1 CONTRACTOR shall be instructed to commence the Work by written instructions by TOWN Administrator through a Notice to Proceed. The Work to be performed under this Contract shall be commenced within 14 days after the Project Initiation Date specified in the Notice to Proceed. The Notice to Proceed will not be issued until

2003-18

CONTRACTOR'S submission to TOWN Administrator of all required documents and after execution of the Contract by both parties. The receipt of all necessary permits by CONTRACTOR is a condition precedent to the issuance of a Notice to Proceed. CONTRACTOR warrants to the TOWN that it shall expeditiously apply for all building permits and shall thereafter, diligently and continuously perform such Work to achieve substantial and final completion. "Substantial Completion" of the Project shall be defined as the date upon which the last of all of the following events have occurred:

- (a) All necessary approvals have been issued with respect to the Work by the appropriate governmental authorities;
- (b) Restore all utilities to operation that have been affected during performance of the Work;
- (c) The Town or its designee has issued a Certificate of Substantial Completion.

2.2 Time is of the essence throughout this Contract. Contractor shall achieve Substantial Completion of the Work project within ninety (90) days from the Project Initiation Date specified in the Notice to Proceed. Final Completion of the Work project shall be achieved in accordance with Article 4 within thirty (30) days from the date of Substantial Completion.

2.3 CONTRACTOR shall furnish sufficient forces and equipment and shall Work such hours, including overtime operations, as may be necessary to ensure prosecution of the Work in accordance with the schedules submitted by CONTRACTOR to the TOWN. If CONTRACTOR falls behind the progress schedule, it shall take such steps as may be necessary to improve its progress by increasing the number of shifts, overtime operations, and days of work within the project limits as may be required, at no additional cost to the TOWN.

2.4 In the event CONTRACTOR does not achieve Substantial Completion of the Work as set forth above, the parties hereto acknowledge that any delay beyond the scheduled completion date may cause grave injury and damage to TOWN by virtue of loss of use, additional consultant and administrative expenses, extension of overhead costs and otherwise. Accordingly, the calculation of the actual damages to TOWN would be uncertain and difficult if not impossible to determine. Consequently, if the Work has not been completed on or before the 90th day after the Commencement Date as established by the Notice to Proceed as referenced above, time being of the essence, then the parties hereto agree that as liquidated delay damages and not as a penalty, the CONTRACTOR shall pay to the TOWN an amount equal to \$500.00 for each day or portion thereof, that the date of completion is later than the date for Substantial Completion set forth above. All such liquidated damage amounts, if any, shall be paid by CONTRACTOR to TOWN weekly, immediately upon each such failure of CONTRACTOR to comply with the

2021/10/11

Substantial Completion date set forth above. In the event the CONTRACTOR fails to make any one or more of the payments to TOWN as required under this Section, the TOWN shall have the right to deduct any and all such amounts from the next sequential progress payment and/or Final Payment, as described in Article 5 below. CONTRACTOR shall not be entitled to receive a bonus should Substantial Completion be achieved before the 90th calendar day after the Commencement Date.

2.5 The CONTRACTOR shall schedule and conduct weekly meetings with the TOWN, and appropriate Subcontractors and Consultants to discuss the status of the Work. The CONTRACTOR shall prepare and properly distribute meeting minutes to all attendees within forty-eight (48) hours from the conclusion of each meeting.

2.6 The CONTRACTOR shall provide weekly written reports to the TOWN as to the progress of all Work. The CONTRACTOR shall maintain a daily log containing a record of weather, subcontractors working on the site, the number of workers, equipment on site, Work accomplished, problems encountered and similar relevant data as the TOWN may reasonably require. The TOWN shall have access to the log and copies shall be promptly provided to the TOWN upon written request to the CONTRACTOR or as otherwise provided in this Contract.

ARTICLE 3

THE CONTRACT SUM

3.1 TOWN shall pay to CONTRACTOR for the performance of the Contract, the total stipulated per unit price as defined in Exhibit "A" and CONTRACTOR assumes all risks and responsibilities for performing all Work for this amount ("Contract Sum"). The TOWN shall not be liable for any cost increases associated with labor or material that may arise during the performance of Work. In the event the cost of the Work exceeds the Contract Sum, CONTRACTOR shall pay such excess from its own funds and the TOWN shall not be required to pay any part of such excess. The only exception shall be any adjustments to the Contract Sum by written Change Order issued in accordance with the terms and conditions of this Contract. The quantities specified for each unit (lump sum and/or unit item) Work as described in "The Schedule Of Prices Bid – Fencing Project(s)" shall be specified for each project authorized and executed by TOWN and CONTRACTOR. To the extent that CONTRACTOR proceeds to perform unit price Work in excess of the quantities specified as described in "The Schedule Of Prices Bid – Fencing Project" without an executed written Change Order issued in accordance with this Contract, such Work shall be at CONTRACTOR's own risk at no charge to TOWN.

21 3 *AD*
12/1

- 3.2 Payment shall be at the unit price stated in the Contract. The Contract Sum shall constitute full compensation for all costs, including overhead and profit, supervision, equipment, expenses and costs, permit fees, inspection fees, and insurance premiums associated with completion of all the work in full conformity with the requirements as stated or shown, or both, in the Project Manual.

ARTICLE 4

ACCEPTANCE AND PAYMENT

- 4.1 CONTRACTOR may make Application for Payment for stored materials during the Project at intervals of not more than once a month. CONTRACTOR'S application shall be accompanied by receipt for said materials, a complete breakdown of the materials stored, the quantities delivered and the amount due, together with such supporting evidence as may be required by TOWN Administrator. CONTRACTOR shall submit with each application for Payment, partial release of liens relative to payment for the materials that are the subject of the Application. TOWN shall make payment to CONTRACTOR within fifteen (15) days after TOWN inspection and acceptance thereof.

The TOWN shall be entitled to withhold from each payment to CONTRACTOR ten (10%) percent of the amount requested, as retainage for completion of all Work pursuant to this Contract. Retainage shall be paid by TOWN to CONTRACTOR in accordance with Article 4, Acceptance And Payment.

Additionally, TOWN may withhold, in whole or in part, Payment under the same terms and conditions as set forth in Section 4.4 below

Upon receipt of written notice from CONTRACTOR that the Work is ready for final inspection and acceptance, TOWN Administrator shall, within five (5) days, make an inspection thereof. If TOWN Administrator finds the Work acceptable, the requisite documents have been submitted and the requirements of the Contract Documents fully satisfied, and all conditions of the permits and regulatory agencies have been met, a Certificate Of Final Completion shall be issued by TOWN Administrator, over its signature, stating that the requirements of the Contract Documents have been performed and the Work is ready for acceptance under the terms and conditions thereof.

- 4.2 Before issuance of the Final Certificate For Completion, CONTRACTOR shall deliver to TOWN Administrator a complete release of all liens arising out of this contract, or receipts in full in lieu thereof; an Affidavit certifying that all suppliers and subcontractors have been paid in full and that all other indebtedness

connected with the work has been paid; TOWN must approve record drawings or as-built drawings identifying proper fence location per plans and specifications; and the final bill of materials, if required, and invoices. TOWN may withhold Payment under the same terms and conditions as set forth in Section 4.4 below.

4.3 Upon completion of all Work under this Contract and before Payment will be issued, the CONTRACTOR shall perform the following:

- (a) Deliver to the TOWN of all warranties, final certifications, and similar documents.
- (b) Complete all punchlist Work.
- (c) Complete final clean-up including adjustment areas leading to and from the areas where the Work has been performed are clean and have been accepted by the TOWN.
- (d) Delivery to the TOWN Final Releases and Waivers of Lien from all CONTRACTOR's and subcontractors, laborers and materialmen.
- (e) Execution of a Certificate of Final Completion by the Town or its designee.

4.4 Payment shall not be paid by TOWN to CONTRACTOR until all conditions outlined above in 4.3 have been satisfied. Neither the Payment nor any provision of the Contract Documents, nor partial or entire use of occupancy of the premises by the TOWN, shall constitute an acceptance of the Work not performed in accordance with the Contract Documents, or relieve the CONTRACTOR of liability in respect to any express warranties or responsibilities for any faulty materials or workmanship, which shall be replaced at NO EXTRA COST to the TOWN.

Additionally, TOWN may withhold, in whole or in part, payment to such extent as may be necessary to protect itself from loss on amount of:

- 4.4.1 Defective work not remedied.
- 4.4.2 Claims filed or reasonable evidence indicating probable filing of claims by TOWN and other parties against CONTRACTOR.
- 4.4.3 Failure of CONTRACTOR to make payments properly to subcontractors or for material or labor.
- 4.4.4 Damage to another CONTRACTOR not remedied.
- 4.4.5 Liquidated damages that have accrued.

4.5 If, after the Work has been Substantially Complete, Final Completion thereof is materially delayed through no fault of CONTRACTOR, TOWN Administrator shall,

23 5/10

and without terminating the Contract, make payment of the balance due for that portion of the Work fully completed and accepted. Such payment shall be made under the terms and conditions governing Payment, except that it shall not constitute a waiver of claims.
