**2.16 WAIVER OF LIABILITY**

The Town shall not in any way be answerable or accountable for any violations of applicable laws or for any injury, loss or damage arising from the negligence, acts, or omissions of Contractor or any one of its employees, subcontractors or agents, or anyone else for whose actions Contractor may be responsible.

**2.17 INDEMNIFICATION**

To the fullest extent permitted by Florida law, including Florida Statutes, Section 725.06, the Contractor hereby agrees to and shall indemnify, defend and hold harmless the Town, its officers and employees, from liabilities, damages, losses, costs, and expenses including, but not limited to, reasonable attorney fees (at both the trial and appellate levels), to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Contractor and persons employed or utilized by the Contractor in the performance of the Contract or anyone else for whose actions Contractor may be responsible, regardless of the partial fault of any party indemnified hereunder.

**2.18 SECONDARY/OTHER VENDORS**

The Town reserves the right in the event the primary vendor cannot provide an item(s) or service(s) in a timely manner as requested, to seek other sources without violating the intent of this IFB or any Contract awarded.

## **2.22 REMEDIES FOR BREACH**

Should the selected Contractor fail to perform after Contract execution, the Town shall notify Contractor in writing of such failure to perform, and Contractor shall have fourteen (14) days to cure such failure, or such time as set forth in the Contract. If Contractor fails to cure, then the Town shall have the right to immediately terminate the Contract for cause. In that event, the Town shall also be free to sue Contractor for damages, in addition to any other right or remedy that it may have under the Contract, at law or in equity. Nothing herein shall be construed as precluding the Town's right to terminate the Contract for convenience, as set forth in the Contract.

## **2.23 PUBLIC RECORDS LAW**

The Town is subject to Chapter 119, Florida Statutes, "Public Records Law." No claim of confidentiality or proprietary information in all or any portion of a bid will be honored unless a specific exemption from the Public Law exists and is cited in the response. An incorrectly claimed exemption does not disqualify the firm, only the exemption claimed. Contractor acknowledges the public shall have access at all reasonable times, to all documents and information pertaining to Town's contracts, subject to the provisions of Chapter 119, Florida Statutes, and agrees to allow access by the Town and the public to all documents subject to disclosures under applicable law.

In accordance with Florida Statutes, 119.071(1)(b)(2) Sealed bids, proposals, or replies received by an agency pursuant to a competitive solicitation are exempt from public disclosure until such time as the agency provides notice of an intended decision or until 30 days after opening the bids, proposals, or final replies, whichever is earlier.

To the extent that Contractor has been provided access to or has received security sensitive information, as defined by Florida Statutes, Section 119.071 and/or has executed a Confidential Information Acknowledgement and Agreement as part of the IFB process, Contractor shall keep and maintain the security sensitive information as confidential and exempt from public disclosures as required by Florida Statutes.

Contractor agrees to keep and maintain public records required by the Town to perform the service in Contractor's possession or control in connection with Contractor's performance under this IFB and any Contract awarded, and upon the request from the Town's custodian of public records, to provide the Town with a copy of the requested records or allow the records to be inspected or copied within a reasonable amount of time at a cost that does not exceed the cost provided in Chapter 119 or as otherwise provided by law. Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed

except as authorized by law for the duration of the contract term and following completion of the Contract if the Contractor does not transfer the records to the Town.

Upon completion of the Contract, Contractor agrees, at no cost to Town, to transfer to the Town all public records in the Contractor's possession or keep and maintain public records required by the Town to perform the service. If the Contractor transfers all public records to the Town upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Town, upon request from the Town's custodian of public records, in a format that is compatible with the information technology system of the Town.

Contractor's failure or refusal to comply with the provisions of this section shall result in the immediate termination for cause of the Contract by Town.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT PHONE: (954) 434 0008; EMAIL: DRUESGA@SOUTHWESTRANCHES.ORG; DEBRA RUESGA, TOWN CLERK, TOWN OF SOUTHWEST RANCHES, 13400 GRIFFIN ROAD, SOUTHWEST RANCHES, FLORIDA, 33330.

Contractor shall comply with the requirements of 2 CFR §200.321 as applicable to this IFB. Contractor's failure or refusal to comply with the provisions of this section shall result in the immediate termination for cause of the Contract by Town.

2.24.2 Authorization to Sign. Contractor shall be required to furnish a certified copy of all licenses, certificates of competency or other licensure requirements necessary to practice his profession as required by Florida Statutes, Florida Building Code, Broward County, or Town of Southwest Ranches Code. These documents shall be furnished to the Town along with the Bid response. Failure to furnish these documents or to have required licensure will be grounds for rejecting the Bid as non-responsive or otherwise.

The Bid shall include Certificate(s) of Insurance or written proof of the ability to provide the required insurance by an insurance company authorized to do business in the State of Florida or otherwise secured in a manner satisfactory to the Town in an amount equal to 100% of the requirements.

## **2.26 INSURANCE REQUIREMENTS**

It shall be the responsibility of the selected bidder to provide certified copies of all insurance policies specified in the Agreement (Exhibit "A"). The selected bidder shall, on a primary basis and at its sole expense, maintain in full force and effect, at all times during the term of the Agreement, insurance coverages and limits, including endorsements, as described in the Agreement (See Exhibit "A"). Failure to maintain the required insurance shall be considered a material default of the Agreement. The requirements contained therein, as well as the Town's review or acceptance of insurance maintained by the selected bidder, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the selected bidder under the Agreement.

## **2.27 ADDITIONAL INSURANCE REQUIREMENTS**

All insurance policies shall name and endorse the following as additional named insureds:

Bidders are required to submit a list of claims presently outstanding and claims within the past ten (10) years against their liability coverage. This information must be listed on the form provided below and signed by the agent of the insurance carrier. If no outstanding claims exist, a statement of this fact must be signed by the agent of the insurance carrier.

Failure to fully and satisfactorily comply with the Town's insurance requirements set forth herein will authorize the Town Administrator to implement a rescission or cancellation of the Contract award within thirty (30) days of awarding. The bidder hereby holds the Town harmless and agrees to indemnify Town and covenants not to file a bid protest or sue the Town by virtue of such cancellation or rescission.

## **2.28 SECURITY AND BONDING REQUIREMENTS**

2.28.1 Bid Security. Simultaneous with the delivery of an executed Bid to the Town, Bidders shall furnish a Bid Security in an amount equal to five percent (5%) of the total gross amount of the bid. The Bid Security shall be issued in the form of a bond issued by a Surety authorized to transact business in the State of Florida, having an agent in the State of Florida, or in the form of an irrevocable letter of credit. Bonds shall be submitted on the forms provided herein by the Town. Failure to supply Bid Security with the Bid at the time of Bid opening shall automatically disqualify the Bidder as non-responsive. Original Bid bond in sealed clearly marked envelope must be delivered to the Contact Person (See Section 1.7) before Bid Opening timetable date (See Section 1.5).

2.28.2 Performance and Payment Bonds. Within ten (10) days after being notified of the award, Contractor shall furnish a Performance Bond and a Payment Bond containing all the provisions of the Performance Bond and Payment Bond. Each Bond shall be in the amount of one hundred percent (100%) of the Contract Price guaranteeing to Town the completion and performance of the Work covered in such Contract as well as full payment of all suppliers, laborers, and Subcontractors employed pursuant to this Project. Each Bond shall be with a surety company that is qualified pursuant to Section 2.28.5.

Simultaneous with the delivery of the executed contract form, the Contractor shall furnish to the Town executed Performance and Payment Bonds each in the amount equal to one hundred percent (100%) of the Contract value, as security for the faithful and timely performance of the Work under the Contract and for the payment of all persons furnishing labor, materials, services, and/or equipment in connection with the Work. The condition of this obligation is such that, if the Contractor shall promptly and faithfully perform said contract, make payments to all claimants (as defined by section 713.01, Florida Statutes) for all labor, materials, services, and equipment used directly or indirectly, or reasonably required for use, in the performance of the contract, and shall fully indemnify and save harmless the Town and its agents for all costs and damages it may suffer

by reason of Contractor's failure to do so, then this obligation shall be null and void; otherwise it shall remain in full force and effect. Bonds shall be in a form acceptable to the Town and as prescribed by section 255.05, Florida Statutes.

2.28.3 Qualifications of Surety. Surety companies issuing Performance and Payment Bonds shall fulfill each of the following provisions, and the Bidder shall provide satisfactory evidence to document such fulfillment. For all Bid Bonds, Performance Bonds, and Payment Bonds over \$500,000.00:

- a. Each bond must be executed by a surety company of recognized standing, authorized to do business in the State of Florida as surety, having a resident agent in the State of Florida, and having been in business with a record of successful continuous operation for at least five (5) years.
- b. The surety company shall hold a current Certificate of Authority as acceptable surety on federal bonds in accordance with United States Department of Treasury Circular 570, Current Revisions. If the amount of the Bond exceeds the underwriting limitation set forth in the circular, in order to qualify as a proper surety herein, the net retention of the surety company shall not exceed the underwriting limitation in the circular, and the excess risks must be protected by coinsurance, reinsurance, or other methods in accordance with Treasury Circular 297, Revised (31 C.F.R. §§ 223.10, 223.11). Further, the surety company shall provide the Town with evidence satisfactory to the Town that such excess risk has been protected in an acceptable manner.
- c. A surety company that is rejected by Town may be substituted by the Bidder or proposer with a surety company acceptable to Town, but only if the bid amount does not increase.
- d. All bonds shall be written through surety insurers authorized to do business in the State of Florida as surety, with the following qualifications as to management and financial strength according to the latest (1986 or later) edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey:

- e. For projects that do not exceed \$500,000.00, Town may accept a Bid Bond, Performance Bond, and Payment Bond from a surety company that has twice the minimum surplus and capital required by the Florida Office of Insurance Regulation at the time the solicitation is issued, if the surety company is otherwise in compliance with the provisions of the Florida Insurance Code, and if the surety company holds a currently valid Certificate of Authority issued by the United States Department of the Treasury under Sections 9304 to 9308 of Title 31 of the United States Code. The Certificate and Affidavit so certifying should be submitted with the Bid Bond, Performance Bond, and Payment Bond.
- f. More stringent requirements of any grantor agency may be set forth within the Supplemental Conditions. If there are no more stringent requirements, the provisions of this article shall apply.

2.28.4 Duration of Bonds. The Performance Bond shall guarantee all work and materials furnished under the Contract including losses resulting from defects in the materials or improper performance of Work under the Contract that may appear or be discovered during performance of the Work or during any applicable warranty period after completion of all Work, and for latent defects, during the time periods set forth in section 95.11(3)(c), Florida Statutes. The Payment Bond shall stay in effect until the time required by section 255.05, Florida Statutes, for the making of claims under such Bond, or when all claimants submitting valid claims have been paid, whichever is later.

Each Bond shall continue in effect for one (1) year after Final Completion and acceptance of the Work with liability equal to one hundred percent (100%) of the Contract Price, or an additional bond provided to ensure that Contractor will, upon notification by Town, correct any defective or faulty work or materials that appear within one (1) year after Final Completion of this Contract.

2.28.5 Non-compliance. An awarded Bidder's failure to timely deliver an executed Contract, and any Performance Bond, Payment Bond, and Insurance Certificates required by the terms of this Invitation for Bids, all in forms acceptable to the Town, shall result in the cancellation of any Contract and the Bidder's forfeiture of any and all bid securities.

2.28.6 Record Bonds. Pursuant to the requirements of Section 255.05, Florida Statutes, Contractor shall ensure that the bond(s) referenced above shall be recorded in the Official Records of Broward County and provide the Town with evidence of such recording.

2.28.7 Alternate Forms of Security. In lieu of a Performance Bond and a Payment Bond, Contractor may furnish alternate forms of security in the form of cash, money order, certified check, cashier's check, or unconditional letter of credit. Such alternate forms of security shall be subject to the approval of Town and for same purpose; and shall be subject to the same conditions as those applicable above and shall be held by the Town for one (1) year after completion and acceptance of the Work.

Any increase or decrease in the Contract Price or adjustment in the Contract Time shall be based on written notice, by the Contractor to the Town, notifying of the occurrence giving rise to damages. Within fourteen (14) days thereafter, Contractor shall supply notice of the amount of the claim, including supporting data for direct, indirect, and consequential damages resulting from the occurrence. All claims for adjustment in the Contract Price or Contract Time shall be determined by the Town. Contractor shall not be entitled to an increase in the Contract Price or payment or compensation of any kind from the Town for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising from delay, disruption, interference or hindrance from any cause whatsoever, whether such delay, disruption, interference or hindrance be reasonable or unreasonable, foreseeable or unforeseeable, or avoidable or unavoidable.

TOWN OF SOUTHWEST RANCHES, FLORIDA

Contractor shall be entitled only to extensions of the Contract Time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above; provided, however, that this provision shall not preclude recovery of damages by Contractor for actual delays due solely to fraud, bad faith, or active interference on the part of Town.

**5.18 EXCUSABLE DELAY; COMPENSABLE; NON-COMPENSABLE**

5.18.1 Excusable Delay. Delay that extends the completion of the Work and that is caused by circumstances beyond the control of Contractor, or its Subcontractors, suppliers, or vendors are Excusable Delay. Contractor is entitled to a time extension of the Contract Time for each day the Work is delayed due to Excusable Delay. Contractor shall document its claim for any time extension as provided in Section 5.18 hereof. Failure of Contractor to comply with Section 5.18 hereof as to any particular event of delay shall be deemed conclusively to constitute a waiver, abandonment, or relinquishment of any and all claims resulting from that particular event of delay. Excusable Delay may be compensable or non-compensable, as provided below.

- a. A Compensable Excusable Delay. Excusable Delay is compensable when (i) the delay extends the Contract Time; (ii) is caused by circumstances beyond the control of Contractor or its Subcontractors, suppliers or vendor; and (iii) is caused solely by fraud, bad faith or active interference on the part of Town or its agents. In no event shall Contractor be compensated for interim delays that do not extend the Contract Time. Contractor shall be entitled to direct and indirect costs for Compensable Excusable Delay. Direct costs recoverable by Contractor shall be limited to the actual additional costs allowed pursuant to Section 5.15 hereof.

Town and Contractor recognize and agree that the amount of Contractor's precise actual indirect costs for delay in the performance and completion of the Work is impossible to determine as of the date of execution of this Contract, and that proof of the precise amount will be difficult. Therefore, indirect costs recoverable by Contractor shall be liquidated on a daily basis for each day the Contract Time is delayed due to a Compensable Excusable Delay. These liquidated indirect costs shall be paid to compensate Contractor for all indirect costs caused by a Compensable Excusable Delay, and shall include, but not be limited to, lost profits, all profit on indirect costs, home office overhead, acceleration, loss of earnings, loss of productivity, loss of bonding capacity, loss of opportunity and all other indirect costs incurred by Contractor. The amount of liquidated indirect costs recoverable shall be two hundred Dollars (\$200.00) per day for each day this Contract is delayed due to a Compensable Excusable Delay.

- b. Non-Compensable Excusable Delay. When Excusable Delay is (i) caused by circumstances beyond the control of Contractor, its Subcontractors, suppliers and vendors; (ii) is caused by circumstances beyond the control of Town; or (iii) is caused jointly or concurrently by Contractor or its Subcontractors, suppliers or

vendors and by Town, then Contractor shall be entitled only to a time extension and no further compensation for the delay.

**5.19 WARRANTY AND GUARANTEE; CORRECTION, REMOVAL OR ACCEPTANCE OF DEFECTIVE WORK**

In addition to any manufacturer's warranties, Contractor warrants and guarantees that all work will be in strict accordance with the Contract Documents and will be free from defects. Any and all defective Work may be rejected, corrected, or accepted, as provided below.

5.19.1 Owner May Stop the Work. If Work is defective, the Town may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated. However, the Town's right to stop Work shall not give rise to any duty on the part of Town to exercise this right for the benefit of Contractor or any other party.

5.19.2 Correction or Removal of Defective Work. If required by Town, Contractor shall promptly and at its sole expense, either correct or remove all defective Work and replace it with non-defective Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal.

5.19.3 One Year Correction Period. In the event any work is found to be defective within one year of Final Completion, Contractor shall promptly, without cost to Town and in accordance with Town's written instructions, either correct such defective Work, or remove it and replace it with non-defective Work. If Contractor does not promptly comply with the terms of such instructions, or in an emergency where delay would cause serious risk of loss or damage, Town may have the defective Work corrected or removed and replaced, and all direct, indirect and consequential costs of such removal and replacement will be promptly paid by Contractor. Nothing in this IFB or the Contract shall be construed as a limitation on any right or remedy for breach of the Contract or defects in the Work. All rights set forth herein and, in the Contract, shall be deemed cumulative and in addition to any rights or remedies which may be afforded by Florida law.

5.19.4 Acceptance of Defective Work. Instead of requiring correction or removal and replacement of defective Work, the Town may accept the defective work. Contractor shall bear all direct, indirect, and consequential costs attributable to Town's evaluation of and determination to accept such defective Work. If such acceptance occurs prior to final payment, a Change Order will be issued incorporating the necessary revisions in the Contract Documents and Town shall be entitled to an appropriate decrease in Contract Price. If the parties are unable to agree as to the amount thereof, Town may make a claim as provided in, Item H "Change in the Contract Price or Contract Time". If the acceptance occurs after final payment, an appropriate amount, consistent with the above will be promptly paid by the Contractor to the Town.

5.19.5 Town may Correct Defective Work. If the Town issues notice, requiring correction of defective work and Contractor fails to do so within seven (7) days of notice, the Town may take

BUILDING

all action necessary to correct the defect. In exercising the rights and remedies under this paragraph Town shall proceed expeditiously.

To the extent necessary to complete remedial action, Town may exclude Contractor from all or part of the site, take possession of all or part of the Work, suspend Contractor's services related thereto, and take possession of Contractor's tools, appliances, construction equipment, and machinery at the site. Contractor shall allow Town and its representatives, agents and employees access to Contractor's tools, appliances, construction equipment and machinery as required to correct defective work. All direct, indirect, and consequential costs of the Town in exercising such rights and remedies will be charged against Contractor in a Change Order and Town shall be entitled to an appropriate decrease in the Contract Price. If the parties are unable to agree as to the amount of the decrease or amount due the Town, Town may make claim therefor as provided in section, 5.5 – "Change in the Contract Price or Contract Time" against Contractor and its surety without prejudice to any other right or remedies available. Any resulting direct, indirect, and consequential damages shall be recoverable from Contractor and its surety.

5.19.6 Waiver of Florida Statute 558. The Contractor and the Town understand and agree that chapter 558, Florida Statutes, shall not apply to the Contract or claims, if any, by the Town arising out of the IFB or the resulting Contract. The Contractor and the Town further hereby agree to "opt out" of the procedures set forth at chapter 558, Florida Statutes.

## **5.20 SUSPENSION OF WORK AND TERMINATION**

The Town may, at any time and without cause, suspend Work or any portion thereof for a period of not more than ninety (90) days by notice in writing to Contractor. Contractor shall resume work on a date so determined by the Town. Contractor shall not be allowed an increase in the Contract Price for any such suspension lasting not more than ninety (90) days. If, through no fault of Contractor, the Work is suspended for a period of more than ninety (90) days, then Contractor may, upon seven (7) days' written notice to the Town, terminate the Contract and recover from the Town payment for all Work properly executed up to the date of the notice, including reasonable overhead and profit, except as otherwise limited by this IFB or the Contract;. Provided however, that in no event shall Town be liable for consequential damages, including but not limited to, lost profits on Work not yet performed. The Town may terminate all Work if Contractor violates any provisions of the Contract Documents. In such case, the Town may, after giving Contractor written notice pursuant to the Contract, terminate the services of the Contractor, exclude Contractor from the site, take possession of the Work including Contractor's tools, appliances, construction equipment and machinery, and finish the Work as the Town may deems appropriate under the circumstances. In such case, Contractor shall not be entitled to receive any further payment until the Work is finished. If cost of completing the Work exceeds the unpaid balance, Contractor shall promptly pay the difference to the Town. When exercising any rights or remedies under this paragraph the Town shall not be required to obtain the lowest price for the Work performed, nor obtain competitive bids for the Work except as may otherwise be required by Florida law.

TOWN OF SOUTHWEST RANCHES, FLORIDA

Where Contractor's services have been terminated by the Town, the termination will not affect any rights or remedies of the Town against Contractor or any surety then existing, or which may thereafter accrue. Any payment of monies due Contractor by the Town will not release the Contractor from liability for unfinished or defective Work and such payment shall not be evidence of acceptance of any defective Work.

Upon written notice to Contractor, the Town may, without cause and without prejudice to any other right or remedy, elect to abandon the Work and terminate the Contract at the Town's convenience. In such case, Contractor shall be paid for all Work executed and any direct and reasonable expense sustained up to the date of receipt of the written notice. In no event shall Town be liable for consequential damages, including but not limited to, lost profits on Work not yet performed.

## **5.21 PAYMENT**

The payment to Contractor is for all materials, labor, services, equipment and all else necessary to construct and fully complete the Work. The Work includes all accessories, appurtenances or other work required for completion of the Contract.

Contractor shall render all Work to the Town at the quoted price stipulated in the Bid and Bid Schedule and Town shall pay Contractor for the satisfactory and timely completion of the Work in strict accordance with the Contract Documents at said prices stipulated in Bid Schedule.

In no event shall Town be liable for any cost increases or price escalations associated with labor, services, materials, equipment, or any other charges that may arise during the performance of the Work, regardless of any delays in the Work, whether occasioned by Town or Contractor, or both. In the event the cost of the Work exceeds the amounts set forth and included in the Contract Price, Contractor shall pay such excess from its own funds and Town shall not be required to pay any part of such excess. The only exception shall be adjustments to the Contract Price pursuant to any written Change Order or Construction Change Directive executed by Town and Contractor in accordance with the terms and conditions of this IFB and the Contract.

Town and Contractor agree that payment under the Contract will be subject to (a) the delivery of an appropriate invoice or payment application by Contractor to Town, and (b) verification by Town that the Work is acceptable and has been performed in strict accordance with the Contract. Upon verification by Town that the invoiced Work has been satisfactorily performed in strict accordance with the Contract, Town shall have thirty (30) days thereafter to pay the invoice, or such undisputed portion as Town shall determine in its sole discretion.

The Town shall pay the Contract Price to the Contractor in accordance with the procedures set forth in chapter 218.70, Florida Statutes, "Local Government Prompt Payment Act." Progress payments may be submitted by Contractor to the Town for partial completion of the Work, but not more than once monthly, for the period ending at end of the month. Each payment request must be accompanied by all necessary supporting information and documentation. Subject to the

TOWN OF SOUTHWEST RANCHES, FLORIDA

BUILDING  
IFB NO. 26-004

provisions of section 218.735, Florida Statutes, each progress payment shall be reduced by five (5%) percent for retainage. The final retainage will be released after Final Completion of the Project, after Town's receipt of acceptable reports and other Project-close out documentation required by the Contract Documents, including but not limited to certification of Contractor's payment to all lower-tiered subcontractors and suppliers providing labor, materials, or services on the Project, but no earlier than 30 days of the Contractor's last progress payment request.

The Contractor's final payment request must be accompanied by written notice from Contractor that the entire Work has been completed in strict accordance with the Contract Documents. The Town will make a final inspection and notify Contractor in writing of all particulars in which inspection reveals that the Work is incomplete or defective. Provided however, that nothing herein shall waive or release claims for latent defects or the Contractor's obligations to correct defective work set forth herein. Contractor shall immediately take such measures as are necessary to remedy such deficiencies. Contractor's obligation to perform and complete the Work in strict accordance with the Contract Documents shall be absolute. The Town may refuse payment if (a) the Work is defective or completed Work has been damaged requiring correction or replacement, (b) the Town has been required to correct defective Work or complete Work in accordance with Section 5.20, or (c) because claims have been made against the Town on account of Contractor's performance of the Work or liens or claims have been filed in connection with the Work, or other items entitling the Town to set-off against the amount due. No payment will be made for Work performed by the Contractor to replace defective work and for work which is not shown or ordered, and which is outside the limits shown or ordered, or additional work performed by Contractor without prior written approval of Town. Nothing herein shall be construed as authorizing or consenting to waive sovereign immunity or permitting liens to be asserted against the Town's property.

## **5.22 ACCEPTANCE AND FINAL PAYMENT**

**5.22.1 Final Inspection.** Upon receipt of written notice from Contractor that the Work is ready for final inspection and acceptance, Town shall conduct an inspection within ten (10) days. If Contract Administrator find that the Work is acceptable; that the requisite documents have been submitted; that the requirements of the Contract Documents are fully satisfied; and that all conditions of the permits and regulatory agencies have been met, a Final Certificate of Payment shall be issued by Town, under its signature, stating that the requirements of the Contract Documents have been performed and that the Work is ready for acceptance under the terms and conditions of the Contract Documents.

**5.22.2 Final Certificate for Payment.** Before issuance of the Final Certificate for Payment, Contractor shall deliver to Town the following Final Payment Package: a complete release of all claims arising out of this Contract, or receipts in full in lieu thereof; an affidavit certifying that all suppliers and Subcontractors have been paid in full and that all other indebtedness and financial obligations connected with the Work have been paid, or, in the alternative, a consent of the Surety to final payment on Contractor's behalf; the final corrected as-built Drawings; and the final bill of Materials, if required, and the final Application for Payment. This Final payment package must include the certification document titled Final List of Non-Certified Subcontractors and Suppliers,

IFB NO. 26-004

which must be signed and notarized by Contractor. A list of all noncertified Subcontractors and suppliers used must be attached to this certified document.

5.22.3 Delay of Final Completion. If, after Substantial Completion, Final Completion is materially delayed through no fault of Contractor, and Consultant so certifies, Town shall, upon certification of Town, and without terminating this Contract, make payment of the balance due for any portion of the Work fully completed and accepted. Such payment shall be made under the terms and conditions governing final payment, but it shall not constitute a waiver of claims.

5.23.4 Final Payment. Final payment shall be made only after the Public Works Director or assignee, as applicable, has reviewed a written evaluation of the performance of Contractor and has approved the final payment. The acceptance of final payment shall constitute a waiver of all claims by Contractor, except those previously made in strict accordance with the provisions of the General Conditions and identified by Contractor as unsettled at the time of the application for final payment.

### **5.23 PURCHASING CARD (PCARD) ACCEPTANCE**

The method of payment (check/credit card) is at the Town's sole option. The Town may choose to compensate vendors for goods and/or services via a Town Purchasing Card (PCARD). No other costs or services shall be billed to the Town, and without limiting the generality of the foregoing, vendor shall not impose any service charge or fee, penalty, or other exaction of any kind against payments rendered by the PCARD. Payments made by PCARD shall be accepted on a "same as cash" basis.

### **5.24 PHYSICAL CONDITIONS**

The Town shall furnish the lands upon which the Work is to be performed, including all applicable rights-of-way and easements. Contractor shall have full responsibility with respect to physical conditions in or relating to existing surface and subsurface structures. By submitting its Bid, Contractor represents that it has visited the Site and/or otherwise become generally familiar with such conditions, including any local conditions affecting the Work, and has accounted for same within its Bid.

If during the course of the Work Contractor encounters (1) subsurface or concealed conditions at the Project site that differ materially from those shown in the Contract Documents and from those ordinarily encountered and generally recognized as inherent in work of the character called for in this Contract; or (2) unknown physical conditions of the Project site, of an unusual nature, which differ materially from that ordinarily encountered and generally recognized as inherent in work of the character called for in this Contract, then Contractor, without disturbing the conditions and before performing any Work affected by such conditions, shall, within twenty-four (24) hours of their discovery, notify Contract Administrator in writing of the existence of the aforesaid conditions. Contract Administrator shall, within two (2) business days after receipt of Contractor's written notice, investigate the site conditions identified by Contractor. If, in the sole opinion of Contract Administrator, the conditions do materially so differ and cause an increase or decrease in

Contractor's cost of, or the time required for, the performance of any part of the Work, whether or not charged as a result of the conditions, Contract Administrator may recommend an equitable adjustment to the Contract Price, or the Contract Time, or both. If Contract Administrator and Contractor cannot agree on an adjustment in the Contract Price or Contract Time, the adjustment shall be referred to Town Administrator for determination in accordance with this provision. No request by Contractor for an equitable adjustment to this Contract under this provision shall be allowed unless Contractor has given written notice to Contract Administrator in strict accordance with the provisions of this article. **No request for an equitable adjustment or change to the Contract Price or Contract Time for differing site conditions shall be allowed if made after the date certified by Contract Administrator as the date of Substantial Completion.**

Contractor shall, promptly after becoming aware and before performing any Work, notify the Town of any differing site conditions or conflicts at the site. The Town will review the pertinent conditions with respect to any deletions or revisions in the Work and any potential modifications to the terms and conditions as outlined in Section 5.16 – "Changes in the Work".

Contractor shall have full responsibility for reviewing and checking all information and data, for locating all Underground Facilities, for coordination of the Work with the owners of such Underground Facilities during construction, for the safety and protection thereof as provided in chapter 556, Florida Statutes, and repairing any damage thereto resulting from the Work, the cost of all of which will be considered as having been included in the Contract Price.

## **5.25 CONTRACTOR'S RESPONSIBILITIES**

Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with the Contract Documents. Contractor shall be solely responsible for the means, methods, techniques, sequences, procedures, and safety precautions necessary for construction. Contractor shall also be responsible to see that the finished Work strictly complies with the Contract Documents.

Contractor must strictly and promptly follow Town's instructions in every case. Contractor shall keep on the Project a full-time, competent, English-speaking superintendent. The superintendent shall not be changed except with the written consent of Town, unless the superintendent proves to be unsatisfactory to Contractor and ceases to be in its employ. The superintendent shall represent Contractor; all instructions given to the superintendent shall be as binding as if given to Contractor. Contractor shall provide efficient supervision of the Work, using its best skill and attention. The

The President/Chief Operating Officer of the contracting firm must be available to attend meetings with the Town and/or its designee within 24 hours of notification.

Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Work and shall comply with all O.S.H.A. safety requirements while performing the Work. At a minimum, all personnel performing the work subject to this IFB

and Contract awarded will be required to wear safety equipment and clothing appropriate for the work, which may, for example, include Level 2 International Safety Equipment Association (ISEA) approved vests. Any personnel improperly prepared shall be dismissed until proper equipment is secured.

On a daily basis, Contractor's superintendent shall record, at a minimum, the following information in a bound log: the day; date; weather conditions and how any weather condition affected progress of the Work; time of commencement of Work for the day; the Work being performed; materials, labor, personnel, equipment and Subcontractors at the Project site; visitors to the Project site, including representatives of Town, or regulatory representatives; any event that caused or contributed a delay to the critical path of the Project; any special or unusual conditions or occurrences encountered; and the time of termination of Work for the day. All information shall be recorded in the daily log in ink, unless otherwise approved by Town. The daily log shall be kept on or accessible from the Project site and shall be available at all times for inspection and copying by Town.

The Contract Administrator, and Contractor shall meet at least every two (2) weeks (or as otherwise determined by the Contract Administrator) during the course of the Work to review and agree upon the Work performed to date and to establish the controlling items of Work for the next two (2) weeks. Contractor shall publish, keep, and distribute minutes and any comments thereto of each such meeting.

If Contractor, in the course of performing the Work, finds any discrepancy between this Contract and the physical conditions of the locality, or any errors, omissions, or discrepancies in this Contract, it shall be Contractor's duty to immediately inform Town, in writing. Any Work done after such discovery, until authorized, will be done at Contractor's sole risk, without entitlement to reimbursement or compensation.

Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with this Contract. Contractor shall be solely responsible for the means, methods, techniques, sequences, and procedures of construction.

All debris removed from the Town must be legally disposed of according to the Town's Code of Ordinances and in accordance with Local, State and Federal Regulations. Contractor hereby agrees to and shall indemnify, defend, and hold harmless the Town, its officers and employees, from liabilities, damages, losses, costs, and expenses, including, but not limited to, reasonable attorney's fees, at both the trial and appellate levels, to the extent caused by Contractor's improper disposal or site cleanup or failure to comply with any applicable environmental laws.

If the Bidder intends to use sub-contractors to perform any work pursuant to the IFB, these sub-contractors are subject to prior approval by Town. Contractor shall be fully responsible to Town for all acts and omissions of any sub-contractors, suppliers and other persons and organizations performing or furnishing any of the Work under a direct or indirect contract with Contractor just

as Contractor is responsible for Contractor's own acts and omissions. Nothing in the Contract Documents shall create any contractual relationship between Town and any such sub-contractor, supplier or other person or organization, nor shall it create any obligation on the part of the Town to pay or see to payment of any monies due any such sub-contractor, supplier or other person or organization.

All Work shall be done according to local laws and ordinances and shall be performed during regular working hours. During the progress of the Work, Contractor shall keep the Project site and premises free from accumulations of waste materials, rubbish and other debris resulting from the Work. At the completion of the Work, Contractor shall remove all waste materials, rubbish, and debris from and about the premises as well as all tools, construction equipment and machinery, and surplus materials and shall leave the site clean and ready for use by the Town. Contractor shall restore to original condition all property not designated for alteration by the Contract Documents.

Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to other property at the Project site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities and other items not designated for removal, relocation, replacement or improvement in the course of construction.

The Town is exempt from Florida sales tax on direct purchases of tangible property or services. Also, it is the responsibility of the Contractor to procure all necessary permits and licenses the cost of which shall be deemed included in the Bid price.

Also, the Contractor shall provide separate Payment and Performance Bonds for the Project that in all respects comply with (a) the requirements and forms set forth in Florida Statutes, Section 255.05 and (b) the terms of this IFB regarding the amount, duration and recording requirements.

## **5.27 EQUIPMENT**

All equipment shall be maintained in an efficient and safe operating condition while performing Work under the Contract. Equipment shall have all proper safety devices required by law, properly maintained and in use at all times. If equipment does not contain proper safety devices and/or is being operated in an unsafe manner, the Town may direct the Contractor to remove such equipment and/or the operator until the deficiency is corrected; provided however, that nothing in this paragraph shall create a duty by the Town to Contractor or anyone else to exercise this right. The Contractor shall be solely responsible and liable for injury to persons, and/or property damage caused by performance of the Work and operation of the equipment.

THIS IS AN AGREEMENT (“Agreement” or “Contract”) made and entered into on this \_\_\_\_\_ day of \_\_\_\_\_ 2026 by and between the Town of Southwest Ranches, a Municipal Corporation of the State of Florida, (hereinafter referred to as “Town”) and \_\_\_\_\_ (hereinafter referred to as “Contractor”).

**WHEREAS**, the Town desires to \_\_\_\_\_ (“Project”); and

**WHEREAS**, the Town advertised an Invitation for Bids, IFB No. 26-004 on \_\_\_\_\_, 2026 (“IFB”); and

**WHEREAS**, \_\_\_ bids were received by the Town on \_\_\_\_\_, 2026; and

**WHEREAS**, the Town has adopted Resolution No. 2026- \_\_\_\_\_ at a public meeting of the Town Council approving the recommended award and has selected \_\_\_\_\_ for award of the Project.

**NOW THEREFORE**, in consideration of the foregoing promises and the mutual terms and conditions herein, the Town and Contractor hereby agree as follows:

**Section 1: Scope of Services**

- 1.1 Upon execution of this Agreement, the Contractor agrees to perform the duties and responsibilities as defined herein and in the IFB to which this Agreement is EXHIBIT “A” and which is made a part hereof by this reference (“Work”). This Agreement, as well as all Exhibits, the IFB, the Contractor’s Bid, including all forms attached thereto, and all addenda, specifications, drawings, and plans, shall be hereinafter collectively referred to as the “Contract Documents” and incorporated herein by reference. To the extent of any conflict among the Contract Documents, the more stringent criteria relative to the Contractor’s performance of the Work shall govern over the less stringent criteria.

IFB NO. 26-004

- 1.2 All Work rendered pursuant to this Agreement by Contractor shall be performed in accordance with the applicable standard of care for persons or entities performing similar work in Broward County, Florida. Contractor shall perform the Work in strict accordance with the requirements of this Agreement, all of the Contract Documents, good construction practices for this type of Work performed in Broward County, Florida and all applicable codes, ordinances, rules, laws, and regulations governing the Work, including, but not limited to, the Florida Building Code, along with Broward County Amendments to it.
- 1.3 By submitting its Bid and entering into this Agreement, Contractor represents that it has visited the location of the Work and informed itself of the conditions that exist at the site, including conditions of the facilities and difficulties associated with the execution of the Work. The existing site conditions have been accounted for within the Contract Price. Furthermore, all costs for the proper disposal of excess material generated on site in the performance of the Work have likewise been included and accounted for within the Contract Price.
- 1.4 Contractor, in addition to any manufacturer's warranty for materials or equipment, hereby warrants that its work will be free of defects and deficiencies for a period of one year from the Final Completion Date. If any defects or deficiencies arise within the warranty period, the Contractor shall correct the defect or deficiency at no cost to the Town. Nothing herein shall be construed as a waiver, limitation, or release of any right or remedy that the Town may have for breach of this Agreement, which rights are cumulative and in no way limited by the warranty.

**Section 2: Term of this Agreement and Agreement Time**

- 2.1 Town and Contractor agree that Contractor shall perform all Work under this Agreement for  

**“IFB 26-004 TURNKEY DEMO & REPLACEMENT OF STORAGE SHED WITH PRE-ENGINEERED METAL BUILDING”**
- 2.2 Town shall have the ability to terminate this Agreement as provided in “Section 18: Termination.”
- 2.3 Contractor shall not be entitled to any claim for damages against Town on account of hindrance or delays from any cause whatsoever. If, however, Contractor is delayed in the prosecution of the Work occasioned by an act of God, or by act or omission on the part of the Town, or due to changes ordered in the Work by Town which expand the scope and costs of the Work, such act, hindrance, or delay shall only entitle Contractor to receive an extension of time as its sole and exclusive remedy for such hindrance or delay and Contractor waives any and all other claims against Town.
- 2.4 Contractor shall be instructed to commence the Work by written instruction in the form of a Purchase Order issued by the Finance Department. The Notice to Proceed and Purchase Order will not be issued until Contractor's submission to Town of all required documents and after execution of this Contract by both Parties. Preliminary work, including

submission of a project schedule, schedule of values, submittals, submittal schedule, and other documents required for permitting, and performance of work that does not require permits, shall commence within ten (10) days after the date of the Notice to Proceed. Contractor shall have ten (10) days after receipt of signed and sealed contract Drawings from Consultant to apply for construction permits to the applicable permitting authority. Except for the reimbursement of permit application fees as may be provided in the Contract Documents, Contractor shall not be entitled to compensation of any kind.

- 2.5 Time being of the essence, Town and Contractor agree that Contractor shall perform all Work under this Agreement and achieve substantial completion of the Work within **ninety (90) calendar days of the date of the Notice to Proceed**, subject to appropriate extensions of time as provided in this Agreement (“Substantial Completion Date”).

Substantial Completion of the Work at the Project shall be defined as the date upon which the last of all the following events have occurred:

- (i) All necessary approvals have been issued with respect to the Work by the appropriate governmental authorities;
- (ii) Restoration of all utilities to operation that have been affected during performance of the Work;
- (iii) All Work has been completed; and
- (iv) The Town’s engineer/architect of record for the Project, Town of Southwest Ranches, has issued its written acceptance of the Work performed by Contractor and executed and delivered to the Town a Certificate of Substantial Completion.

- 2.6 Upon failure of Contractor to obtain Substantial Completion within the deadline stated in Section 2.5, as extended by any approved time extensions, Contractor shall pay to Town the sum of two hundred Dollars (\$200.00) for each day after the deadline for Substantial Completion, as extended by any approved time extensions, until Substantial Completion is obtained. After Substantial Completion, should Contractor fail to complete the remaining Work within the deadline stated in Section 2.5, as extended by approved time extensions thereof, Contractor shall pay to Town the sum of two hundred Dollars (\$200.00) for each day after the deadline for Final Completion, as extended by any approved extensions, until Final Completion is obtained. These amounts are not penalties but are liquidated damages to Town for its inability to obtain full beneficial occupancy and/or use of the Project. Liquidated damages are hereby fixed and agreed upon between the Parties based on (1) a mutual recognition of the impossibility of precisely ascertaining the amount of damages that will be sustained by Town as a consequence of Contractor’s failure to timely obtain Substantial Completion; and (2) both Parties’ desire to obviate any question of dispute concerning the amount of said damages and the cost and effect of the failure of Contractor to complete this Contract on time. These liquidated damages shall apply separately to each portion of the Project for which a deadline for completion is given.

- 2.7 **Liquidated/Delay Damages** (“LD’s”) – In the event Contractor does not achieve Substantial Completion of the Work as defined in Paragraph 2.5 above, the parties acknowledge that any delay beyond the scheduled Substantial Completion Date may cause grave injury and damage to the Town by virtue of locating, moving to, and paying rent for temporary quarters, loss of use, extension of overhead costs, additional costs of design professionals and otherwise. The liquidated damages shall be paid by Contractor to Town weekly, immediately upon each such failure of Contractor to comply with the scheduled Substantial Completion Date. In the event that the Contractor fails to make timely payments to Town, the Town shall have the right to deduct liquidated damages from monies due or to become due to Contractor.

Final Completion of the Work shall be achieved no later than thirty (30) calendar days from Substantial Completion or within **one hundred twenty (120)** days from the date of issuance of the Notice to Proceed, whichever occurs first. Final Completion Date is defined as the date when all punch list items have been completed as evidenced by the issuance of a written Certification of Final Completion by the Town’s design professional for this Project, and all other conditions precedent to Final Completion as outlined below have been satisfied:

Contractor shall:

- (i) Deliver to the Town all warranties, final certifications, and similar documentation to confirm that all necessary approvals have been issued for the Work by the appropriate governmental authorities;
  - (ii) Complete all Punch List items of Work;
  - (iii) Remove temporary facilities from the site, along with construction tools and similar elements;
  - (iv) Complete final clean-up including repair, replace and restore any items damaged by Contractor as a consequence of performing Work;
  - (v) Deliver to the Town confirmation that all permits have been closed; and
  - (vi) Confirm that the Town’s engineer/architect of record for the Project “TURNKEY DEMO & REPLACEMENT OF STORAGE SHED WITH PRE-ENGINEERED METAL BUILDING” has issued written acceptance of the Work performed and executed and delivered to the Town a Certificate of Final Completion.
- 2.8 Contractor shall reimburse Town, in addition to liquidated damages, for all costs incurred by Consultant in administering the construction of the Project beyond the completion dates specified above, as extended by any approved time extensions. Consultant construction administration costs shall be in the amounts set forth in the contract between Town and Consultant, a copy of which is available upon request of the Contract Administrator. Time is of the essence for all of Contractor's obligations under this Agreement. The Town will be entitled to Liquidated Damages as set forth in the Agreement.

**Section 27: Days**

The term 'days' or 'calendar days' in reference to a period of time shall mean consecutive calendar days, to include Saturday, Sunday, and holidays.

**Section 28: Written Mutual Agreement**

This Agreement is binding upon the parties hereto, their successors and assigns, and replaces and supersedes any and all prior agreements or understanding between the parties hereto whether written or oral which are merged herein.

**Section 29: No Amendment or Waiver**

This Agreement may not be changed, altered, or modified except by an instrument in writing signed by all parties hereto, with the same formality and of equal dignity as the execution of this Agreement prior to the initiation of any Work reflecting such change.

**Section 30: Severability**

In the event any term or provision of this Agreement shall be determined by appropriate judicial authority to be illegal or otherwise invalid, such provision shall be given its nearest legal meaning so as to remain in full force and effect or be deemed severed from the Agreement so as not to affect the validity or enforceability of the remaining provisions of the Agreement. In case any one or more of the provisions of this Agreement shall be determined by appropriate judicial authority to be invalid, illegal, or unenforceable, in any respect, the validity of the remaining provisions of this Agreement shall be in no way affected, prejudiced, or disturbed thereby.

**Section 31: Resolution of Disputes; Florida Statutes, Chapter 558 Not Applicable**

To prevent litigation, it is agreed by the parties hereto that Town Administrator shall solely decide all questions, claims, difficulties and disputes of, whatever nature, which may arise relative to this Agreement, including but not limited to, Contractor's fulfillment of its obligations under this Agreement as to the character, quality, amount and value of any Work done and materials furnished, or proposed, to be done or furnished, under or by reason of, the Agreement. Further, to the extent required or permitted by the agreement between the Town and its design professional for this Project, the design professional shall have access to the Work, the right to conduct testing or inspections, to reject non-conforming work, and to review pay applications. The Town Administrator's decision shall be reduced to writing, and a copy furnished to the Contractor within a reasonable time following submission to the Town of the question, claim, difficulty, or dispute as referenced above. The Town Administrator's decision shall be final and conclusive. Additionally, the parties understand and agree that Florida Statutes, Chapter 558 does not apply to

Any compensation due to Contractor shall be withheld until all documents are received by Town as provided herein.

Contractor shall preserve and make available, at reasonable times for examination and audit by Town, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida Public Records Act (Chapter 119, Florida Statutes), if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after expiration or earlier termination of this Agreement, unless Contractor is notified in writing by Town of the need to extend the retention period. Such retention of such records and documents shall be at Contractor's sole expense. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by Town to be applicable to Contractor's records, Contractor shall comply with all requirements thereof.

However, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by Contractor. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for Town's disallowance and recovery of any payment upon such entry. In addition, Contractor shall respond to the reasonable inquiries of successor Contractors and allow successor Contractors to receive working papers relating to matters of continuing significance. In addition, Contractor shall provide a complete copy of all working papers to the Town, prior to final payment by the Town under this Agreement.

- C. **Independent Contractor.** Contractor is an independent contractor of Town under this Agreement. Services provided by Contractor pursuant to this Agreement shall be subject to the supervision of Contractor. In providing such services, neither Contractor nor its agents shall act as officers, employees, or agents of the Town. Personnel policies, tax responsibilities, social security and health insurance, employee benefits, purchasing policies and other similar administrative procedures applicable to the Work and services rendered under this Agreement shall be exclusively and solely those of Contractor. This Agreement shall not constitute or make Town and Contractor a partnership or joint venture.
- D. **Conflicts.** Neither Contractor nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with Contractor's loyal and conscientious exercise of judgment related to its performance under this Agreement. Contractor agrees that none of its officers or employees shall, during the term of this Agreement, serve as an expert witness against Town in any legal or administrative proceeding in which he or she is not a party, unless compelled by court process. Further, Contractor agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of Town in connection with any such pending or threatened legal or administrative proceeding. The limitations of this section shall not preclude Contractor or any other persons from representing themselves in any action or in any administrative or legal proceeding.

In the event Contractor is permitted to utilize subcontractors to perform any services required by this Agreement, Contractor agrees to prohibit such subcontractors, by written contract, from having any conflicts within the meaning of this Section.

- E. Contingency Fee.** Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For a breach or violation of this provision, Town shall have the right to terminate this Agreement without liability and, at its discretion, to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.
- F. Materiality and Waiver of Breach.** Town and Contractor agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Town's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.
- G. Joint Preparation.** Town and Contractor both acknowledge that they have sought and received whatever competent advice and legal counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein express their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.
- H. Drug-Free Workplace.** Contractor shall maintain a drug-free workplace.
- I. Headings.** Headings are for convenience of reference only and shall not be considered in any interpretation of this Agreement.
- J. Binding Authority.** Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of: 1. All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and 2. All persons (including subvendors/subconsultants/subcontractors) assigned by Contractor to perform work pursuant to the contract with the Town of Southwest Ranches. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the Town of Southwest Ranches; and 3. The Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. Termination of this Contract under this Section is not a breach of contract and may not be considered as such. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of one (1) year after the date of termination.

**M. Discriminatory Vendor List.** Pursuant to Section 287.134(2)(a), Fla.
