Section B This section with the business impact estimate must be completed if the proposed ordinance does not meet any of the exemptions in Section A.

1. A summary of the proposed ordinance which must include a statement of the public purpose (e.g., public health, safety, morals and welfare).

This ordinance establishes a prohibition on smoking and vaping in specific outdoor areas within Town parks in Southwest Ranches. The Town Council finds that tobacco use, secondhand smoke, electronic vapor aerosols, and related waste pose significant public health risks, contribute to environmental litter, and endanger children. Exercising the authority granted under Florida law, the Town designates certain areas—such as playgrounds, playing fields, spectator areas, restrooms, and other nondesignated spaces—as smoke- and vape-free zones. Smoking is permitted only within clearly marked designated areas.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the Town, if any:

- (a) An estimate of direct compliance costs that businesses may reasonably incur.

N/A

- (b) Any new charge or fee on businesses subject to the proposed ordinance, or for which businesses will be financially responsible; and

N/A

- (c) An estimate of the Town's regulatory costs, including an estimate of revenues from any new charges or fees to cover such costs.

An estimate of regulatory costs and potential revenue is difficult to identify at this time. Both the cost and the revenue will be contingent on the number of instances reported and Code violations issued and enforced, if any.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

N/A

4. Additional information/methodology for preparation, if any:
