## DESCRIPTION:

The project consists of excavation, clearing, installation of drainage pipe, installation of drainage inlets and associated grates, associated erosion control measures, swale re-grading, street and driveway restoration, and installation of grass sod. The benefit of the project is to reduce flooding during heavy rainfall events.

## CONTRACTOR:

TBD

## CONSULTANT:

Carnahan Proctor and Cross

## SCHEDULE:

Construction 2026

## Holatee Trail and Luray Road Drainage Project

## LOCATION MAP

## Traffic Impacts:

We understand the construction project is an inconvenience to people living and commuting in and around the area, so we greatly appreciate your patience and understanding as we work to complete construction and restoration as safely and quickly as possible.

Estimated Project Cost: \$200,000

FDOT Grant: \$405,990

Broward County Surtax Grant: \$587,890
