2. **Intent of Agreement:** The intent of this Agreement is to establish the method of distribution of the proceeds of a local option gas tax to be used for transportation expenditures.
3. **Distribution of Proceeds:** The Parties agree to divide the proceeds of the local option gas tax according to the following distribution formula: Sixty-two and one-half percent (62.5%) to the County, and Thirty-seven and one-half percent (37.5%) to the Municipalities.
