Clarifications

1. **Q:** Ballistic Protection Alternatives (apart from Kevlar and fabric medium): Can you please confirm if we may use the following Level 3 alternatives?
 - Brixwell OF300 Bullet Resistant Level 3 Fiberglass Panel White
 - Covenant Level 3 Bullet and Fire Resistant Fiberglass Wall Panel UL 752 Rated
 - Armorcore Level 3 Bullet and Fire Resistant Fiberglass Wall Panel UL 752 Rated
 - Fortified Estate Kevlar Ballistic Panels**A:** Yes – we are interested in receiving “Kevlar-like Level 3” protection, regardless of actual brand and/or design.
2. **Q:** The installation of these wall panels will result in a modest increase in the overall wall thickness; would such an increase be acceptable?
A: Yes.
3. **Q:** Could you please clarify the City of Southwest Ranches’ policy regarding change orders, should modifications be required in the future?
A: Please reference ITQ Section II, Item 13 for the policy/procedure.
