

**RESOLUTION NO. 2003-58**

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF SOUTHWEST RANCHES, FLORIDA, APPROVING AN INTERLOCAL AGREEMENT WITH BROWARD COUNTY FOR JOINT PARTICIPATION IN THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES); AUTHORIZING THE MAYOR, TOWN ADMINISTRATOR AND TOWN ATTORNEY TO EXECUTE THE AGREEMENT; AND PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the Federal Government requires local agencies to develop a NPDES Program; and

**WHEREAS**, Broward County has coordinated and developed a NPDES program to include a Municipal Storm Sewer System Permit Program; and

**WHEREAS**, the Interlocal Agreement provides for the Town of Southwest Ranches to continue as a co-permittee along with all other Broward municipalities; and

**WHEREAS**, the Town Council has reviewed and found the Interlocal Agreement for NPDES acceptable and desires to continue to be an active partner and co-permittee.

**NOW, THEREFORE, BE IT RESOLVED** by the Town Council of the Town of Southwest Ranches, Florida:

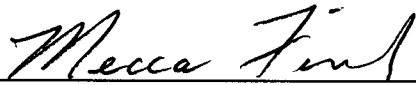

**Section 1:** The above recitals are true and correct and are incorporated herein by reference.

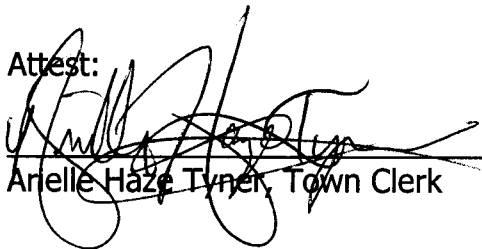

**Section 2:** The Town Council shall approve the Interlocal Agreement for the joint participation in the National Pollutant Discharge Elimination System.

**Section 3:** The Town Council hereby authorizes the Mayor, Town Administrator and Town Attorney to execute the attached Interlocal Agreement in substantially the same form as that attached hereto as Exhibit "A" and to make such modifications, additions and/or deletions which they deem necessary and proper to effectuate the intent of this Resolution.

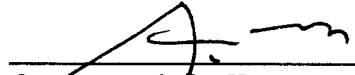

**Section 4:** This Resolution shall become effective immediately upon its adoption.

**PASSED AND ADOPTED** by the Town Council of the Town of Southwest Ranches, Florida, this 12<sup>th</sup> day of June 2003.

POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) MUNICIPAL  
SEPARATE STORM SEWER SYSTEM (MS4) PERMIT NO. FLS000016

AND

AUTHORIZE BROWARD COUNTY TO CONDUCT SPECIFIC TECHNICAL  
ACTIVITIES REQUIRED BY THE SECOND FIVE-YEAR PERMIT TO BE  
PERFORMED BY THE  
BROWARD COUNTY DEPARTMENT OF PLANNING AND ENVIRONMENTAL  
PROTECTION

This is an Interlocal Agreement, made and entered into by and between: BROWARD COUNTY, a political subdivision of the state of Florida, hereinafter referred to as "COUNTY,"

AND

CITY OF COCONUT CREEK; CITY OF COOPER CITY; CITY OF CORAL SPRINGS; CITY OF DANIA BEACH; TOWN OF DAVIE; CITY OF DEERFIELD BEACH; CITY OF HALLANDALE BEACH; TOWN OF LAUDERDALE-BY-THE-SEA; CITY OF LAUDERDALE LAKES; CITY OF LAUDERHILL; CITY OF LIGHTHOUSE POINT; CITY OF MARGATE; CITY OF MIRAMAR; CITY OF NORTH LAUDERDALE; CITY OF OAKLAND PARK; CITY OF PARKLAND; TOWN OF PEMBROKE PARK; CITY OF PEMBROKE PINES; CITY OF PLANTATION; CITY OF POMPANO BEACH; VILLAGE OF SEA RANCH LAKES; TOWN OF SOUTHWEST RANCHES; CITY OF SUNRISE; CITY OF TAMARAC; CITY OF WESTON; CITY OF WILTON MANORS; and UNINCORPORATED BROWARD COUNTY, municipal corporations existing under the laws of the state of Florida, and FLORIDA DEPARTMENT OF TRANSPORTATION DISTRICT 4 AND FLORIDA TURNPIKE ENTERPRISE (FDOT - including FDOT facilities within the above municipalities and the Cities of Fort Lauderdale and Hollywood), an agency of the State of Florida, hereinafter referred to as "PARTIES."

WHEREAS, this Agreement is entered into pursuant to § 163.01, Florida Statutes (2002), also known as the "Florida Interlocal Cooperation Act of 1969," and other Florida law; and

WHEREAS, the Environmental Protection Agency, hereinafter referred to as the "EPA," by way of the Water Quality Act of 1987, 33 U.S.C. 1251, and 40 CFR 122.42(c), requires the COUNTY and the PARTIES to comply with the applicable conditions of the National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System (MS4) Permit Program; and

WHEREAS, the EPA has recommended Broward County Department of Planning and Environmental Protection, hereinafter referred to as "DPEP," act as "lead permittee" and the PARTIES act as "co-permittees;" and

WHEREAS, the State of Florida pursuant to 403.0885, F.S., is empowered to establish a state NPDES program in accordance with s. 402 of the Clean Water Act, as amended, and the Department of Environmental Protection (FDEP) shall have the power and authority to assume the NPDES permitting program from the United States Environmental Protection Agency and to implement the program; and

WHEREAS, the FDEP has adopted rule 62-624, F.A.C., Municipal Separate Storm Sewer Systems, to administer the delegation of the NPDES MS4 Permit program from EPA; and

WHEREAS, although the Florida Department of Transportation (FDOT) does not

agree or admit to the jurisdiction of the Federal Government under the Water Control Act of 1987, the FDOT is complying with said law and this Agreement shall be understood in that light; and

WHEREAS, the COUNTY has the legal authority and ability to coordinate and conduct specific technical activities required by the NPDES MS4 Permits; and

WHEREAS, the Broward County Department of Public Works has the legal authority to plan, design, construct, operate, and maintain County-owned drainage facilities and/or drainage facilities located within the unincorporated area of Broward County; and

WHEREAS, previous Interlocal Agreements executed by the PARTIES and the COUNTY on December 3, 1996, and October 20, 1998, expired at the conclusion of the first five-year NPDES MS4 Permit on October 31, 2001; and

WHEREAS, Rule 62-4.090, F.A.C., provides that the first five-year NPDES MS4 Permit remain in effect until FDEP's final agency action concerning the permit renewal, and

WHEREAS, portions of the unincorporated area have been incorporated as the City of Weston and the Town of Southwest Ranches since the previous Interlocal Agreements were executed, and

WHEREAS, FDEP issued NPDES MS4 Permit Number FLS000016 for the second five-year period on February 6, 2003; and

WHEREAS, the PARTIES are desirous of procuring the services of the COUNTY, pursuant to the NPDES MS4 regulations, to manage and/or perform certain technical tasks necessary to determine compliance with the applicable portions of Parts III and V of the NPDES MS4 Permit; and

IN CONSIDERATION of the mutual terms, conditions, promises, covenants, and payments hereinafter set forth, the COUNTY and the PARTIES agree as follows:

1. APPLICABILITY OF AGREEMENT

1.1 This Agreement applies to the COUNTY and those PARTIES identified in this agreement for the COUNTY to perform certain specific program requirements of Parts III and V of the Broward County NPDES MS4 Permit, No. FLS000016.

2. COUNTY AND PARTIES RESPONSIBILITIES

2.1 The COUNTY and PARTIES agree that they will conduct the tasks and provide the data indicated in Attachment A, County and Parties Responsibilities, that will enable the COUNTY to prepare and submit the ANNUAL REPORT to FDEP within the times required

by the NPDES MS4 Permit. PARTIES agree to submit data for the annual report to the COUNTY no later than May 5 of each year. PARTIES agree to submit the required annual certification no later than July 15 of each year.

2.2 It shall be the responsibility of the parties other than DPEP to perform the requirements of the NPDES MS4 Permit not listed in this Interlocal Agreement.

2.3 There shall be no third party beneficiaries to this Agreement.

### 3. FUNCTIONS AND DUTIES NOT TRANSFERRED TO COUNTY

3.1 It is specifically understood and agreed that all rights and powers as may be vested in PARTIES pursuant to Florida Law, or any other law or ordinance or Charter Provision of any PARTY not specifically transferred to BROWARD COUNTY hereunder shall be retained by PARTIES.

### 4. FINANCIAL CONTRIBUTION

4.1 COUNTY agrees to perform the services set forth in Section 2, COUNTY AND PARTIES RESPONSIBILITIES, at a cost to each PARTY of \$1,300.00 plus \$0.785 per capita based on the 2000 census data, with the Florida Department of Transportation and Florida Turnpike Enterprise paying a flat fee of \$82,921. The fees for 2003, 2004, 2005, 2006, and 2007 shall be payable in accordance with the schedule shown on Attachment B. Payments for 2003 shall be due on May 1, 2003, or the date of execution of this agreement, whichever is later. See also Attachment C, Department of Transportation ADDENDUM.

### 5. TERMS OF AGREEMENT

5.1 This Agreement shall be effective for the duration and shall continue in full force and effect for the duration of the second five-year NPDES MS4 Permit term.

5.2 If the expiration date of the second five-year NPDES MS4 Permit is achieved before FDEP issues the permit renewal and the term and conditions of the second five-year permit are still in effect under Rule 62-4.090, F.A.C., then the COUNTY and the PARTIES agree to continue to provide the services indicated in this agreement. The PARTIES agree to continue to provide the financial contribution in proportion to the number of days between the expiration of the second five-year permit and the issuance date of the third five-year permit as indicated on Attachment B with an escalation factor of five percent each year or portion thereof.

5.3 This Agreement shall remain in full force and effect unless written notice of termination by COUNTY or any PARTY is provided pursuant to Section 8, NOTICES.

6. ACCESS TO RECORDS

6.1 This Agreement may be unilaterally canceled by the parties for refusal by a party to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the parties in conjunction with this Agreement.

7. NOTICES

7.1 Any and all notices given or required under this Agreement shall be in writing and may be delivered in person or by United States mail, postage prepaid, first class and certified, return receipt requested, addressed as follows:

8. MISCELLANEOUS PROVISIONS

8.1 Assignment: COUNTY shall perform the said services provided for in this Agreement exclusively and solely for the PARTIES which are parties to this Agreement. PARTIES shall not have the right to assign this Agreement.

8.2 Waiver: The waiver by either party of any failure on the part of the other party to perform in accordance with any of the terms or conditions of this Agreement shall not be construed as a waiver of any future or continuing similar or dissimilar failure.

8.3 Severability: The invalidity of any provision of this Agreement shall in no way affect the validity of any other provision.

8.4 Entire Agreement: It is understood and agreed that this Agreement incorporates and includes all prior negotiations, agreements or understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

8.5 Modifications: It is further agreed that no modifications, amendments or alterations in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith. Part VI.A. of the NPDES MS4 Permit contains a permit re-opener clause. If FDEP exercises the option to re-open the permit and revise or reissue the permit, the COUNTY or the PARTIES may pursue a modification of this agreement to reflect the impacts of such permit revision or re-issuance.

8.6 Counterparts and Signatures: This Agreement may be executed in counterparts with the same force and effect as if executed in one complete document by county and parties. Signature by facsimile shall be binding and treated as though they were originals.

INTERLOCAL AGREEMENT AMONG BROWARD COUNTY AND PARTIES TO SHARE THE RESOURCE BURDEN OF THE SYSTEM-WIDE EPA NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM MUNICIPAL SEPARATE STORM SEWER SYSTEM PERMIT AND AUTHORIZE BROWARD COUNTY TO CONDUCT SPECIFIC TECHNICAL ACTIVITIES REQUIRED BY THE PERMIT TO BE PERFORMED BY THE BROWARD COUNTY DEPARTMENT OF PLANNING AND ENVIRONMENTAL PROTECTION.

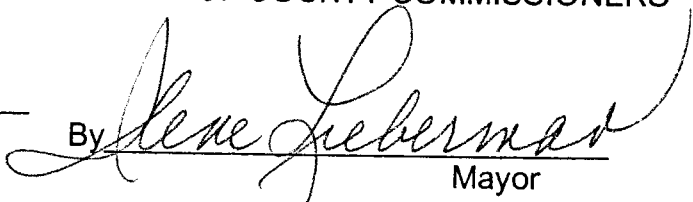

IN WITNESS WHEREOF, the parties have made and executed this Agreement on the respective dates under each signature: BROWARD COUNTY through its BOARD OF COUNTY COMMISSIONERS, signing by and through its Mayor or Vice Mayor, authorized to execute same by Board action on the 29<sup>th</sup> day of June, 2004, and PARTIES, signing by and through their respective commissions and councils, duly authorized to execute same.

**INTERLOCAL AGREEMENT AMONG BROWARD COUNTY AND PARTIES  
CONCERNING THE SECOND FIVE-YEAR NPDES MS4 PERMIT NO. FL000016  
ATTACHMENT A  
COUNTY AND PARTIES RESPONSIBILITIES**

**PART III. SCHEDULES FOR IMPLEMENTATION AND COMPLIANCE**

The permittees consist of the COUNTY (Broward County Department of Planning and Environmental Protection (BCDPEP) and Broward County Department of Public Works (BCDPW)) and the PARTIES (municipalities and the Florida Department of Transportation (FDOT)). The permittees shall be responsible for completing the activities shown in the following schedules for Stormwater Management Program implementation and permit compliance. Date due/frequency refers to the timing requirements of the NPDES MS4 Permit, not the timing that the data are due from the PARTIES to the COUNTY.

**A. Implementation Of Stormwater Management Programs.**

<b>STORMWATER MANAGEMENT PROGRAM: 1. Operation and Maintenance of Structural Controls and Stormwater Collection Systems.</b>			
<b>PERMITTEE(S)</b>	<b>ACTIVITY</b>	<b>INTERLOCAL RESPONSIBILITY</b>	<b>DATE DUE / FREQUENCY</b>
ALL	Each Co-Permittee shall submit an inspection and maintenance schedule in the Year 1 ANNUAL REPORT. A suggested inspection and maintenance schedule is provided in Table II.A.1.a. of the permit (including notes pertaining to the table, items 1-3).	BCDPW & Parties	Provide in Year 1 ANNUAL REPORT
ALL	Conduct inspections and maintenance of the structural controls and stormwater collection systems discharging to the MS4 within each Co-permittee's jurisdictional area in accordance with the Co-permittee's submitted schedule.  Maintain an internal record keeping system to schedule and document inspections and maintenance activities performed on structural controls and stormwater collection systems owned, operated and maintained by the co-permittees.	BCDPW & Parties	Date of Permit Issuance  Date of Permit Issuance

<b>1. Operation and Maintenance of Structural Controls and Stormwater Collection Systems (continued).</b>		
ALL except FDOT	Annually, assess the accomplishments of your inspection and maintenance program. Provide a summary of inspections and maintenance activities in each ANNUAL REPORT (report quantifiable items in the Summary Table).	BCDPW & Municipalities Provide in Each ANNUAL REPORT
FDOT	Annually, assess the accomplishments of the employed inspection and maintenance program as compared to the target goals outlined in FDOT Statewide Stormwater Management Plan Table 4.3-1 RECOMMENDED MAINTENANCE AND INSPECTION FREQUENCIES. Provide a summary of inspections and maintenance activities in each ANNUAL REPORT (report quantifiable items in the Summary Table).	FDOT Provide in Each ANNUAL REPORT

<b>STORMWATER MANAGEMENT PROGRAM:</b>		
<b>2. Control of Discharges from Areas of New Development and Significant Redevelopment.</b>		
PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY
ALL except FDOT	Continue to implement the policies of the Broward County Land Use Plan that provide for drainage and stormwater management controls to protect natural resources and minimize detrimental environmental effects in areas of new development and significant redevelopment.	BCDPEP
ALL except FDOT	During Years 1 and 2, conduct a review of Broward County's current Land Development Regulations to determine where changes can be made to reduce the stormwater impact of new development. In particular, focus on changes to the code that will promote: reductions in impervious surfaces, the use of swales, the incorporation of low impact development principles, stormwater reuse, and adherence to the principles of the Florida Yards and Neighborhoods program in new landscaping. In the Year 3 ANNUAL REPORT, provide a summary of recommended changes to the code with a schedule for implementation.	BCDPEP & will work with drainage districts Date of Permit Issuance

<b>2. Control of Discharges from Areas of New Development and Significant Redevelopment (continued).</b>			
ALL except FDOT	Continue to employ the requirements of local land development codes, and development review and permitting procedures (including Chapter 27 of the Broward County Pollution Control Code and Volume 4 of the South Florida Water Management District Permit Review Manual) to encourage new development to reduce the total area covered by impervious surfaces, and require new development to meet certain design criteria including: on-site stormwater retention/detention systems, and erosion and sedimentation control measures.	Municipalities for their codes & BCDPEP for Ch. 27 and Vol. 4 in area of ERP delegation	Date of Permit Issuance
ALL except FDOT	Provide a summary of development review and permitting efforts in each ANNUAL REPORT (report quantifiable items in the Summary Table).	Municipalities for their codes & BCDPEP for Ch. 27 and Vol. 4 in area of ERP delegation	Provide in Each ANNUAL REPORT

<b>STORMWATER MANAGEMENT PROGRAM:</b>			
<b>3. Operation and Maintenance of Public Streets, Roads, and Highways.</b>			
PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL	Continue to implement the litter control program(s) for highways and streets within each permittee's jurisdictional area and properly dispose of the collected material.	BCDPW & Parties	Date of Permit Issuance

**3. Operation and Maintenance of Public Streets, Roads, and Highways (continued).**

	BCDPW & Parties	Date of Permit Issuance
ALL	<p>Continue to implement standard practices employed to reduce, to the MEP, pollutants in stormwater runoff from areas associated with road repair, from permittee-owned or operated equipment yards, and from maintenance shops. Conduct inspections of equipment yards and maintenance shops and implement BMPs as needed; inspections may be conducted through a local designated Small Quantity Generator Program. Provide a written assessment of each of the facility inspections, and assess the effectiveness of facility and road repair BMPs in each ANNUAL REPORT.</p>	Date of Permit Issuance
ALL	<p>Continue to perform scheduled maintenance on catch basins, grates, and other stormwater structures and roadside ditches and properly dispose of accumulated sediments. Maintain an internal log documenting these maintenance activities. If these activities are performed by others under a contractual agreement, then the permittee shall retain copies of the contractual agreement that specifies the maintenance activities to be performed and the schedule of frequency.</p>	Date of Permit Issuance
Town of Southwest Ranches and City of Weston	<p>Provide a description of the municipally operated litter control program(s) for highways and streets within each permittee's jurisdictional area for incorporation into the permit.</p>	Provide in Year 1 ANNUAL REPORT
Town of Southwest Ranches and City of Weston	<p>Provide a description, for incorporation into the permit, of the best management practices employed to reduce the pollutants in stormwater runoff from areas associated with road repair and from all municipally-owned or operated equipment yards and maintenance shops that support road maintenance activities.</p>	Provide in Year 1 ANNUAL REPORT

**3. Operation and Maintenance of Public Streets, Roads, and Highways (continued).**

ALL except FDOT	Continue to actively support and promote on a regular basis participation in the Broward Clean and Beautiful Program (an affiliate of Keep America Beautiful, Inc).	BCDPW & Municipalities	Date of Permit Issuance
ALL except FDOT	In each ANNUAL REPORT, provide updates to a summary of the activities performed under the Broward Clean and Beautiful Program, within jurisdictional limits, to maintain the public streets, roads and highways.	BCDPW & Municipalities	Date of Permit Issuance
ALL except FDOT	Develop and implement a street sweeping program within each jurisdictional area and properly dispose of collected material. Estimate the volume of sweeping collected on an annual basis and provide this value, along with the frequency of the sweeping and total miles swept, in each ANNUAL REPORT (report quantifiable items in the Summary Table).	BCDPW & Municipalities	Date of Permit Issuance

**STORMWATER MANAGEMENT PROGRAM:**

**3. Operation and Maintenance of Public Streets, Roads, and Highways (continued).**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
FDOT	Implement the litter control program for highways and streets within FDOT's jurisdictional area and properly dispose of collected material. Report in each ANNUAL REPORT the approximate frequency of litter collection services performed, and the volume of litter collected, under each contractual agreement during the permit year (report quantifiable items in the Summary Table).	FDOT	Date of Permit Issuance
FDOT	To the extent feasible, develop and implement a street sweeping program within jurisdictional area and properly dispose of collected material. Report in each ANNUAL REPORT the approximate frequency of street sweeping services performed under each contractual agreement during the permit year and estimate the volume of sweepings (report quantifiable items in the Summary Table).	FDOT	Date of Permit Issuance
FDOT	Continue to coordinate the "Adopt-A-Highway" program for local organizations to be identified with specific highway cleanup and beautification projects. The FDOT NPDES Coordinator or his/her representative shall collect data and include information in each ANNUAL REPORT (report quantifiable items in the Summary Table).	FDOT	Date of Permit Issuance
FDOT	Continue to conduct routine inspections of each FDOT maintenance facility to verify that BMPs are operational and to determine changes necessary to improve runoff quality. Maintain an internal log documenting the inspections performed and the results.	FDOT	Date of Permit Issuance

**STORMWATER MANAGEMENT PROGRAM:**

**4. Ensure Flood Control Projects Consider Water Quality Impacts.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL except FDOT	Continue to ensure that all new developments, significant redevelopments and new flood control projects adhere to the performance standards set forth in Rule 62-40, F.A.C.	BCDPEP will work with drainage districts & SFWMD	Date of Permit Issuance
ALL except FDOT	Continue to implement and strengthen local Comprehensive Plans, ordinances, and land development codes (including Broward County Code Section 27-200(b)(1)(h)) that regulate construction and/or alteration within the floodplain to assure that all flood control projects include stormwater treatment consistent with the requirements of the South Florida Water Management District rules. Provide a copy of any updates in the subsequent ANNUAL REPORT, as necessary.	Municipalities for their codes & BCDPEP will work with drainage districts & SFWMD	Date of Permit Issuance
ALL except FDOT	Maintain the GIS layer which attaches water quality information to receiving waters identified within existing land use. Use this information to provide evidence of trends on an annual basis.	BCDPEP will maintain master file with data from BCDPW & municipalities	Within 18 Months of Permit Issuance
ALL except FDOT	Provide any updates to a permittee's adopted "Comprehensive Plan," required in accordance with Chapter 163 of the Florida Statutes that states the Comprehensive Plan should set forth goals, objectives and policies for water quality, master planning and flood protection, in the ANNUAL REPORT subsequent to adoption.	BCDPEP, BCDPW, & municipalities	Provide As Necessary
ALL except FDOT	Ensure that all flood control projects include stormwater treatment consistent with the requirements of appropriate water management district rules.	BCDPEP will work with drainage districts & SFWMD	Date of Permit Issuance

**4. Ensure Flood Control Projects Consider Water Quality Impacts (continued).**

<p>Town of Southwest Ranches and City of Weston</p>	<p>Provide a copy of each permittee's adopted "Comprehensive Plan," required in accordance with Chapter 163 of the Florida Statutes, which states that the Comprehensive Plan should set forth goals, objectives and policies for water quality, master planning and flood protection. Also provide a copy of local development codes and ordinances that regulate construction and/or alteration within the floodplain or flood-prone areas within the municipality's jurisdiction. Present a list of flood control projects and the proposed schedule of implementation.</p>	<p>Southwest Ranches &amp; Weston</p>	<p>Provide in Year 1 ANNUAL REPORT</p>
---	--	---------------------------------------	--

**STORMWATER MANAGEMENT PROGRAM:**

<p><b>5. Municipal Waste Treatment, Storage, or Disposal (TSD) Facilities Not Covered by An NPDES Stormwater Permit.</b></p>			
<p><b>PERMITTEE(S)</b></p>	<p><b>ACTIVITY</b></p>	<p><b>INTERLOCAL RESPONSIBILITY</b></p>	<p><b>DATE DUE / FREQUENCY</b></p>
<p>ALL except FDOT</p>	<p>Continue the program to identify priorities and procedures for inspections and implementation of measures to control discharges from municipal waste treatment, waste storage and waste disposal facilities that are not covered by NPDES permits. Personnel shall identify these facilities, ensure the necessary control measures and procedures are employed at each facility, monitor the content of materials deposited, report violations and, if necessary, take appropriate cleanup action. Annual facility inspections shall be conducted to ensure that BMPs are operative. Site-specific monitoring may be required as detailed in Part III.A.8.b. Provide a summary of the program and the inspections in each ANNUAL REPORT (report quantifiable items in the Summary Table).</p>	<p>BCDPEP</p>	<p>Date of Permit Issuance</p>

**STORMWATER MANAGEMENT PROGRAM:  
6. Control of Pollutants Related to Application of Pesticides, Herbicides, and Fertilizers.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL	Continue to require evidence of proper certification and licensing for all applicators contracted to apply pesticides, herbicides, and fertilizers on municipal and FDOT property.	BCDPW & Parties	Date of Permit Issuance
ALL except FDOT	Continue to implement the program and standard procedures, as described within the SWMP, to reduce the contribution of pollutants associated with the application of pesticides, herbicides, and fertilizers into the MS4 and to properly apply, store, and mix these products.	BCDPW & Municipalities	Date of Permit Issuance
ALL except FDOT	Develop up-to-date guidance describing best management practices (BMPs) for turf and landscape including vegetation, fertilizers, stormwater, and irrigation management. Provide the guidance and BMP training to municipal staff. Provide a summary of the training, including the number of participants from each co-permittee, in the subsequent ANNUAL REPORT (report quantifiable items in the Summary Table).	BCDPEP	Within 12 months of the Date of Permit Issuance
ALL except FDOT	Implement the best management practices, based on the newly developed BMP guidance and training, for turf and landscape management by providing training to property management associations.	BCDPEP	Within 24 Months of the Date of Permit Issuance

<b>6. Control of Pollutants Related to Application of Pesticides, Herbicides, and Fertilizers (continued).</b>		
		Date of Permit Issuance
ALL except FDOT	<p>Continue the distribution of materials describing the need to minimize the application of pesticides, herbicides, and fertilizers. Compliance with this element can be obtained through participation, support, and promoting the implementation of the Florida Yards and Neighborhoods program administered by the County Extension Service. Establish internal tracking of educational activities and achievements. Provide a summary of the public education programs, including the number of participants, in each ANNUAL REPORT (report quantifiable items in the Summary Table).</p>	BCDPEP
ALL except FDOT	<p>Continue to conduct annual seminars, training sessions, and/or on-the-job supervision for municipal applicators to emphasize the storm water implications of pesticide and herbicide application. Require both public employees and private contractors employed by the municipality to maintain proper pesticide applicator certification by the Florida Department of Agriculture and Consumer Services.</p>	BCDPEP for seminars & BCDPW & Municipalities for certification
ALL except FDOT	<p>Provide a summary of the training and certification efforts, including the number of employees and contractors participating, in each ANNUAL REPORT (report quantifiable items in the Summary Table).</p>	BCDPEP

**6. Control of Pollutants Related to Application of Pesticides, Herbicides, and Fertilizers (continued).**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
Town of Southwest Ranches and City of Weston	Provide a description, for incorporation into the permit, of the existing public education program(s), employed within each permittee's jurisdictional area, designed to encourage the public to reduce their use of pesticides, herbicides, and fertilizers. Compliance with this element can be obtained through participation, support, and promoting the implementation of the Florida Yards and Neighborhoods program administered by the local office of the University of Florida Cooperative Extension Service. Establish internal tracking of educational activities and achievements.	Southwest Ranches & Weston with technical assistance from BCDPEP	Provide in Year 1 ANNUAL REPORT
Town of Southwest Ranches and City of Weston	Provide a description of the existing program and procedures implemented by municipal staff, within each jurisdictional area, to minimize the use of pesticides, herbicides, and fertilizers and to properly apply, store, and mix these products.	Southwest Ranches & Weston with technical assistance from BCDPEP	Provide in Year 1 ANNUAL REPORT
Town of Southwest Ranches and City of Weston	Where no comprehensive program of this nature exists, the permittees shall develop and implement a program to provide proper training and/or on-the-job supervision for municipal employees and contractors who apply, store or mix pesticides, herbicides and fertilizers. Training shall be conducted at least annually or when new and/or unfamiliar chemicals are added to a municipality's program. Require both public employees and private contractors to maintain proper pesticide applicator certification by the Florida Department of Agriculture and Consumer Services. Include a summary of the program in the second ANNUAL REPORT (report quantifiable items in the Summary Table).	Southwest Ranches & Weston with technical assistance from BCDPEP	Provide in Year 1 ANNUAL REPORT or Within 24 Months of the Date of Permit Issuance
FDOT	Continue to implement the program, described in the FDOT Statewide SWMP Section 3.1.1, to minimize the use of pesticides, herbicides, and fertilizers and to properly apply, store, and mix these products.	FDOT	Date of Permit Issuance

**STORMWATER MANAGEMENT PROGRAM:**

**7. a.) Illicit Discharges and Improper Disposal - Inspections, Ordinances, and Enforcement Measures.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL except FDOT	Conduct an annual assessment of the list of non-stormwater discharges allowed to be discharged to the MS4 as detailed in the permit. Provide the list of allowable discharges, conditions, and any updates to the list or conditions in each ANNUAL REPORT.	BCDPEP	Date of Permit Issuance
ALL except FDOT	Provide copies of any newly adopted ordinances prohibiting illicit connections and illegal dumping into the MS4 in the subsequent ANNUAL REPORT after issuance.	BCDPEP & Municipalities	Provide As Necessary
ALL except FDOT	Continue to implement the Broward County Department of Planning and Environmental Protection (DPEP) random inspection program or a similar program to enforce ordinances prohibiting illicit connections and illegal dumping into the MS4. Maintain an internal log documenting inspections performed and enforcement actions taken.	BCDPEP	Date of Permit Issuance
ALL except FDOT	The annual inspection schedule, allotment of staff and resources, inspections performed and enforcement actions taken shall be summarized for each permit year in each ANNUAL REPORT (report quantifiable items in the Summary Table).	BCDPEP	Provide in Each ANNUAL REPORT
Town of Southwest Ranches and City of Weston	Present copies of the legal authorities that allow the municipality to control illicit discharges into the MS4 and to require compliance with stormwater BMPs in permits, contracts, and orders. Present a description of the program to inspect and investigate suspected illicit discharges, including explicit written procedures and designation of a single reporting point. Present a description of the training program for municipal field personnel and inspectors to recognize and report illicit discharges (with particular emphasis on areas of high risk facilities).	Southwest Ranches & Weston with technical assistance from BCDPEP	Provide in Year 1 ANNUAL REPORT

**7. a.) Illicit Discharges and Improper Disposal - Inspections, Ordinances, and Enforcement Measures (continued).**

DOT	<p>Continue to improve and implement the inspection and investigation program to eliminate illicit discharges and connections. Continue training FDOT field personnel, inspectors, and contractors to recognize and report illicit discharges and connections. FDOT shall investigate illicit connections or discharges within the FDOT right-of-way. In cases where another regulatory agency requires a periodic certification of compliance, the program developed may allow FDOT to accept this certification of compliance in lieu of further inspections by FDOT. Those illicit discharges and connections outside of the FDOT right-of-way shall be reported to the applicable municipality for further investigation and enforcement.</p>	Date of Permit Issuance
FDOT	<p>Maintain an internal log documenting inspections, investigations, and enforcement actions and referrals performed. Provide a summary of the investigation and inspection programs and enforcement actions, including training efforts, the number of investigations, enforcement actions, and referrals, in each ANNUAL REPORT (report quantifiable items in the Summary Table).</p>	Date of Permit Issuance

**STORMWATER MANAGEMENT PROGRAM:**

**7. b.) Illicit Discharges and Improper Disposal - Field Screening.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL	***RESERVED***	TBD	

**STORMWATER MANAGEMENT PROGRAM:**

**7. c.) Illicit Discharges and Improper Disposal - Investigation of Suspected Illicit Discharges and/or Improper Disposal.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL except FDOT	Continue to report all suspect conditions and violations (regarding illicit connections and improper disposal to the MS4s) to Broward County Department of Planning and Environmental Protection (DPEP) for investigation and elimination.	BCDPW & Municipalities	Date of Permit Issuance
ALL except FDOT	Provide a summary of the results of activities that occur within each co-permittee's jurisdiction, including the number of violations reported to DPEP, investigations conducted, and the enforcement actions completed in each ANNUAL REPORT (report quantifiable items in the Summary Table).	BCDPEP	Date of Permit Issuance
ALL except FDOT	Conduct periodic training courses to educate appropriate municipal personnel and field staff to identify and report conditions in the stormwater facilities that may indicate the presence of illicit connections or discharges to the MS4. Maintain a record of the training courses held and the number of participants.	BCDPEP	Date of Permit Issuance
ALL except FDOT	Continue to implement the investigative procedures as described in the SWMP to identify and terminate any source(s) of illicit connections or discharges to the MS4. Formalize the reporting process for all field personnel through the development of explicit written procedures and the designation of a single, central reporting point that will have the responsibility for maintaining all reports. Based upon reports received, investigate suspected illicit connections or discharges. Through additional sampling and systematically tracing the source upstream from the point of initial detection, identify the source and begin enforcement action to correct or eliminate the problem.	BCDPEP	Date of Permit Issuance

**7. c.) Illicit Discharges and Improper Disposal - Investigation of Suspected Illicit Discharges and/or Improper Disposal (continued).**

FDOT	Continue to implement standard investigative procedures to identify the source(s) of illicit connections or discharges to the FDOT MS4 within the FDOT right-of-way. Suspected illicit connections or discharges located outside of the FDOT right-of-way shall be reported to the applicable municipality for further investigation and enforcement action. Report the number of suspected illicit connections or discharges referred to other entities for resolution in each ANNUAL REPORT (report quantifiable items in the Summary Table).	BCDPEP	Date of Permit Issuance
------	---	--------	-------------------------

**STORMWATER MANAGEMENT PROGRAM:  
7. d.) Illicit Discharges and Improper Disposal - Spill Prevention and Response.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL except FDOT	Continue to implement various municipal procedures for handling and disposing of chemical spills within each permittee's jurisdictional area. Include training of personnel to recognize and quickly assess the nature of spills and to promptly report to the appropriate agency all hazardous material spills and chemical spills. This requirement may be satisfied through cooperative efforts with other co-permittees, public agencies, or private entities.	BCDPW & Municipalities	Date of Permit Issuance
ALL except FDOT	Report the number of spills that occurred within each co-permittee's jurisdiction and the results of any remedial actions required in each ANNUAL REPORT (report quantifiable items in the Summary Table).	BCDPW & Municipalities	Date of Permit Issuance

**7. d.) Illicit Discharges and Improper Disposal - Spill Prevention and Response (continued).**

<p>Town of Southwest Ranches and City of Weston</p>	<p>Develop and implement a spill prevention and response and training program and procedures (that include the elements above) to effectively mitigate pollutant discharges from spills to the MS4 and surface waters. This requirement may be satisfied through cooperative efforts with other co-permittees, public agencies, or private entities.</p>	<p>Southwest Ranches &amp; Weston with technical assistance from BCDPEP</p>	<p>Within 12 Months of the Date of Permit Issuance</p>
<p>Town of Southwest Ranches and City of Weston</p>	<p>Provide a description of the existing or newly developed spill prevention and response and training program or procedures in the first ANNUAL REPORT.</p>	<p>Southwest Ranches &amp; Weston</p>	<p>Within 12 Months of the Date of Permit Issuance</p>
<p>Broward County</p>	<p>Continue to maintain the Broward County DPEP's 24-hour emergency response hotline to provide assistance in cases of hazardous waste clean-up and emergency chemical spills.</p>	<p>BCDPEP</p>	<p>Date of Permit Issuance</p>
<p>FDOT</p>	<p>Continue to implement the FDOT's District Four On-call Supervisor's Procedure for Haz-Mat or Petroleum Spills, Reporting Incidents and Management of Damage Repair (effective 2/4/00), and Emergency Management Program (effective 11/06/01) that effectively mitigate potential pollutant discharges to surface waters.</p>	<p>FDOT</p>	<p>Date of Permit Issuance</p>

**STORMWATER MANAGEMENT PROGRAM:**

**7. e.) Illicit Discharges and Improper Disposal - Public Notification.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
Broward County	Continue to produce and distribute the Broward County DPEP's brochure (or any other newly developed public education materials) describing the proper disposal of toxic materials and phone numbers to report the presence of illicit discharges and improper disposal of materials into the MS4.	BCDPEP	Date of Permit Issuance
Broward County	The public education materials shall include information on the problems associated with illicit connections or discharges to the MS4, how to identify them, how to report incidents, and the 24-hour Broward County DPEP pollution complaint hotline.	BCDPEP	Date of Permit Issuance
Broward County	Continue to maintain the Broward County DPEP 24-hour pollution complaint hotline for the public to report the presence of unpermitted discharges and connections to the MS4.	BCDPEP	Date of Permit Issuance
ALL except FDOT	Publicize and make available literature informing the public about problems associated with illicit connections or discharges to the MS4, how to identify them, how to report incidents, and the 24-hour Broward County DPEP pollution complaint hotline. Establish internal tracking of educational activities and achievements.	BCDPEP	Date of Permit Issuance
ALL	Maintain a citizen complaint log documenting all reports of illicit discharges and the actions taken to investigate and resolve the problem. Include a summary of the log in each ANNUAL REPORT (report quantifiable items in the Summary Table).	BCDPEP	Date of Permit Issuance
FDOT	Use existing telephone numbers at the Maintenance Units and the District Office for the reporting of illicit connections, accidental spills, illegal dumping, or other water quality violations and action as needed. This requirement may be satisfied through cooperative efforts with other co-permittees.	FDOT	Date of Permit Issuance

**STORMWATER MANAGEMENT PROGRAM:**

**7. f) *Illicit Discharges and Improper Disposal - Oils, Toxics, and Household Hazardous Waste Control.***

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL except FDOT	Continue to make available to the public information (by means of literature, lectures, television ads, radio announcements, etc.) on the proper disposal of used motor vehicle fluids, leftover hazardous household products, grass clippings, leaf litter, animal waste, used vehicle tires, and lead acid batteries. Include information on the locations of the Broward County recycling facilities and collection sites for the wastes listed above and the hours of operation. Establish internal tracking of educational activities and achievements.	BCDPEP will work with BCDPW & provide information to Municipalities	Date of Permit Issuance
ALL except FDOT	Continue to promote and participate in Broward County's annual Amnesty Day program for household hazardous waste.	Municipalities	Date of Permit Issuance
ALL except FDOT	Support and regularly promote a voluntary storm drain marking program for all storm sewer inlets which discharge directly or indirectly into the MS4 or surface waters. This requirement may be satisfied through cooperative efforts with other co-permittees, supported by written agreement. Provide a summary of the program to mark storm drains and the number of drains marked in each ANNUAL REPORT (report quantifiable items in the Summary Table).	BCDPW & Municipalities	Date of Permit Issuance
Broward County	Continue to implement the Broward County annual Amnesty Day program for household hazardous waste.	BCDPEP will work with BCDPW	Date of Permit Issuance
Broward County	Continue to implement the Broward County Household Hazardous Waste program that instructs the public on responsible environmental management and proper handling and disposal of household hazardous material.	BCDPEP will work with BCDPW	Date of Permit Issuance

<b>7. f.) Illicit Discharges and Improper Disposal - Oils, Toxics, and Household Hazardous Waste Control (continued).</b>		
Broward County	Continue to implement the Broward County Used Oil Recovery program.	BCDPEP will work with BCDPW Date of Permit Issuance
FDOT	With each FDOT Drainage Connection Permit, continue to include information on used oil recycling, proper hazardous waste disposal, stormwater regulations, and spill reporting.	FDOT Date of Permit Issuance

<b>STORMWATER MANAGEMENT PROGRAM:</b>		
<b>7. g.) Illicit Discharges and Improper Disposal - Sanitary Sewer Seepage.</b>		
<b>PERMITTEE(S)</b>	<b>ACTIVITY</b>	<b>INTERLOCAL RESPONSIBILITY</b>
Broward County	Continue to implement the programs conducted by the Broward County Office of Environmental Services Environmental Engineering Division (as required in Broward County Code Chapters 34 and 27 and described in the SWMP) for limiting the infiltration of seepage from sanitary sewers to the MS4s.	BCDPW Date of Permit Issuance
ALL except FDOT	Update and identify areas served by septic systems, ideally utilizing the geographic information system (GIS).	BCDPEP Date of Permit Issuance
ALL	Advise the appropriate utility owners of potential violation if constituents common to wastewater contamination (from sanitary sewers or septic systems) are discovered in the MS4 during routine inspections, regular maintenance, or public reporting.	BCDPEP Date of Permit Issuance

**STORMWATER MANAGEMENT PROGRAM:  
8. a.) Industrial and High Risk Runoff - Identification of Priorities and Procedures for Inspections.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL	<p>Maintain an inventory of all existing high risk facilities discharging into the MS4. The inventory shall identify the outfall and surface waters into which each high risk facility discharges. High risk facilities shall include municipal landfills, hazardous waste treatment storage, disposal and recovery facilities, facilities that are subject to EPCRA Title III, Section 313, and any other industrial or commercial discharge, which the permittee determines, could potentially contribute a substantial pollutant loading to the MS4. Prioritize the list of high risk facilities for the purpose of scheduling periodic inspections. This requirement may be satisfied through cooperative efforts with the other co-permittees, supported by written agreement.</p>	BCDPEP	Date of Permit Issuance
ALL	<p>Provide a summary of the program to identify and prioritize high risk industrial facilities, and provide the list of newly identified high risk facilities in each ANNUAL REPORT.</p>	BCDPEP	Date of Permit Issuance

**8. a.) Industrial and High Risk Runoff - Identification of Priorities and Procedures for Inspections (continued).**

ALL	<p>Implement the program to inspect high risk facilities, according to the prioritized list (for FDOT, according to the list of facilities holding a Drainage Connection Permit), to determine compliance with all appropriate aspects of the stormwater program (e.g., no illicit connections, compliance with local stormwater regulation requirements, and, if the facility is required to have NPDES permit coverage, a copy of the SWPPP on site), and to encourage the use of stormwater BMPs. The program shall include a written procedure for specific enforcement actions to be taken if illicit discharges and/or improper disposal of hazardous wastes are identified. Maintain a log of the inspections performed, and the results of inspections. This requirement may be satisfied through cooperative efforts with the other co-permittees, supported by written agreement.</p>	Date of Permit Issuance
	BCDPEP	
ALL	Provide a summary of inspections of high risk industrial facilities in each ANNUAL REPORT (report quantifiable items in the Summary Table).	Date of Permit Issuance
	BCDPEP	

**STORMWATER MANAGEMENT PROGRAM:**

**8. b.) Industrial and High Risk Runoff - Monitoring for High Risk Industries.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL	<p>Monitoring may be required on an as-needed basis in the event that inspections of high risk facilities disclose suspected illicit discharges to the MS4. New high risk industrial facilities as defined in 40 CFR 122.26(d)(2)(iv)(C) must be evaluated to determine if the new discharge is contributing a substantial pollutant load to the MS4. The evaluation may include site-specific monitoring.</p>	BCDPEP	Date of Permit Issuance

**STORMWATER MANAGEMENT PROGRAM:**

**9. a.) Construction Site Runoff - Site Planning & Structural and Non-structural Controls.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL	All stormwater management systems owned or operated by permittee(s) shall continue to adhere to the treatment performance standards set forth in Rule 62-40, F.A.C.	BCDPW & Parties	Date of Permit Issuance
ALL except FDOT	Implement the County and City/Town Land Development Codes, Comprehensive Plans, and ordinances that require construction site planning and review prior to permitting and the use of stormwater, erosion and sedimentation control BMPs during and after construction to reduce pollutants to the MS4 and receiving waters. New land development and construction projects shall incorporate FDEP's BMP guidelines for erosion, sediment, and runoff control and surface stabilization and describe BMPs to be used. Evaluate innovative structural and non-structural BMPs and new technologies as they evolve to determine their efficiency and effectiveness in the field. Continue to adopt those suitable for use in County and City/Town projects.	Municipalities for local ordinances & BCDPEP and BCDPW for County	Date of Permit Issuance
ALL except FDOT	Provide a copy of any adopted updates to the applicable County and City/Town Land Development Codes, Comprehensive Plans, and ordinances in the subsequent ANNUAL REPORT, as necessary. Verify that building permit applicants have acquired the necessary approvals and permits from the appropriate environmental agencies, including the Environmental Resource Permit from Broward County DPEP. For new development subject to the NPDES Generic Permit for Stormwater Discharge from Construction Activities (Rule 62-621.300(4), F.A.C.), require that the NOI be submitted to DEP for coverage under the NPDES Generic Permit prior to land clearing.	Municipalities for local ordinances & BCDPEP and BCDPW for Co. Municipalities based on information provided by BCDPEP	Date of Permit Issuance Date of Permit Issuance

**9. a.) Construction Site Runoff - Site Planning & Structural and Non-structural Controls (continued).**

ALL except FDOT	Track construction projects required to install erosion and sediment controls. Document the installation, maintenance, and effectiveness of the controls. Integrate these records with the education program for training the site contractors.	Municipalities & BCDPEP for unincorporated area	Date of Permit Issuance
Town of Southwest Ranches and City of Weston	Develop and submit copies of the legal authorities that allow the municipality to require construction site planning and review prior to permitting, and require the use of stormwater, erosion, and sedimentation control BMPs during and after construction to reduce pollutants to the MS4 and receiving waters. Provide a copy of the municipal program for inspecting construction projects for compliance with their licensing conditions and which provides for enforcement action against those in violation of their municipal permit stipulations.	Southwest Ranches & Weston	Within 12 Months of the Date of Permit Issuance
Town of Southwest Ranches and City of Weston	If none exist, develop and implement a site planning and review program and an inspection program for construction sites where runoff discharges to the MS4 to verify and maintain compliance with local stormwater ordinances and codes. The program shall include adequate staff, systematic inspection procedures, and proper enforcement mechanisms to deter infractions.	Southwest Ranches & Weston with technical assistance from BCDPEP	Within 12 Months of the Date of Permit Issuance
Town of Southwest Ranches and City of Weston	Provide the legal authorities and a description of the program for: construction site planning and review; inspection of active construction sites (including explicit written procedures); and training to certify municipal inspectors in stormwater, sedimentation, and erosion control in the ANNUAL REPORT subsequent to program development for incorporation into the permit.	Southwest Ranches & Weston training by BCDPEP	Within 12 Months of the Date of Permit Issuance

**9. a.) Construction Site Runoff - Site Planning & Structural and Non-structural Controls (continued).**

	FDOT	Date of Permit Issuance
<p>Continue to employ the FDOT Drainage Connection Permit requirements that include the use of stormwater, erosion and sedimentation control BMPs during and after construction. Require connecting entities subject to NPDES stormwater regulations to provide FDOT a copy of the Notice of Intent (NOI) requesting coverage under the NPDES Generic Permit for Stormwater Discharge from Construction Activities.</p>	FDOT	Date of Permit Issuance
<p>Provide a summary of the program to issue Drainage Connection Permits and report the number of permits issued in each ANNUAL REPORT (report quantifiable items in the Summary Table).</p>	FDOT	Date of Permit Issuance

**STORMWATER MANAGEMENT PROGRAM:**

**9. b.) Construction Site Runoff - Inspection and Enforcement.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL except FDOT	Continue to implement the inspection program for construction sites where runoff discharges to the MS4 to ensure compliance with local stormwater ordinances and codes. Sites shall be monitored throughout the construction period as frequently as necessary to ensure the reduction of pollutants to the maximum extent practicable, with a minimum of one inspection during the active construction phase.	Municipalities & BCDPEP for unincorporated area	Date of Permit Issuance
ALL except FDOT	Implement the formalized checklist covering current stormwater management and water quality inspection items in order to standardize the inspection process. Include verification that the construction sites subject to the NPDES Generic Permit for Stormwater Discharge from Construction Activities have a Stormwater Pollution Prevention Plan (SWPPP) available onsite.	Municipalities & BCDPEP for unincorporated area	Date of Permit Issuance
ALL except FDOT	Maintain an internal log documenting stormwater management, erosion and sedimentation inspections at active construction sites and the results of the inspections.	Municipalities & BCDPEP for unincorporated area	Date of Permit Issuance
ALL except FDOT	Maintain the inspection program by taking enforcement actions and/or issuing stop work orders to those construction site operators that repeatedly do not maintain compliance with the approved stormwater management and erosion and sediment control BMPs and permit conditions.	Municipalities & BCDPEP for unincorporated area	Date of Permit Issuance

**9. b.) Construction Site Runoff - Inspection and Enforcement (continued).**

ALL	<p>Provide a detailed description of the program to inspect construction sites, including: the responsible entity(ies)/departments(s); the employees certified to conduct stormwater management inspections and their positions; the process; the schedule; the method of tracking inspections conducted, the results, and any enforcement activities; the formalized checklist; and any other component of the program.</p>	Parties & BCDPEP for unincorporated area	Provide in Year 1 ANNUAL REPORT
ALL	<p>Provide a summary of the program to inspect construction sites, including the number of employees certified to conduct stormwater management inspections, the number of inspections conducted, and any enforcement activities performed in each ANNUAL REPORT (report quantifiable items in the Summary Table).</p>	Parties & BCDPEP for unincorporated area	Provide in Each ANNUAL REPORT
FDOT	<p>Implement the developed inspection program for construction projects that propose to directly discharge stormwater to the FDOT MS4 and have been granted a FDOT drainage connection permit. Refer connecting entities that are found or suspected of discharging stormwater of unacceptable quality to the FDOT MS4 during or following construction to Broward County, FDEP, and/or SFWMD. Maintain an internal log documenting the inspections conducted.</p>	FDOT	Date of Permit Issuance

**STORMWATER MANAGEMENT PROGRAM:**

**9. c.) Construction Site Runoff - Site Operator Education and Training.**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL except FDOT	Continue inspector certification in stormwater management and erosion and sediment control by utilizing the FDEP's "Florida Stormwater, Erosion and Sedimentation Control Training and Certification Course" or a comparable course. Ensure that all County and municipal staff depended upon for inspections are properly certified.	BCDPEP to do training based on staff sent by BCDPW & Municipalities	Date of Permit Issuance
ALL except FDOT	Continue to provide for the training of construction site operators, engineers, and inspectors on measures to reduce pollutants from sites, awareness of the NPDES program requirements for construction activities, erosion and sediment control BMPs for construction sites, structural and non-structural controls for construction activities, and the enforcement protocol to facilitate compliance.	BCDPEP	Date of Permit Issuance
ALL except FDOT	This requirement may be satisfied through cooperative efforts with other co-permittees, public agencies or contracted entities, including establishing a FDEP-approved local training team and by providing supporting materials to present the stormwater management, erosion, and sediment control training program. Conduct one or more classes each year for public and private personnel involved in the construction or inspection of stormwater management, erosion, and sediment controls.	BCDPEP	Date of Permit Issuance
ALL except FDOT	Seek opportunities to conduct presentations to local professional organizations that are associated with the construction industry, to discuss proper construction site management for water quality and to provide information regarding NPDES Construction and Multi-Sector Generic Permit requirements.	BCDPEP	Date of Permit Issuance

**PART V. MONITORING AND REPORTING REQUIREMENTS**

**MONITORING AND REPORTING REQUIREMENTS:**

**A. Seasonal Loadings and Event Mean Concentration**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL	Provide estimates of the seasonal pollutant load and of the event mean concentration of a representative storm for the constituents listed in Table V.A.1 of the NPDES MS4 Permit for each major outfall in the MS4.	BCDPEP	Provide in Year 3 Annual Report

**MONITORING AND REPORTING REQUIREMENTS:**

**B. Monitoring Data Collection**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL	Within six months of permit issuance, the permittees shall develop a monitoring plan and submit it to FDEP for review and approval. The permittees shall make corrections and re-submit the monitoring plan within 60 days of FDEP's notification of deficiencies. On behalf of the party, the COUNTY has developed an outline of the monitoring plan, presented the outline to the PARTIES, and estimated the cost of the plan to calculate the financial contribution for each of the PARTIES. If FDEP's review of and comments concerning the plan result in a significant cost difference from the estimated cost, the COUNTY may pursue a modification of the financial contribution of the PARTIES under this agreement.	BCDPEP	Within six months of permit issuance
ALL	Details of the monitoring program agreed upon during the first year of the permit shall be submitted to FDEP in the subsequent ANNUAL REPORT.	BCDPEP	Provide in Year 1 Annual Rpt.
ALL	The previously approved monitoring program shall continue to be implemented by the permittees upon issuance of this permit, and shall continue until a new program is established and approved.	BCDPEP	Date of Permit Issuance

**MONITORING AND REPORTING REQUIREMENTS:**  
**C. Annual Report**

PERMITTEE(S)	ACTIVITY	INTERLOCAL RESPONSIBILITY	DATE DUE / FREQUENCY
ALL	Each permittee shall prepare an annual system-wide report to be submitted no later than six months following the period covered by the report. The ANNUAL REPORT shall cover the 12-month period beginning February 6, 2003, and annually thereafter.	BCDPEP will compile data from Parties and add data prepared under this agreement	Annually
ALL	A "committee" shall coordinate the preparation and submittal of a system-wide ANNUAL REPORT shall be coordinated by a "committee." The committee shall include a member or designated representative from each entity covered by this permit. Each permittee shall be individually responsible for providing information on the portions of the MS4 for which they are the operator and for providing information for the system-wide report in a timely manner. Each permittee shall sign and certify the ANNUAL REPORT in accordance with Part V.D. of the permit, and shall include a statement or resolution that the permittee's governing body or agency (or delegated representative) has reviewed or has been appraised of the content of the ANNUAL REPORT.	BCDPW & Parties	Date of Permit Issuance

**Attachment C-1**  
**STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION**  
**ADDENDUM to INTERLOCAL AGREEMENT**

Between Broward County and Parties to Share the Resource Burden of the System Wide EPA National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System (MS4) Permit No. FL000016 and to Authorize Broward County to Conduct Specific Technical Activities Required by the Second Five Year permit to be Performed by Broward County Department of Planning and Environmental Protection

**THIS ADDENDUM**, shall be effective as of the 30<sup>th</sup> day of June, 2004, by and between the State of Florida Department of Transportation hereinafter called the **DEPARTMENT**, and the **BROWARD COUNTY** Department of Planning and Environmental Protection, located at 218 S. W. 1<sup>st</sup> Avenue, Fort Lauderdale, Florida 33301, hereinafter called the **COUNTY** or **PARTICIPANT**.

**WITNESSETH**

**WHEREAS**, the **DEPARTMENT** and the **COUNTY** are desirous of having the **COUNTY** deliver certain services, hereinafter known as the "Project," in connection with State FM Number 23350917401, by helping the Department with its NPDES MS4 Permit requirements in Broward County, Florida. Refer to Attachment "A" of the main body of the Interlocal Agreement for a detailed Scope of Services; and,

**WHEREAS**, the services are in the interest of both the **COUNTY** and the **DEPARTMENT** and it would be more practical, expeditious, and economical for the **COUNTY** to perform such activities; and,

**WHEREAS**, the **COUNTY** by Motion to Approve adopted on June 29, 2004, a copy of which is attached hereto and made a part hereof, authorizes the proper officials to enter into this ADDENDUM.

**NOW, THEREFORE**, in consideration of the mutual benefits to be derived from joint participation on the PROJECT, the parties agree to the following:

1. The recitals set forth above are true and correct and are deemed incorporated herein.

2. The **COUNTY** shall be responsible for assuring that the Project complies with all applicable Federal, State and Local laws, rules, regulations, guidelines and standards.
3. The **DEPARTMENT** agrees to make all previous studies, maps, drawings, surveys and other data and information pertaining to the Project available to the **COUNTY** at no extra cost.
4. The **COUNTY** shall have the sole responsibility for resolving claims and requests for additional work for the Project. The **COUNTY** will make reasonable efforts to obtain the **DEPARTMENT** input in its decisions.
5. The **DEPARTMENT** agrees to pay the **COUNTY** for the services described in Attachment "A" of the Agreement. The Total **DEPARTMENT** contribution towards this project is estimated to be **SEVENTY-TWO THOUSAND NINE HUNDRED SEVENTY DOLLARS (\$72,970.00)**. The Project cost shall be allocated and expended in accordance with the Method of Compensation as outlined in the attached Exhibit B.
6. Should the **DEPARTMENT** and the **COUNTY** decide to proceed with subsequent phases of the Project, the ADDENDUM may be amended to identify the respective responsibilities and the financial arrangements between the parties.
7. This ADDENDUM and any interest herein shall not be assigned, transferred or otherwise encumbered by the **COUNTY** under any circumstances without the prior written consent of the **DEPARTMENT**. However, this ADDENDUM shall run to the **DEPARTMENT** and its successors.
8. Except as otherwise set forth herein, this ADDENDUM shall continue in effect and be binding to both the **COUNTY** and the **DEPARTMENT** until the Project is completed.
9. The **DEPARTMENT** shall be entitled to perform any necessary inspection services, surveillance and monitoring procedures (in addition to that of the **COUNTY**) as it feels is necessary on its own MS4 systems.
10. Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the State Comptroller under Section 215.422(14), Florida Statutes, or by the Department's Comptroller under Section 334.044(29), Florida Statutes.
11. If this Addendum involves units of deliverables, then such units must be received and accepted in writing by the Project Manager prior to payments. The Department

will render a decision on the acceptability of services within ten (10) working days of receipt of a progress report. The Department reserves the right to withhold payments for work not completed, or work completed unsatisfactorily, or work that is deemed inadequate or untimely by the Department. Any payment withheld will be released and paid to the COUNTY promptly when work is subsequently performed.

12. Bills for fees or other compensation for services or expenses shall be submitted in detail sufficient for a proper preaudit and postaudit thereof.
13. Bills for travel expenses specifically authorized in this Addendum shall be submitted on the Department's Travel Form No. 300-000-01 and will be paid in accordance with Section 112.061, Florida Statutes.
14. Participants providing goods and services to the Department should be aware of the following time frames. Upon receipt, the Department has (5) five working days to inspect and approve the goods and services. The Department has 20 days to deliver a request for payment (voucher) to the Department of Banking and Finance. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved.
15. If a payment is not available within 40 days, a separate interest penalty at a rate as established pursuant to Section 55.03(1), Florida Statutes, will be due and payable, in addition to the invoice amount, to the Participant. Interest penalties of less than one (1) dollar will not be enforced unless the Participant requests payment. Invoices that have to be returned to a Participant because of Participant preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.
16. A Vendor Ombudsman has been established within the Department of Banking and Finance. The duties of this individual include acting as an advocate for contractors/vendors who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 410-9724 or by calling the State Comptroller's Hotline, 1-800-848-3792.
17. Records of costs incurred under the terms of this Addendum shall be maintained and made available upon request to the Department at all times during the period of this Addendum and for five years after final payment is made. Copies of these documents and records shall be furnished to the Department upon request. Records of costs incurred includes the Participant's general accounting records and the project records, together with supporting documents and records, of the contractor and all subcontractors performing work on the project, and all other

records of the Contractor and subcontractors considered necessary by the Department for a proper audit of costs.

18. In the event this contract is for services in excess of TWENTY FIVE THOUSAND DOLLARS (\$25,000.00) and a term for a period of more than one year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated:

"The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the Comptroller of the Department that such funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of TWENTY FIVE THOUSAND DOLLARS (\$25,000,00) and which have a term for a period of more than one year."

19. The Department's obligation to pay is contingent upon an annual appropriation by the Florida Legislature.
20. The **COUNTY** warrants that it has not employed or obtained any company or person, other than bona fide employees of the **COUNTY**, to solicit or secure this ADDENDUM, and it has not paid or agreed to pay any company, corporation, individual or firm, other than a bona fide employee employed by the **COUNTY**. For breach or violation of this provision, the **DEPARTMENT** shall have the right to terminate the ADDENDUM without liability.
21. To the extent allowed by the Laws of Florida, the **COUNTY** hereby agrees to indemnify, defend, save, and hold harmless the **DEPARTMENT** from all claims, demands liabilities, and suits of any nature arising out of, because of or due to any intentional and/or negligent act or occurrence, omission, or commission of the **COUNTY**, its agents, or employees, arising out of this contract or the work which is the subject hereof. It is specifically understood and agreed that this indemnification clause does not cover or indemnify the **DEPARTMENT** for its own negligence.
22. This ADDENDUM is governed by and construed in accordance with the laws of the State of Florida.

23. This document incorporates and includes the Agreement and all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Addendum that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representation or agreements whether oral or written. It is further agreed that no modification, amendment, or alteration in the terms and conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.
24. Any or all notices (except invoices) given or required under this Addendum shall be in writing and either personally delivered with receipt acknowledged or sent by certified mail, return receipt requested. All notices delivered shall be sent to the following addresses:

**EXHIBIT A**  
**METHOD OF COMPENSATION**

For services rendered in Attachment "A" of the Agreement, the DEPARTMENT shall reimburse the COUNTY an amount equal to the annual appropriation by the Florida Legislature.

1. The DEPARTMENT may advance the amounts specified below which are equal to the DEPARTMENT's participation in the estimated cost of the project.
2. The advanced amount may be paid after execution of the Agreement and this Addendum within the fiscal year of the project funding in the Department's Adopted Work Program.
3. The amount advanced after execution shall be deducted from latter months' payment(s) or the final payment.
4. The COUNTY will submit an invoice for the advance.

The DEPARTMENT shall pay to the COUNTY, the total amount of **SEVENTY-TWO THOUSAND NINE HUNDRED SEVENTY DOLLARS (\$ 72,970.00)**.

**District 4 Installments & Estimated Payment Date:**

<b>FDOT DISTRICT FOUR PAYMENTS</b>	
<b>8/30/03</b>	<b>\$12,150</b>
<b>5/1/04</b>	<b>\$16,360</b>
<b>5/1/05</b>	<b>\$14,243</b>
<b>5/1/06</b>	<b>\$14,812</b>
<b>5/1/07</b>	<b>\$15,405</b>
<b>Total</b>	<b>\$72,970</b>

The DEPARTMENT shall receive status of work completed by the COUNTY every 6 months. Properly documented status reports shall include a statement of the status of the work that shall have been completed on behalf of the DEPARTMENT and a description of work to be accomplished due the next status period. The COUNTY shall maintain records in sufficient detail to allow a proper pre-audit and post-audit thereof. The invoices shall be sent to the following addresses:

Clark Turberville  
FDOT - District 4  
3400 West Commercial Blvd.  
Ft. Lauderdale, FL 33309  
(954)777-4377

The DEPARTMENT is not required by the Interlocal Agreement to provide information to Broward County which is not required by the NPDES Permit.

The DEPARTMENT will pay for only those activities which the NPDES permit requires the DEPARTMENT to perform. Activities, for which the COUNTY plans to develop programs or procedures for the DEPARTMENT to implement or follow, shall be so done with the cooperation or consent of the DEPARTMENT. When possible, the DEPARTMENT shall be allowed to utilize COUNTY resources, such as the pollution prevention hotline, for permit requirements.

Any Amendments or Supplements to this Addendum shall be effective when executed by both the COUNTY and the DEPARTMENT.

## Attachment C-2

**Florida's Turnpike Enterprise Addendum to Interlocal Agreement Between Broward County and Parties to Share the Resource Burden of the System Wide EPA National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System (MS4) Permit No. FL000016, and to Authorize Broward County to Conduct Specific Technical Activities Required by the Second Five-Year Permit to be Performed by the Broward County Department of Planning and Environmental Protection.**

This Addendum shall be effective as of the \_\_\_\_\_ day of July 2003, and is a condition precedent to any duty of any party under the above referenced agreement. Florida's Turnpike Enterprise is hereinafter referred to as the "**FTE**", and Broward County Department of Planning and Environmental Protection is hereinafter referred to as the "**COUNTY**".

1. The **FTE** shall be entitled to perform any necessary inspection services, surveillance and monitoring procedures (in addition to that of the **COUNTY**) as it feels is necessary on its own MS4 systems.

2. The **FTE** shall pay to the **COUNTY**, the total amount of **NINE THOUSAND NINE HUNDRED FIFTY ONE DOLLARS (\$ 9,951.00)**. This sum shall be paid in advance by the **FTE** over five (5) years.

### Florida Turnpike Enterprise Installments & Estimated Payment Date:

<b>PAYMENTS:</b>	<b>Florida Turnpike Enterprise</b>
6/1/03	\$1,657
5/1/04	\$2,231
5/1/05	\$1,942
5/1/06	\$2,020
5/1/07	\$2,101

Total	\$9,951
-------	---------

The **FTE** shall receive status of work completed by the **COUNTY** every 6 months. Properly documented status reports shall include a statement of the status of the work that shall have been completed on behalf of the **FTE** and a description of work to be accomplished due the next status period. The **COUNTY** shall maintain records in sufficient detail to allow a proper pre-audit and post-audit thereof. The invoices shall be sent to the following addresses:

**Florida Turnpike Enterprise**

Bruce Seiler, Director of Operations  
FDOT - Florida Turnpike Enterprise  
Post Office Box 9828  
Ft. Lauderdale, FL 33310-9828  
(954) 975-4855

3. The **FTE** is not required by the interlocal agreement to provide information to Broward County that is not required by the NPDES Permit.
4. The **FTE** will pay for only those activities that the NPDES permit requires the **FTE** to perform. Activities for which the **COUNTY** plans to develop programs or procedures for the **FTE** to implement or follow shall be done with the cooperation or consent of the **FTE**. When possible the **FTE** shall be allowed to utilize **COUNTY** resources, such as the pollution prevention hotline, for permit requirements.
5. Any Amendments or Supplements to this agreement shall be effective when executed by both the **COUNTY** and the **FTE**.

## Attachment C-2

shall be incorporated verbatim in all contracts of the **FTE** which are for an amount in excess of \$25,000.00 and which have a term for a period of more than one year."

9. The **COUNTY** and other parties agree to keep complete records and accounts in order to record complete and correct entries as to all costs, expenditures and other items incidental to the offering for public bid and prosecution and construction of the project.

10. Such books and records shall be available at all reasonable times for examination and audit by the **FTE** as well as other State and Federal auditors and shall be kept for a period of five (5) years after the completion of all work to be performed pursuant to this Agreement.

11. This Agreement or any interest herein shall not be assigned, transferred or otherwise encumbered by the **COUNTY** and other parties under any circumstances without the prior written consent of the **FTE**. However, this Agreement shall run to the **FTE** and its successors.

12. The **COUNTY** and other parties warrant that they have not employed or obtained any company or person, other than bona fide employees of the **COUNTY** and other parties to solicit or secure this Agreement and they have not paid or agreed to pay any company, corporation, individual or firm, other than a bona fide employee employed by the **COUNTY** and other parties. For breach or violation of

**Attachment C-2**

this provision, the **FTE** shall have the right to terminate the Agreement without liability.

13. This Agreement is governed by and construed in accordance with the laws of the State of Florida.

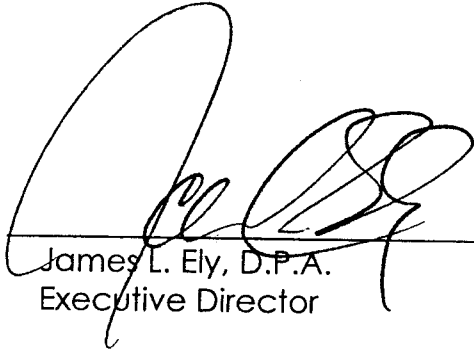

(This space left blank intentionally)

**Attachment C-2**

IN WITNESS WHEREOF, the **FTE** has executed this Broward County Interlocal Agreement for NPDES Permit this \_\_\_\_ day of July 2003. The effective date of this Agreement shall be the later date the **COUNTY** or the **FTE** has executed this agreement.
