6.0 RELEASE OF FUNDS: Project funds made available by FDOT shall not be released until the following have been satisfied:

(a) The Agency has agreed by resolution to accept future maintenance and other attendant costs occurring after completion of the Project for the portion of the Project on the Agency's system and such resolution is attached and incorporated in this Agreement as **Exhibit "C"**;

(b) The Agency shall certify to FDOT that the Agency's design consultant and/or construction contractor has secured the necessary permits. If the Agency fails to provide such certification to FDOT by June 30, 2015, FDOT may, at its discretion, terminate this Agreement;

(c) The Agency shall invoice FDOT quarterly or as noted in **Exhibit "A"** for actual costs incurred. The Agency shall review and approve all invoices, statements, or other related documents duly submitted to the Agency by the Agency's design consultant or construction contractor. Invoices shall be submitted by the Agency to FDOT in detail sufficient for a proper pre-audit and post audit thereof, based on the quantifiable, measurable, and verifiable units of deliverables as established in Paragraph 4.0 above and

Exhibit “A”. Deliverables must be received and accepted in writing by the pre-audit and approval by the Agency;

(d) Supporting documentation must establish that the deliverables were received and accepted in writing by the Agency and that the required minimum level of service to be performed based on the criteria for evaluating successful completion as specified in Paragraph 4.0 and **Exhibit “A”** has been met;

(e) FDOT will pay the Agency, after receipt of a detailed invoice, an amount equal to the invoice received by the Agency from the Agency’s consultant or contractor. The Agency must certify on the invoice that the costs from the consultant or contractor are valid, reasonable, necessary, and allowable and the costs have been incurred by the consultant or contractor prior to the date of the invoices. All invoices submitted to the Department must provide complete documentation, including a copy of the consultant’s or contractor’s invoice(s), to substantiate the cost on the invoice. Each invoice subsequent to the first invoice from the Agency must contain a statement from the Agency that the previous costs incurred by the consultant or contractor have been paid by the Agency to the consultant or contractor;

(f) Before using its own forces for any phase of the Project, the Agency shall provide FDOT with the opportunity to review and approve the qualifications of the Agency forces to be utilized. In the event the Agency proceeds with any phase of the Project utilizing its own forces, the Agency will only be reimbursed for direct costs (this excludes general overhead);

(g) The Agency shall provide to FDOT certification and a copy of appropriate documentation substantiating that all required right-of-way necessary for the Project have been obtained; and

(h) Provide FDOT with written notification of either its intent to:

(i) Award the construction of the Project to a contractor which is the lowest, responsive, and responsible bidder in accordance with applicable state and federal statutes, rules, and regulations. The Agency shall then submit a copy of the bid tally sheet(s) and awarded bid contract, or

(ii) Construct the Project utilizing existing Agency employees, whose qualifications have been approved by FDOT, if the Agency can complete said Project within the time frame in Section 3.0 of this Agreement.

6.1 TRANSFER OF FUNDS:

The Agency should be aware of the following time frames. Upon receipt, FDOT has 20 days to inspect and approve the goods and services. FDOT has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved.

If a payment is not available within 40 days, a separate interest penalty at a rate as established pursuant to Section 55.03(1), Florida Statutes, will be due and payable, in addition to the invoice amount, to the Agency. Interest penalties of less than one (1) dollar will not be enforced unless the Agency requests payment. Invoices that have to be returned to the Agency because of Agency preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the FDOT.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for entities who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516 or by calling the Division of Consumer Services at 1-877-693-5236.

Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapters 215 and 216, Florida Statutes. If FDOT determines that the performance of the Agency is unsatisfactory, FDOT shall notify the Agency of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by FDOT. The Agency shall, within five days after notice from FDOT, provide FDOT with a corrective action plan describing how the Agency will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to FDOT, the Agency shall be assessed a non-performance retainage equivalent to 10% of the total invoice amount. The retainage shall be applied to the

invoice for the then-current billing period. The retainage shall be withheld until the Agency resolves the deficiency. If the deficiency is subsequently resolved, the Agency may bill FDOT for the retained amount during the next billing period. If the Agency is unable to resolve the deficiency, the funds retained may be forfeited at the end of the Agreement's term.

6.2 USE OF FUNDS: Funds made available by FDOT pursuant to this Agreement shall be expended in a timely manner and solely for the purpose of the approved Project. The funds shall not be used for the purchase or planting of any landscaping, mitigation, the installation or relocation of utilities, for any legal action against FDOT, or costs associated with preparation of the application for use of Economic Development Transportation funding. The Schedule of Funding, **Exhibit "B"**, is attached and incorporated in this Agreement.

6.3 ASSURANCES: As an inducement to the transfer of funds referred to in Section 6.1 above, the Agency certifies that, if initiated, the Project will be carried through to its completion and will not require the expenditure of any additional funds from FDOT. The Agency is liable for all costs in excess of the amount paid by FDOT.

7.0 DESIGN AND CONSTRUCTION STANDARDS AND REQUIRED APPROVALS:

(a) The Agency agrees to undertake the design, construction, and Consultant Construction Engineering Inspection ("CCEI") of the Project in accordance with all applicable federal, state and local statutes, rules and regulations, including Agency standards and specifications. A professional engineer, registered in Florida, shall provide the certification that all design and construction for the Project meets the minimum construction standards established by the Agency.

(b) The Agency understands that it is responsible for the preparation of all design plans for the Project. The Agency shall hire a qualified consultant for the design phase of the Project using the Agency's normal procurement procedures to perform the design services for the Project.

(c) Execution of this Agreement by both Parties shall be deemed a Notice to Proceed to the Agency for the design phase of the Project. Any design work performed prior to the execution of this Agreement is not subject to reimbursement.

(d) The Agency will provide one (1) copy of the final signed and sealed design plans and signed and sealed specifications and final bid documents to FDOT's Construction Project Manager prior to commencing construction of the Project. Prior to commencing the construction work described in this Agreement, the Agency shall request a Notice to Proceed from FDOT's Construction Project Manager, Diana Serrano, at (954) 958-7583 or an appointed designee. Any construction work performed prior to the issuance of the Notice to Proceed for construction is not subject to reimbursement.

(e) The Agency shall hire a qualified contractor using the Agency's normal bid procedures to perform the construction work for the Project.

(f) The Agency shall hire a qualified CCEI to perform construction oversight including the obligation to assure that any and all verification testing is performed in accordance with the 2014 Standard Specifications for Road and Bridge Construction, as amended from time to time. FDOT shall have the right, but not the obligation, to perform independent assurance testing during the course of construction of the Project. The CCEI firm shall not be the same firm as that of the Engineer of Record for the Project.

(g) The Agency shall require the Agency's contractor to post a payment and performance bond in accordance with Section 337.18(1), Florida Statutes.

(h) The Agency shall be responsible to ensure that the construction work under this Agreement is performed in accordance with the approved construction documents, and that it will meet all applicable Agency standards.

(i) Upon completion of the work authorized by this Agreement, the Agency shall notify FDOT in writing of the completion of construction of the Project; and for all design work that originally required certification by a Professional Engineer, this notification shall contain an Engineers Certification of Compliance, signed and sealed by a Professional Engineer, the form of which is attached hereto as **Exhibit "D"**. The certification shall state that work has been constructed in compliance with the Project design plans and specifications. If any deviations are found from the approved plans, the certification shall include a list of

all deviations along with an explanation that justifies the reason to accept each deviation. All deviations shall have had prior written approval from FDOT in advance of the deviation being constructed.

(j) The Agency must submit the final invoice to FDOT within one hundred eighty (180) days after the final acceptance of the Project or it may not be paid.

(k) Upon completion of the Project, the Agency shall be responsible for the perpetual maintenance of the facilities on its system that are constructed under this Agreement as agreed to in **Exhibit "C"**. The terms of this provision shall survive the termination of this Agreement and may be enforced by FDOT.

8.0 AVAILABILITY OF FUNDS: The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. In the event this Agreement is in excess of \$25,000 and has a term for a period of more than one year, the provisions of Chapter 339.135(6)(a), F.S., are incorporated:

"The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of 25,000 dollars and which have a term for a period of more than 1 year."

9.0 TERMINATION OF AGREEMENT: FDOT may terminate this Agreement upon no less than thirty (30) days notice in writing delivered in accordance with the Notices and Approvals provisions of Paragraph 5.0. In the event the Agency fails to perform or honor the requirements and provisions of this Agreement, the Agency shall return funds in accordance with Section 10.0 of this Agreement within thirty (30) days of the termination of this Agreement.

9.1 TERMINATION REPORT: Upon termination prior to the expiration of this Agreement, the Agency will provide the following:

(a) Certification that the portion of the Project that has been completed is in compliance with the terms and conditions of this Agreement and meets minimum construction standards established in accordance with Section 336.045, Florida Statutes.

(b) A report which shall specify the following: (i) the total direct Project costs paid from funds made available by FDOT pursuant to this Agreement; and (ii) the balance of any unexpended Project funds.

10.0 EXPENDITURES IN VIOLATION OF AGREEMENT: Any Project funds made available by FDOT pursuant to this Agreement which are determined by FDOT to have been expended by the Agency in violation of this Agreement or any other applicable law or regulation shall be promptly refunded in full to FDOT. Acceptance by FDOT of any documentation or certifications, mandatory or otherwise permitted, that the Agency files shall not constitute a waiver of FDOT's rights as the funding agency to verify all information at a later date by audit or investigation.

11.0 LEGAL REQUIREMENTS:

(a) This Agreement is executed and entered into in the State of Florida and will be construed, performed, and enforced in all respects in strict conformity with local, state, and federal laws, rules, and regulations. Any and all litigation arising under this Agreement shall be brought in the appropriate court in Leon County, Florida, applying Florida law.

(b) If any term or provision of the Agreement is found to be illegal and unenforceable, the remainder of the Agreement will remain in full force and effect and such term or provision will be deemed stricken.

(c) The Agency shall allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Agency in conjunction with this Agreement. Failure by the Agency to grant such public access shall be grounds for immediate unilateral cancellation of this Agreement by FDOT.

(d) The Agency shall comply with all federal, state and local laws and ordinances applicable to the work or payment for work thereof.

(e) The Agency and FDOT agree that the Agency, its employees, contractors, subcontractors, consultants, and subconsultants are not agents of FDOT as a result of this Agreement.

12.0 PUBLIC ENTITY CRIME: The Agency affirms that it is aware of the provisions of Section 287.133(2)(a), Florida Statutes. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list. The Agency agrees that it shall not violate Section 287.133(2)(a), Florida Statutes, and further acknowledges and agrees that any conviction during the term of this Agreement may result in the termination of this Agreement.

13.0 UNAUTHORIZED ALIENS: FDOT will consider the employment of unauthorized aliens, by any contractor or subcontractor, as described by Section 274A(e) of the Immigration and Nationalization Act, cause for immediate termination of this Agreement.

14.0 NON-DISCRIMINATION: The Agency will not discriminate against any employee employed in the performance of this Agreement, or against any applicant for employment because of age, ethnicity, race, religious belief, disability, national origin, or sex. The Agency shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management. The Agency shall insert similar provisions in all contracts and subcontracts for services by this Agreement.

The Agency affirms that it is aware of the provisions of Section 287.134(2)(a), Florida Statutes. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant

under a contract with any public entity, and may not transact business with any public entity. The Agency further agrees that it shall not violate Section 287.134(2)(a), Florida Statutes, and acknowledges and agrees that placement on the list during the term of this Agreement may result in the termination of this Agreement.

15.0 ATTORNEY FEES: Unless authorized by law and agreed to in writing by FDOT, FDOT will not be liable to pay attorney fees, interest, or cost of collection.

16.0 TRAVEL: There shall be no reimbursement for travel expenses under this Agreement.

17.0 PRESERVATION OF REMEDIES: No delay or omission to exercise any right, power, or remedy accruing to either Party upon breach or default by either Party under this Agreement, will impair any such right, power or remedy of either Party; nor will such delay or omission be construed as a waiver of any breach or default or any similar breach or default.

18.0 AUDIT AND MONITORING REQUIREMENTS:

(a) The administration of resources awarded by FDOT to the Agency may be subject to audits and/or monitoring by FDOT, as described in this section. In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised, and Section 215.97, Florida Statutes, monitoring procedures may include, but not be limited to, on-site visits by FDOT staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the Agency agrees to comply and cooperate fully with any monitoring procedures/processes deemed appropriate by the FDOT. In the event the FDOT determines that a limited scope audit of the Agency is appropriate, the Agency agrees to comply with any additional instructions provided by FDOT staff regarding such audit. The Agency further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the state Chief Financial Officer (CFO) or Auditor General.

(b) The Agency, as a non-state entity as defined by Section 215.97(2)(m), Florida Statutes, is required to have audits performed annually using the following criteria:

i. In the event that the Agency expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of the Agency, the Agency must have a state single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes;

applicable rules of the Executive Office of the Governor and the state CFO; and Chapters 10.550 (Agency entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General. **Exhibit “E”** to this Agreement indicates state financial assistance awarded through FDOT by this Agreement. In determining the state financial assistance expended in its fiscal year, the Agency shall consider all sources of state financial assistance received from FDOT, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

ii. In connection with the audit requirements, the Agency shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2)(e), Florida Statutes, and Chapters 10.550 (Agency entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General.

iii. If the Agency expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the Agency expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from non-state entity’s resources (i.e., the cost of such an audit must be paid from Agency’s resources obtained from other than State entities).

iv. State awards are to be identified using the Catalog of State Financial Assistance (CSFA) title and number, award number and year, and name of the state agency awarding it.

v. The Agency shall follow up and take corrective action on audit findings. Preparation of a summary schedule of prior year audit findings, including corrective action and current status of the audit findings is required. Current year audit findings require corrective action and status of findings.

vi. Records related to unresolved audit findings, appeals, or litigation shall be retained until the action is complete or the dispute is resolved. Access to project records and audit work papers shall be given to FDOT, the state CFO, and the Auditor General. This section does not limit the authority of FDOT to conduct or arrange for the conduct of additional audits or evaluations of state financial

assistance or limit the authority of any other state official.

vii. Copies of financial reporting packages, reports, or management letters required by this Agreement shall be submitted by or on behalf of the Agency directly to the following offices:

Florida Department of Transportation
Office of Comptroller, MS 24
605 Suwannee Street
Tallahassee, FL 32399-0405
Email: FDOTSingleAudit@dot.state.fl.us

and

State of Florida Auditor General
Room 401, Claude Pepper Building
111 West Madison Street
Tallahassee, FL 32399-1450

viii. Any reports, management letter, or other information required to be submitted to FDOT pursuant to this Agreement shall be submitted timely in accordance with OMB Circular A-133, Florida Statutes, and Chapters 10.550 (local government entities) or 10.650 (non-profit or for-profit organizations), Rules of the Auditor General, as applicable.

ix. The Agency, when submitting financial reporting packages to FDOT for audits done in accordance with OMB Circular A-133 or Chapters 10.550 (local government entities) or 10.650 (non-profit or for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the Agency in correspondence accompanying the reporting package.

x. The Agency shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of at least five years from the date the audit report is issued, and shall allow the FDOT, or its designee, the state CFO or Auditor General access to such records upon request. The Agency shall ensure that the independent audit working papers are made available to the FDOT, or its designee, the state CFO, or Auditor General upon request for a period of at least five years from the date the audit report is issued, unless extended in writing by the FDOT.

(c) The Agency must include the audit and record keeping requirements in this Section 18.0 in contracts and subcontracts entered into by the Agency with any party for work required in the

performance of this Agreement.

(d) The Agency shall, three (3) months after the date of execution of this Agreement and every three (3) months thereafter, provide FDOT with quarterly progress reports. Each quarterly report shall contain a narrative description of the work completed and whether the work is proceeding according to the project schedule; a description of any change orders executed by the Agency with prior written approval by FDOT, preceding the change orders; a budget summary detailing planned expenditures compared to actual expenditures; and identification of each small, women-owned or minority business enterprise used as contractors or subcontractors. Records of all progress payments made for work in connection with such transportation projects, and any change orders executed by the Agency and payments made pursuant to such orders, shall be maintained by the Agency in accordance with accepted governmental accounting principles and practices and shall be subject to financial audit as required by law.

(e) Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to FDOT at all times during the period of this Agreement and for five (5) years after final payment is made. Copies of these documents and records shall be furnished to FDOT upon request. Records of costs incurred include the Agency's general accounting records and the Project records, together with supporting documents and records, of the contractor and all subcontractors performing work on the Project, and all other records of the contractor and subcontractors considered necessary by FDOT for a proper audit of costs.

19.0 LOBBYING: Funds may not be used for the purpose of lobbying the Florida Legislature, judicial branch, or any state agency, in accordance with Section 216.347, Florida Statutes.

20.0 MINORITY VENDORS: The Agency is encouraged to use small businesses, including minority and women-owned businesses as subcontractors or sub-vendors under this Agreement. The directory of certified minority and women-owned businesses can be accessed from the website of the Department of Management Services, Office of Supplier Diversity. The Agency shall report on a quarterly basis its expenditures with minority and women-owned businesses. The report shall contain the names and addresses of the minority and women-owned businesses; the aggregate dollar figure disbursed that quarter

for each business; the time period; type of goods or services; and the applicable code. If no expenditures were made to minority or women-owned businesses, the Agency shall submit a statement to this effect.

21.0 INDEMNITY AND INSURANCE:

(a) The Agency agrees to include the following indemnification in all contracts with contractors, subcontractors, consultants, and subconsultants, who perform work in connection with this Agreement:

"The contractor/subcontractor/consultant/subconsultant shall indemnify, defend, save and hold harmless the State of Florida, Department of Transportation and all of its officers, agents or employees from all suits, actions, claims, demands, liability of any nature whatsoever arising out of, because of, or due to any negligent act or occurrence of omission or commission of the contractor/subcontractor/consultant/subconsultant, its officers, agents or employees."

(b) The Agency shall carry or require its contractor/subcontractor/consultant/subconsultant to carry and keep in force during the period of this Agreement a general liability insurance policy or policies with a company or companies authorized to do business in Florida, affording public liability insurance with combined bodily injury limits of at least \$100,000 per person and \$300,000 each occurrence, and property damage insurance of at least \$100,000 each occurrence, for the services to be rendered in accordance with this Agreement. In addition to any other forms of insurance or bonds required under the terms of the Agreement, when it includes construction within the limits of a railroad right-of-way, the Agency must provide or cause its contractor to provide insurance coverage in accordance with Section 7-13 of FDOT's Standard Specifications for Road and Bridge Construction (2014), as amended.
