THIS IS AN AGREEMENT (the “Contract”) made and entered into on this 23rd day of October, 2025, by and between the Town of Southwest Ranches, a Municipal Corporation of the State of Florida, (hereinafter referred to as the “Town”), and All Water Service, LLC (hereinafter referred to as “Contractor”).

**WHEREAS**, the Town desires to contract for Contractor Services to provide professional services related to the WATER SYSTEM REGULATORY AND MAINTENANCE SERVICES (the “Services”); and

**WHEREAS**, the Town advertised a Request for Proposals (RFP), RFP No. 25-18 on July 15, 2025; and

**WHEREAS**, one (1) proposal was received by the Town by the August 12, 2025 deadline; and

**WHEREAS**, Contractor’s Proposal is attached to this Contract as Exhibit “A” and made a part hereof.

**NOW THEREFORE**, in consideration of the foregoing promises and the mutual terms and conditions herein, the Town and Contractor hereby agree as follows:

**Section 1: Scope of Services**

- 1.1 Upon execution of this Contract, Contractor agrees to perform the duties and responsibilities as defined herein and in the RFP to which this Contract is EXHIBIT “A” and which is made a part hereof by this reference (the “Work”). This Contract, as well as all Exhibits, the RFP, Contractor’s Proposal, including all forms attached thereto, and all addenda, specifications, drawings and plans, shall be hereinafter collectively referred to as the “Contract Documents” and incorporated herein by reference. To the extent of any conflict among the Contract Documents, the more stringent criteria relative to Contractor’s performance of the Work shall govern over the less stringent criteria.
- 1.2 All Work rendered pursuant to this Contract by Contractor shall be performed in accordance with the applicable standard of care for persons or entities performing similar work in Broward County, Florida. Contractor shall perform the Work in strict accordance with the requirements of this Contract, all of the Contract Documents, good workman practices for Contractor services and all applicable codes, ordinances, rules, laws and regulations governing the Work.

**Section 2: Term of this Contract and Contract Time**

- 2.1 The Town and Contractor agree that Contractor shall perform all Work under this Contract for:

WATER SYSTEM REGULATORY AND MAINTENANCE SERVICES  
RFP NO. 25-18

- 2.2 The Town shall have the ability to terminate this Contract as provided in "Section 17: Termination."
- 2.3 Contractor shall not be entitled to any claim for damages against the Town on account of hindrance or delays from any cause whatsoever. If, however, Contractor is delayed in the prosecution of the Work occasioned by an act of God, or by act or omission on the part of the Town, or due to changes ordered in the Work by the Town which expand the scope and costs of the Work, such act, hindrance, or delay shall only entitle Contractor to receive an extension of time as its sole and exclusive remedy for such hindrance or delay, and Contractor waives any and all other claims against the Town.
- 2.4 The parties agree that time is of the essence in execution of the Work delineated within the Agreement and any breach of same shall go to the essence hereof, and Contractor, in agreeing to substantially complete the Work within the time herein mentioned, has taken into consideration, and made allowances for all hindrances and delays incident to its Work.
- 2.5 Prices shall remain firm and fixed during the first year of the contract in accordance with Exhibit "A." The initial term of the resulting contract shall be three (3) years, with two (2) additional two-year renewal options.

During the second and third years of the initial term, contract prices shall automatically increase by three percent (3%) annually.

For any renewal periods, the Contractor shall submit any proposed contract price increases in writing at least ninety (90) days prior to the renewal date. Requests received after such date shall not be considered and the contract price shall remain unchanged for that renewal period. Increases for renewal periods shall be limited to three percent (3%) for each two-year period, or the U.S. Consumer Price Index (CPI), whichever is lower, and are subject to the discretion of the Town Administrator.

The Mark-Up percentage shall remain firm and fixed for the life of the agreement.

**Section 3: Compensation & Method of Payment**

- 3.1 Contractor shall perform all Work for the Town under this Contract in accordance with the unit prices and rates set forth in Exhibit "A." The Town reserves the right to increase or decrease quantities of the Work and to order optional additional items or services, in its sole discretion, at the prices established in Exhibit "A."

- 3.2 Except as provided in Section 3.1 and 3.1.1 with respect to as-needed services ordered at the agreed rates, the Town shall not be liable for any cost increases or escalation associated with labor, services, materials, equipment, or any other costs that may arise during the performance of the Work. In the event the cost of the Work otherwise exceeds the amounts defined in Section 3.1 or 3.1.1, Contractor shall pay such excess from its own funds, and the Town shall not be liable for any excess. The only exception shall be adjustments to the Contract Price pursuant to written Change Orders, duly executed by the Town and Contractor in accordance with the terms and conditions of this Contract and with the same formality and dignity afforded the original Contract.
- 3.3 The Town and Contractor agree that payment will be subject to (a) the delivery of an invoice by Contractor to the Town once every thirty (30) days, and (b) confirmation by the Town that the Work included in the invoice has been performed in accordance with this Contract. Upon verification by the Town that the invoiced Work has adequately been performed, the Town shall have thirty (30) days thereafter to pay the invoice.

Subject to other requirements of the Contract Documents, retainage shall be released after final completion of the Work and the Town's receipt of acceptable reports and other documentation, including certification of payment to subcontractors, if any, as well as satisfaction of the conditions included in Section 3.5 of this Contract.
- 3.5 A monthly payment invoice must be accompanied by written notice from Contractor that the Work is complete. Contractor's obligation to perform and complete the Work in strict accordance with the Contract Documents shall be absolute. The Town may refuse payment if (a) the Work is defective or requires correction, (b) it becomes necessary for the Town to correct defective Work, or (c) liens, claims, or other items have been asserted against the Town in connection with Contractor's performance of the Work entitling the Town to a set-off the amount due. No payment will be made for Work performed by Contractor to replace defective work, for work which is not shown or ordered in the Contract Documents, or additional work performed by Contractor without prior written approval of the Town.

**Section 4: Assignment**
