### DESCRIPTION

This project consisted of constructing drainage collection system with underground piping and drainage inlets along SW 54th Place that ultimately ties into the Ivanhoe Canal east of Dykes Road.

### CONTRACTOR

Absolute Construction Services, Inc.

### CONSULTANTS

Craven Thompson and Associates

### SCHEDULE

Construction Completed 2024

### SW 54<sup>th</sup> Place Extension to Ivanhoe Canal Drainage Project

Estimated Project Cost:	\$526,400
FDEP Grant	\$409,422

**Project Benefits:** This project ensures that SW 54th Place and Dykes Road are better protected from storm flooding. Constructing a stormwater conveyance system on SW 54th Place Right of Way to outfall into the Ivanhoe Canal alleviated the flooding on Dykes Road and improved the service of the roadway during storm events.
