The Bid price constitutes the total compensation, subject to authorized adjustments, payable to the Contractor for the complete and timely performance of the Work. All duties, responsibilities and obligations assigned to or undertaken by Contractor shall be at his expense without change in the Contract Price or Contract Time.

Quantities shown in the Bid and Proposal Form are approximate only and are subject to either increase or decrease. The quantities indicated are estimates based on the scope of the project. 5.18.1 Change Order. The Contract may be changed only by a Change Order approved by the Town. Any increase or decrease in the Contract Price or adjustment in the Contract Time shall be based on written notice, by the Contractor to the Town, notifying of the occurrence giving rise to damages. Within fourteen (14) days thereafter, Contractor shall supply notice of the amount of the claim, including supporting data for direct, indirect, and consequential damages resulting from the occurrence. All claims for adjustment in the Contract Price or Contract Time shall be determined by the Town. 5.19.1 Owner May Stop the Work. If Work is defective, the Town may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated. However, the Town's right to stop Work shall not give rise to any duty on the part of Town to exercise this right for the benefit of Contractor or any other party.

5.19.2 Correction or Removal of Defective Work. If required by Town, Contractor shall promptly and at its sole expense, either correct or remove all defective Work and replace it with non-defective Work. If Contractor does not promptly comply with the terms of such instructions, or in an emergency where delay would cause serious risk of loss or damage, Town may have the defective Work corrected or removed and replaced, and all direct, indirect and consequential costs of such removal and replacement will be promptly paid by Contractor. Nothing in this IFB or the Contract shall be construed as a limitation on any right or remedy for breach of the Contract or defects in the Work. All rights set forth herein and, in the Contract, shall be deemed cumulative and in addition to any rights or remedies which may be afforded by Florida law.

5.19.4 Acceptance of Defective Work. Instead of requiring correction or removal and replacement of defective Work, the Town may accept the defective work. Contractor shall bear all direct, indirect and consequential costs attributable to Town's evaluation of and determination to accept such defective Work. If such acceptance occurs prior to final payment, a Change Order will be issued incorporating the necessary revisions in the Contract Documents and Town shall be entitled to an appropriate decrease in Contract Price. If the parties are unable to agree as to the amount thereof, Town may make a claim as provided in, Item H "Change in the Contract Price or Contract Time". If the acceptance occurs after final payment, an appropriate amount, consistent with the above will be promptly paid by the Contractor to the Town.

If the parties are unable to agree as to the amount of the decrease or amount due the Town, Town may make claim therefor as provided in section, 5.6 – "Change in the Contract Price or Contract Time" against Contractor and its surety without prejudice to any other right or remedies available. Any resulting direct, indirect and consequential damages shall be recoverable from Contractor and its surety.

If, through no fault of Contractor, the Work is suspended for a period of more than ninety (90) days, then Contractor may, upon seven (7) days' written notice to the Town, terminate the Contract and recover from the Town payment for all Work properly executed up to the date of the notice, including reasonable overhead and profit, except as otherwise limited by this IFB or the Contract;. Provided however, that in no event shall Town be liable for consequential damages, including but not limited to, lost profits on Work not yet performed. The Town may terminate all Work if Contractor violates any provisions of the Contract Documents. In such case, the Town may, after giving Contractor written notice pursuant to the Contract, terminate the services of the Contractor, exclude Contractor from the site, take possession of the Work including Contractor's tools, appliances, construction equipment and machinery, and finish the Work as the Town may deems appropriate under the circumstances. In such case, Contractor shall not be entitled to receive any further payment until the Work is finished. If cost of completing the Work exceeds the unpaid balance, Contractor shall promptly pay the difference to the Town. When exercising any rights or remedies under this paragraph the Town shall not be required to obtain the lowest price for the Work performed, nor obtain competitive bids for the Work except as may otherwise be required by Florida law.

Where Contractor's services have been terminated by the Town, the termination will not affect any rights or remedies of the Town against Contractor or any surety then existing, or which may thereafter accrue. Any payment of monies due Contractor by the Town will not release the

TOWN OF SOUTHWEST RANCHES, FLORIDA  
SW 202 AVE DRAINAGE IMPROVEMENTS  
IFB NO. 21-008

Contractor from liability for unfinished or defective Work and such payment shall not be evidence of acceptance of any defective Work.

Upon written notice to Contractor, the Town may, without cause and without prejudice to any other right or remedy, elect to abandon the Work and terminate the Contract at the Town's convenience. In such case, Contractor shall be paid for all Work executed and any direct and reasonable expense sustained up to the date of receipt of the written notice. In the event the cost of the Work exceeds the amounts set forth and included in the Contract Price, Contractor shall pay such excess from its own funds and Town shall not be required to pay any part of such excess. The only exception shall be adjustments to the Contract Price pursuant to any written Change Order or Construction Change Directive executed by Town and Contractor in accordance with the terms and conditions of this IFB and the Contract.

Provided however, that nothing herein shall waive or release claims for latent defects or the Contractor's obligations to correct defective work set forth herein. Contractor shall immediately take such measures as are necessary to remedy such deficiencies. Contractor's obligation to perform and complete the Work in strict accordance with the Contract Documents shall be absolute. The Town may refuse payment if (a) the Work is defective or completed Work has been damaged requiring correction or replacement, (b) the Town has been required to correct defective Work or complete Work in accordance with Section 5.7.5, or (c) because claims have been made against the Town on account of Contractor's performance of the Work or liens or claims have been filed in connection with the Work, or other items entitling the Town to set-off against the amount due. No payment will be made for Work performed by the Contractor to replace defective work and for work which is not shown or ordered, and which is outside the limits shown or ordered, or additional work performed by Contractor without prior written approval of Town. Nothing herein shall be construed as authorizing or consenting to waive sovereign immunity or permitting liens to be asserted against the Town's property.

#### **5.22 PURCHASING CARD (PCARD) ACCEPTANCE**

The method of payment (check/credit card) is at the Town's sole option. The Town may choose to compensate vendors for goods and/or services via a Town Purchasing Card (PCARD). Nothing herein shall be construed as a waiver, limitation or release of any right or remedy that the Town may have for breach of this Agreement, which rights are cumulative and in no way limited by the warranty.

**Section 2: Term of this Agreement and Agreement Time**

- 2.1 Town and Contractor agree that Contractor shall perform all Work under this Agreement for

**“IFB 21-008 SW 202 AVE DRAINAGE IMPROVEMENTS”**

- 2.2 Town shall have the ability to terminate this Agreement as provided in “Section 18: Termination.”
- 2.3 Contractor shall not be entitled to any claim for damages against Town on account of hindrance or delays from any cause whatsoever. If, however, Contractor is delayed in the prosecution of the Work occasioned by an act of God, or by act or omission on the part of the Town, or due to changes ordered in the Work by Town which expand the scope and costs of the Work, such act, hindrance, or delay shall only entitle Contractor to receive an extension of time as its sole and exclusive remedy for such hindrance or delay and Contractor waives any and all other claims against Town.
- 2.4 Time being of the essence, Town and Contractor agree that Contractor shall perform all Work under this Agreement and achieve substantial completion of the Work within **sixty (60) calendar days of the date of the Notice to Proceed**, subject to appropriate extensions of time as provided in this Agreement (“Substantial Completion Date”).
- 2.4.1 Substantial Completion of the Work at the Project shall be defined as the date upon which the last of all the following events have occurred:
- (i) All necessary approvals have been issued with respect to the Work by the appropriate governmental authorities;
  - (ii) Restoration of all utilities to operation that have been affected during performance of the Work;
  - (iii) All Work has been completed; and
  - (iv) The Town's engineer/architect of record for the Project, Town of Southwest Ranches Drainage Improvements, has issued its written acceptance of the Work performed by Contractor and executed and delivered to the Town a Certificate of Substantial Completion.
- 2.4.2 The parties agree that time is of the essence in execution of the Work delineated within the Agreement and any breach of same shall go to the essence hereof, and Contractor, in

TOWN OF SOUTHWEST RANCHES, FLORIDA  
SW 202 AVE DRAINAGE IMPROVEMENTS  
IFB NO. 21-008

agreeing to substantially complete the Work within the time herein mentioned, has taken into consideration and made allowances for all hindrances and delays incident to its Work.

**Liquidated/Delay Damages** (“LD’s”) – In the event Contractor does not achieve Substantial Completion of the Work as defined in Paragraph 2.4.1 above, in whole or in part due to its own fault, the parties acknowledge that any delay beyond the scheduled Substantial Completion Date may cause grave injury and damage to the Town by virtue of locating, moving to, and paying rent for temporary quarters, loss of use, extension of overhead costs, additional costs of design professionals and otherwise. Accordingly, the calculation of the actual damages to the Town would be uncertain and difficult if not impossible to determine. Consequently, if the Contractor has not achieved **Substantial Completion of the Work within sixty (60) days after the issuance of the Notice to Proceed** and has not obtained written authorization for such delay, the parties agree that liquidated damages and not as a penalty, the Contractor shall pay to the Town an amount equal to **\$200.00**, for each day or portion thereof, that the date of completion is later than the scheduled Substantial Completion Date set forth above. Contractor shall be entitled to an extension of time and relief from liquidated damages to the extent that additional out of scope work is authorized by the Town in accordance with a properly executed Change Order and such work causes the delay in meeting the Substantial Completion Date. The liquidated damages shall be paid by Contractor to Town weekly, immediately upon each such failure of Contractor to comply with the scheduled Substantial Completion Date. In the event that the Contractor fails to make timely payments to Town, the Town shall have the right to deduct any and all such amounts from any amounts due or to become due to Contractor.

All work shall be **substantially complete no later than sixty (60) days** from the issuance of the Notice to Proceed. Final Completion of the project shall be achieved no later than 15 calendar days from Substantial Completion or within **seventy-five (75) days** from the date of issuance of the Notice to Proceed, whichever occurs first. Final Completion Date is defined as the date when all punch list items have been completed as evidenced by the issuance of a written Certification of Final Completion by the Town’s design professional for this Project, and all other conditions precedent to Final Completion as outlined below have been satisfied:

Contractor shall:

- (i) Deliver to the Town all warranties, final certifications and similar documentation to confirm that all necessary approvals have been issued for the Work by the appropriate governmental authorities;
- (ii) Complete all Punch List items of Work;
- (iii) Remove temporary facilities from the site, along with construction tools and similar elements;
- (iv) Complete final clean-up including repair, replace and restore any items damaged by Contractor as a consequence of performing Work;
- (v) Deliver to the Town confirmation that all permits have been closed; and

IFB NO. 21-008

- (vi) Confirm that the Town’s engineer/architect of record for the Project, Town of Southwest Ranches Drainage Improvements, has issued written acceptance of the Work performed and executed and delivered to the Town a Certificate of Final Completion.

Notwithstanding the foregoing, Contractor acknowledges that, among other damages the Town may suffer from Contractor’s delays, the Town may be required to forfeit payment of, or may be required to make reimbursement for, grant monies from the Florida Department of Environmental Protection if the Project is not timely completed. Accordingly, Contractor hereby agrees to indemnify and hold Town harmless from and against any forfeitures or losses of such grant monies resulting from Contractor’s delays. Contractor acknowledges and agrees that Town, at its sole option, may elect to recover from Contractor its actual damages, including the actual loss of such grant monies, in lieu of assessing liquidated damages, where such actual losses exceed the amount of liquidated damages. This Section 2.4.2 shall survive termination of this Agreement pursuant to Sections 18C or 18E herein, or other termination for cause.

**Section 3: Compensation & Method of Payment**

- 3.1 Contractor shall render all Work to the Town under the Agreement for a total, not to exceed, \$ \_\_\_\_\_ Dollars (“Contract Price”).
- 3.2 Town shall not be liable for any cost increases or escalation associated with labor, services, materials, equipment, or any other costs that may arise during the performance of the Work. In the event, the cost of the Work exceeds the amounts defined in Section 3.1, Contractor shall pay such excess from its own funds and Town shall not be liable for any excess. The only exception shall be adjustments to the Contract Price pursuant to written Change Orders, duly executed by Town and Contractor in accordance with the terms and conditions of this Agreement and with the same formality and dignity afforded the original Agreement.
- 3.3 Town and Contractor agree that payment will be subject to (a) the delivery of an invoice by Contractor to the Town once every 30 days, and (b) confirmation by Town, that the Work included in the invoice, has been performed in accordance with this Agreement. Upon verification by Town that the invoiced Work has adequately been performed, Town shall have thirty (30) days thereafter to pay the invoice.
- 3.4 Each invoice must be accompanied by all supporting documentation and other information reasonably requested by Town, including, but not limited to a Partial Release of Lien or Final Release of Lien as appropriate and in compliance with forms set forth in Chapter 713.20, Florida Statutes. Reference herein to Chapter 713, Florida Statutes is for convenience, and shall not be construed as a waiver of sovereign immunity or authority for imposition of liens against public property. Each progress payment shall be reduced by 10% retainage. Subject to other requirements of the Contract Documents, retainage shall be released after final completion of the Work and Town’s receipt of acceptable reports and other documentation including certification of payment to subcontractors, if any, and a Final Release of Lien form set forth in Section 713.20, Florida Statutes, as well as satisfaction of the conditions included in Section 3.5 of this Agreement.

- 3.5 A final payment invoice must be accompanied by written notice from Contractor that the Work is complete. The Town's engineer/architect will make a final inspection and provide a punch list to Contractor of all portions of the work they deem to be incomplete or defective. Contractor shall immediately take such measures as are necessary to complete the punch list and remedy the deficiencies. Contractor's obligation to perform and complete the Work in strict accordance with the Contract Documents shall be absolute. The Town may refuse payment if (a) the Work is defective or damaged requiring correction or replacement, (b) it becomes necessary for the Town to correct defective Work, or (c) liens, claims, or other items have been asserted against the Town in connection with Contractor's performance of the Work entitling the Town to a set-off the amount due. No payment will be made for Work performed by the Contractor to replace defective work, for work which is not shown or ordered in the Contract Documents, or additional work performed by Contractor without prior written approval of Town.

**Section 4: Assignment**

No assignment of this Agreement or the Work hereunder shall be valid without the express written consent of Town, which may be given or withheld, in Town's sole discretion. All Work to be performed pursuant to this Agreement shall be performed by the Contractor, and no Work shall be subcontracted to other parties or firms without the prior written consent and approval of the Town Administrator.

This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

**Section 17: Public Records**

The Town is subject to Chapter 119, Florida Statutes, "Public Records Law." No claim of confidentiality or proprietary information in any portion of a response will be honored unless a specific exemption from the Public Law exists and is cited in the response. Contractor acknowledges the public shall have access at all reasonable times, to all documents and information pertaining to Town's contracts, subject to the provisions of Chapter 119, Florida Statutes, and agrees to allow access by the Town and the public to all documents subject to disclosures under applicable law.

Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Contract if the Contractor does not transfer the records to the Town.

Upon completion of the Contract, Contractor agrees, at no cost to Town, to transfer to the Town all public records in possession of the Contractor or keep and maintain public records required by the Town to perform the service. Contractor acknowledges and agrees that Ten Dollars (\$10.00) of the compensation to be paid by Town, the adequacy of which is hereby acknowledged by Contractor, is given as specific consideration to Contractor for Town's right to terminate this Agreement for Convenience.
