THIS IS AN AGREEMENT (“Agreement” or “Contract”) made and entered into on this 14 day of ~~March~~^{May} 2020 by and between the Town of Southwest Ranches, a Municipal Corporation of the State of Florida, (hereinafter referred to as “Town”) and EDJ Service, LLC (hereinafter referred to as “Contractor”).

WHEREAS, the Town desires to contract for Town-wide Right-of-Way Maintenance Services (“Project”); and

WHEREAS, the Town advertised a Request for Proposals, RFP No. 20-008 on December 13, 2019 (“RFP”); and

WHEREAS, seven (7) Proposals were received by the Town on January 28, 2020; and

WHEREAS, the Town has adopted Resolution No. 2020- 036 at a public meeting of the Town Council approving the recommended award and has selected EDJ Service, LLC for award of the Project.

WHEREAS, Contractor’s Proposal is attached to this Agreement as Exhibit “A-1” and made a part hereof.

NOW THEREFORE, in consideration of the foregoing promises and the mutual terms and conditions herein, the Town and Contractor hereby agree as follows:

Section 1: Scope of Services

- 1.1 Upon execution of this Agreement, the Contractor agrees to perform the duties and responsibilities as defined herein and in the RFP to which this Agreement is EXHIBIT “A” and which is made a part hereof by this reference (“Work”). This Agreement, as well as all Exhibits, the RFP, the Contractor’s Proposal, including all forms attached thereto, and all addenda, specifications, drawings and plans, shall be hereinafter collectively referred to as the “Contract Documents” and incorporated herein by reference. To the extent of any conflict among the Contract Documents, the more stringent criteria relative to the Contractor’s performance of the Work shall govern over the less stringent criteria.
- 1.2 All Work rendered pursuant to this Agreement by Contractor shall be performed in accordance with the applicable standard of care for persons or entities performing similar work in Broward County, Florida. Contractor shall perform the Work in strict accordance with the requirements of this Agreement, all of the Contract Documents, good workman practices for right-of-way maintenance services performed in Broward County, Florida and all applicable codes, ordinances, rules, laws and regulations governing the Work.

The only exception shall be adjustments to the Contract Price pursuant to written Change Orders, duly executed by Town and Contractor in accordance with the terms and conditions of this Agreement and with the same formality and dignity afforded the original Agreement.

3.3 Town and Contractor agree that payment will be subject to (a) the delivery of an invoice by Contractor to the Town once every 30 days, and (b) confirmation by Town that the Work included in the invoice has been performed in accordance with this Agreement. edj Service Inc. is a family owned and operated company based in the Town of Davie (hereinafter "EDJ"). EDJ was started in 1980 and incorporated in 1986. EDJ provides services throughout the Tri-County Area of Miami-Dade, Broward and Palm Beach County. Our Business objectives at the time of start-up was to have a complete Lawn and Landscape Maintenance Company. Our customers' requests were "Dependability and Reliability." We have maintained this motto throughout our 35 years of service.

As a Commercial Lawn and Landscape Maintenance Company, EDJ has provided services for many cities, including but not limited to, the Town of Davie, City of Plantation, City of Parkland and City of Wilton Manors. In addition, EDJ has had the pleasure of working with several condominium associations and strip shopping malls.

Keeping with our business objectives and goals, in 1997, EDJ acquired its own two-acre nursery in the Town of Davie to provide for our customers when needed. In addition, in 2011, EDJ acquired a well-established and accomplished tree service provider. Further establishing EDJ as a complete Lawn and Landscape Maintenance Company.

We currently employ over 45 employees with a wide range of experience from various landscaping services (i.e., installation, irrigation, fertilization, etc.), lawn maintenance, various tree services (i.e., tree trimming, removal, grinding, installation, etc.), pest control and fertilizing. Our employees are fully trained on the newest machines and newest techniques in Lawn and Landscape Maintenance.

Over the last 40 years, our mission has always stayed the same:

"To keep our communities beautiful while providing excellent customer service, reliability, and friendly staff who are dedicated to creating and maintaining our beautiful surroundings and EDJ SERVICE LLC'S REPUTATION."

We hope in the future that we are afforded the opportunity to prove our value as a service provider. Thank you.

EDJ Service LLC Family

Ken Allen: Tree Foreman

- I. 12 Years' experience with edj Tree Service
- II. ISA Certified Arborist
- III. FDOT Certified (MOT Intermediate)

Company Structure:

Rick Blaha, Operations Manager, has been with EDJ for over twenty (20) years. He personally inspects all properties that we maintain and notifies all concerned parties of any problematic areas that need to be addressed. All supervisors keep him informed of any problems they see or encounter while they are on the properties. This line of communication is imperative to keeping every place we maintain to their highest standard. Having been working in the field for many years he has the experience and knowledge to make sure that every project and property we do look its best. If there are issues, we address them as soon as possible.

Our company is structured where our grass cutting crews' only mow grass and we have separate crews that maintain just hedges and beds. And we have a separate tree crew with its supervisor being an ISA Certified Arborist. We have found that by doing this our quality of work is greatly improved and problems are reported immediately before they become major.

Our mission has always been to provide our clientele the best quality workmanship within a safe and professional manner. We will go above and beyond what is asked for by our clients to meet and exceed their expectations.

Town-Wide Right of Way Maintenance Plan RFP NO. 20-008

Prepared by: Rick Blaha

Proposed Management Plan:

Successful development requires careful planning, our staff apply critical thinking, great communication and extensive knowledge to every phase of the project. Our approach with Lawn Maintenance is based on the most current and efficient Industry practices.

Our laborers are provided with on the job training to ensure that they understand the expectations of each customer and knowing how to operate equipment properly.

As the Operations Manager I perform field inspections to ensure that our quality and safety procedures are being implemented and having the experience with city accounts has helped edj Service and myself understand how to best maintain Southwest Ranches right of ways.

Lawn Mowing:

- a) One crew of 2 to 3 employees with
 - 1 Groundsmaster 4000D 11ft finishing mower
 - 1 Groundsmaster 7500D 96" zero turn
 - 1 John Deere 60" zero turn mower

We currently have 2 crews for this task. These crew's main responsibility is to go out and mow all the right of ways and have everything mowed for the finishing crew that will be behind them. We currently have 3 Groundsmaster 4000D's as well as over 25 zero turns in our fleet. edj will also utilize a pull behind blower that will be pulled behind a truck with strobe lights to blow off medians and right of ways.

- b) The finishing crew consist of:
 - 6 to 7 men with a 24ft trailer consisting of
 - 2 to 3 zero turns
 - 1 36" zero turn
 - 1 ride on blower
 - 6 weed eaters
 - 3 edger's
 - 5 backpack blowers, and
 - 2 to 3 hedge trimmers.

We currently have 6 crews for this task. This crew is responsible for weed eating, edging, mowing any areas the mow crew could not get, and blowing off all areas. The finishing crews will also be mowing while doing all the finishing work as well.

Hedges and Beds

- a) 10-man crew consisting of:
 - 7 hedge trimmers
 - 3 pole saws
 - 7 backpacks sprayers and
 - 3 blowers.

The crews' sole responsibility is to maintain hedges and beds, edj has noticed through the years that having a separate crew to maintain the hedges and beds provides a much better result than trying to have the finishing crew do everything. This is not to say the finishing crew does not do hedges, they do those as well when needed

Bushog

The very large areas such as Griffin Rd equestrian trail edj will use their John Deere 5100E tractor pulling a 15ft Schulte batwing bushog.

Edj will be utilizing 1 mow crew and 2 to 3 finishing crews to maintain all the right of ways. Depending on weather and growing conditions we may implore more crews to get the roadways done.

Edj Operations Site

Our nursery located in Davie consist of a fully equipped mechanic shop with two in-house full time Mechanics responsible to perform routine maintenance and all needed repairs, we have spare vehicles and equipment as vehicles come in for routine maintenance or need to have unforeseen maintenance work performed, having our own mechanic shop, onsite fuel tanks and spare vehicles and equipment keeps our business running and on schedule.

3.1 CONTRACT DOCUMENTS

The Contract Documents comprise the entire agreement between the Town and Contractor concerning the Work. RFP NO. 20-008

governmental authority, or to any permits and conditions thereof, shall mean the latest standard specification, manual, code, laws, regulations or permit in effect at the time of executing the Contract, unless otherwise specifically stated.

If during the performance of the Work, Contractor finds a conflict, error or discrepancy in the Contract Documents, Contractor shall immediately report findings to the Town in writing, and shall obtain a written interpretation or clarification from the Town, before proceeding with the Work affected by the findings. Failure to obtain such written interpretation or clarification before proceeding, shall result in a conclusive forfeiture and abandonment of any claim by Contractor for additional compensation and/or time, which could have been avoided by such interpretation or clarification, and Contractor shall bear all costs associated with removal, replacement, correction, repair or restoration of such Work.

3.2 CHANGES IN THE WORK

Without invalidating the Contract and without notice to any surety, the Town may, issue a Change Order or Change Directive. Upon receipt of a Change Order or written Change Directive, Contractor shall promptly proceed with the Work included in the Change Order or Change Directive.

The Town and Contractor shall execute appropriate Change Orders or Change Directives which may include: 1) additions, deletions or revisions to the scope of services; 2) acceptance of, or correction of defective Work included in section 3.4– “Warranty and Guarantee, Correction, Removal or Acceptance of Defective Work”.

If notice of any change affecting the general scope of the Work or the provisions of the Contract Documents is required to be given to a surety, the giving of such notice will be Contractor’s responsibility, and the amount of each applicable Bond may be adjusted accordingly.

3.3 CHANGE IN THE CONTRACT PRICE OR CONTRACT TIME

The Proposal price constitutes the total compensation, subject to authorized adjustments, payable to the Contractor for the complete and timely performance of the Work. All duties, responsibilities and obligations assigned to or undertaken by Contractor shall be at his expense without change in the Contract Price or Contract Time.

Quantities shown in the Proposal and Proposal Form are approximate only and are subject to either increase or decrease. The quantities indicated are estimates based on the scope of the project. Unless authorized by the Town, via Change Order or Change Directive, variation in the estimated quantities shall not be a basis for the Contractor to seek payment beyond the price stipulated in the Proposal, Proposal Form and Contract.

3.3.1 Change Order. The Contract may be changed only by a Change Order approved by the Town. Any increase or decrease in the Contract Price or adjustment in the Contract Time shall be based on written notice, by the Contractor to the Town. All claims for adjustment in the Contract Price or Contract Time shall be determined by the Town. Contractor acknowledges

and agrees that no claim for an adjustment in the Contract Price or Contract Time will be valid or enforceable if not submitted in strict accordance with this paragraph.

The value of any Work covered by a Change Order or of any claim for change in the Contract Price or Contract Time shall be determined by: 1) mutual acceptance of a lump sum or 2) by application of unit prices contained in the Contract Documents to the quantities of the items involved. The Town in its sole discretion, shall decide, whether to issue a written Change Order.

3.3.2 Unit Prices. Where the Contract Documents provide that all or part of the Work is to be Unit Price Work, the Contract Price will be deemed to include all Unit Price Work, in an amount equal to the sum of the established unit price item multiplied by the quantity. The estimated quantities of items are not guaranteed. Each unit price shall be deemed to include Contractor's overhead and profit.

3.4 WARRANTY AND GUARANTEE; CORRECTION, REMOVAL OR ACCEPTANCE OF DEFECTIVE WORK

Contractor warrants and guarantees that all work will be in strict accordance with the Contract Documents and will be free from defects. The quality and acceptance of workmanship will be determined during site inspections by the Town. Any and all defective Work may be rejected, corrected, or accepted, as provided below.

3.4.1 Owner May Stop the Work. If Work is defective, Contractor fails to supply sufficiently skilled workers, suitable materials or equipment, fails to furnish or perform the Work in a manner that will result in Work that strictly conform to the Contract Documents, the Town may order Contractor to Stop the Work, until the cause for such order has been eliminated. However, the Town's right to stop Work shall not give rise to any duty on the part of Town to exercise this right for the benefit of Contractor or any other party.

3.4.2 Correction or Removal of Defective Work. If required by Town, Contractor shall within twenty-four (24) hours and at its sole expense, correct all defective Work. Contractor shall bear all direct, indirect and consequential costs of such correction or removal nor shall Contractor be entitled to any time extension in connection therewith.

3.4.3 Acceptance of Defective Work. If, instead of requiring correction or removal and replacement of defective Work, the Town may accept the defective work. Contractor shall bear all direct, indirect and consequential costs attributable to Town's evaluation of and determination to accept such defective Work. If such acceptance occurs prior to final payment, a Change Order will be issued incorporating the necessary revisions in the Contract Documents and Town shall be entitled to an appropriate decrease in Contract Price. If the parties are unable to agree as to the amount thereof, Town may make a claim as provided in Section 3.3 – "Change in the Contract Price or Contract Time". If the acceptance occurs after final payment, an appropriate amount, consistent with the above will be promptly paid by the Contractor to the Town.

3.4.4 Town May Correct Defective Work. If the Town issues notice, requiring correction of defective work and Contractor fails to do so within twenty-four (24) hours of notice, the Town may take all action necessary to correct the defect. In exercising the rights and

RFP NO. 20-008

remedies under this paragraph Town shall proceed expeditiously. The Town reserves the right to deduct the cost to correct unacceptable workmanship along with \$100 per hour administrative costs from the Contractor's monthly invoice. Unacceptable work shall be deducted from the monthly invoice based on line items in the Proposal Forms.

3.4.5 Contractor's Failure to Perform. Should Contractor fail to perform, Town shall notify Contractor in writing of such failure and Contractor shall have fifteen (15) days thereafter to cure such failure. If Contractor is unable or unwilling to cure such Failure to Perform, then Town shall receive a refund equal to the actual cost of a third party to cure such failure and may immediately terminate any contract award for default. In the event of any litigation arising out of or relating hereto, the prevailing party shall be entitled to an award of its attorney's fees and costs at both the trial and appellate levels.

3.4.6 Termination for Convenience. The Town shall have the right to terminate the contract for convenience upon thirty (30) days written notice. In the event of a Termination for Convenience, the Town shall pay for services provided by the Contractor through the effective date of the termination but shall have no further liability or responsibility to the Contractor. Contractor hereby waives any and all claims for additional compensation and damages, including but not limited loss of anticipated profits on work not performed. In the event a termination for default is later determined by a court of competent jurisdiction to be wrongful or without cause, the termination shall automatically be deemed one for convenience and Contractor's sole compensation shall be in accordance with this section. Nothing herein shall be construed as precluding the Town's right to terminate the Contract for convenience, as set forth in the Contract.

3.5 SUSPENSION OF WORK AND TERMINATION

The Town may terminate all Work if Contractor violates any provisions of the Contract Documents. In such case, the Town may, after giving Contractor written notice pursuant to the Contract terminate the services of the Contractor. In such case, Contractor shall not be entitled to receive any further payment until the Work is finished. If the costs of completing the Work exceeds the unpaid balance, Contractor shall promptly pay the difference to the Town. When exercising any rights or remedies under this paragraph the Town shall not be required to obtain the lowest price for the Work performed, nor obtain competitive Proposals for the Work except as required by Florida law.

Where Contractor's services have been terminated by the Town, the termination will not affect any rights or remedies of the Town against Contractor or any surety then existing, or which may thereafter accrue. Any payment of monies due Contractor by the Town will not release the Contractor from liability for unfinished or defective Work and such payment shall not be evidence of acceptance of any defective Work.

Upon thirty day (30) written notice to Contractor, the Town may, without cause and without prejudice to any other right or remedy, elect to abandon the Work and terminate the Contract at the Town's convenience. In such case, Contractor shall be paid for all Work executed up to the

RFP NO. 20-008

date of receipt of the written notice. In no event shall Town be liable for consequential damages, including but not limited to, lost profits on Work not yet performed.

3.6 PAYMENT

The payment to Contractor is for all materials, labor, services, equipment and all else necessary to fully complete the Work. The Work includes all accessories, appurtenances or other work required for completion of the Contract.

Contractor shall render all Work to the Town at the quoted price stipulated in the Proposal and Proposal Form and Town shall pay Contractor for the satisfactory and timely completion of the Work in strict accordance with the Contract Documents at said prices stipulated in Proposal Form.

In no event shall Town be liable for any cost increases or price escalations associated with labor, services, materials, equipment, or any other charges that may arise during the performance of the Work, regardless of any delays in the Work, whether occasioned by Town or Contractor, or both. In the event the cost of the Work exceeds the amounts set forth and included in the Contract Price, Contractor shall pay such excess from its own funds and Town shall not be required to pay any part of such excess. The only exception shall be adjustments to the Contract Price pursuant to any written Change Order executed by Town and Contractor in accordance with the terms and conditions of this RFP and the Contract.

Town and Contractor agree that payment under the Contract will be subject to (a) the delivery of an appropriate invoice or payment application by Contractor to Town, and (b) verification by Town that the Work is acceptable and has been performed in strict accordance with the Contract. Upon verification by Town that the invoiced Work has been satisfactorily performed in strict accordance with the Contract, Town shall have thirty (30) days thereafter to pay the invoice, or such undisputed portion as Town determines in its sole discretion.

No payment will be made for Work performed by the Contractor to replace defective work and for work which is not shown or ordered, and which is outside the limits shown or ordered, or additional work performed by Contractor without prior written approval of Town. Nothing herein shall be construed as authorizing or consenting to waive sovereign immunity or permitting liens to be asserted against the Town's property.

The Town Administrator may withhold, in whole or in part, payment for Work deemed inadequate or defective which has not been remedied in a manner satisfactory to the Town Administrator. The amount withheld shall not be subject to payment of interest by Town. Payment may be withheld for Contractor's failure to comply with terms, conditions or requirements of the Agreement.

3.7 METHOD OF PAYMENT

The method of payment (check/credit card) is at the Town's discretion. The Town may choose to compensate vendors for goods and/or services via a Town Purchasing Card ("P-CARD"). Payments made by P-CARD shall be accepted on a "same as cash" basis. No other costs,

including but not limited to, service charge, fee, or penalty shall be billed to the Town, for payments rendered by P-Card.

Proposer shall, promptly after becoming aware and before performing any Work, notify the Town of any differing site conditions or conflicts at the site. The Town will review the pertinent conditions with respect to any deletions or revisions in the Work and any potential modifications to the terms and conditions as outlined in Section 3.2 – “Changes in the Work”.

In the event that during the course of the Work, Contractor encounters subsurface or concealed conditions which differ materially from those shown within the Contract Documents, from those ordinarily encountered, or of an unusual nature, Contractor, without disturbing the conditions and before performing any Work, shall within twenty-four (24) hours of their discovery, notify Contract Manager in writing of the existence of the differing conditions. Contract Manager shall investigate the site conditions identified by Contractor. If, in the sole opinion of Contract Manager, the conditions do materially differ and cause an increase or decrease in Contractor's cost of, or the time required for, the performance of any part of the Work, Contract Manager may recommend an equitable adjustment to the Contractor's compensation hereunder. If Contract Manager and Contractor cannot agree on an adjustment in the compensation, the adjustment shall be referred to the Town Administrator for determination. No request by Contractor for an equitable adjustment to the Agreement under this provision shall be allowed unless Contractor has given written notice to the Contract Manager in strict accordance with the provisions of this Section.

It shall be Proposers responsibility to locate any underground or overhead utility lines or equipment.

In no event, shall Town be liable for consequential damages, including but not limited to, lost profits on Work not yet performed, and no other compensation or damages other than as set forth in this Section shall be paid to or recovered by Contractor in any legal proceeding against Town. Upon being notified of Town's election to terminate, Contractor shall immediately cease performing any further Work or incurring additional expenses. Contractor acknowledges and agrees that Ten Dollars (\$10.00) of the compensation to be paid by Town, the adequacy of which is hereby acknowledged by Contractor, is given as specific consideration to Contractor for Town's right to terminate this Agreement for Convenience.

- C. Termination for Cause.** In the event of a material breach by Contractor, Town shall provide Contractor written notice of its material breach. Contractor shall thereafter have fourteen (14) days from the date of its receipt of such notification to cure such material breach. In the event that Town elects to terminate Contractor for lack of funds as provided for in this Section, and Town's termination for lack of funds is later determined by a court of competent jurisdiction to be improper, or in any other way wrongful or in breach of this Agreement, the termination will be automatically deemed converted to one for Convenience, and Contractor shall solely be paid and Contractor's damages are solely limited to the compensation Contractor would be entitled to pursuant to subparagraph (B) of this Section.
- E. Immediate Termination by Town.** In addition to any other grounds stated herein, Town, in its sole discretion, may terminate this Agreement immediately upon the occurrence of any of the following events:

 3. Contractor's violation or non-compliance with Section 11 of this Agreement;
 4. Contractor's failure to maintain any Insurance required by Section 6 of this Agreement; or
 5. Contractor's violation of Section 19 of this Agreement.

If Contractor's services are terminated, the termination will not affect any rights or remedies of the Town against Contractor then existing or which may thereafter accrue. Any retention or payment of moneys due Contractor by Town will not release Contractor from liability.

Section 30: Severability

In the event any term or provision of this Agreement shall be determined by appropriate judicial authority to be illegal or otherwise invalid, such provision shall be given its nearest legal meaning so as to remain in full force and effect, or be deemed severed from the Agreement so as not to affect the validity or enforceability of the remaining provisions of the Agreement.
